GOVERNOR'S ASSESSMENT

(ANNUAL REPORT TO PRESIDENT FOR THE YEAR 2020-21)

The independent assessment about various issues and efforts made for the welfare of people in Scheduled Areas for the year 2020-2021 is as under

1. **Notification under sub-para (1) of para 5 of the Fifth Schedule of the Constitution of India : In the period under report following Notifications have been issued:**

(i) The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (2 of 2007) (FRA in short) has been enacted to recognize and vest the forest rights and occupation in forest land in forest dwelling scheduled tribes and other traditional forest dwellers who have been residing in such forests for generations but whose rights could not be recorded. In the section 6 of the Act, the procedure for vesting of such forest rights to the forest dwelling Scheduled Tribes and other traditional forest dwellers has been provided. As per the provisions under the Act, the Sub-Divisional Level Committee, District Level Committee and State Level Monitoring Committee have been constituted for implementation of the said Act. The sub-section (6) of the said section 6 of the Act provides. that the decision of the District Level Committee on the record of forest rights shall be final and binding However, it has been reported that a large number of applications under the said Act relating to record of rights were rejected by the District Level Committee, and there has been no provision in the Act for appeal against the decision of the District Level Committee. To make a provision for appeal of the order of the District Level Committee to reconsider the rightful claims of applicants, it was felt necessary to modify the provisions of the said Act. In view of this, by Notifications dated 18th May 2020 and Corrigendum dated 2nd June 2020, the section 6 of the FRA has been amended. Accordingly, a new sub-section 6A has been inserted after sub-section 6 of section 6 of the FRA. It has been directed that, any claimant aggrieved by the order of the District Level Committee may prefer an appeal to the Divisional Level Committee constituted under the chairmanship of Divisional Commissioner of the said Division.

(ii) It was observed that there has been a need to provide housing area for the extended Forest Dwelling Scheduled Tribe families and Other Traditional Forest Dwelling families in Tribal Areas. It had been felt that, providing housing area will lead to stop migration of the Forest Dwelling Scheduled Tribe families and Other Traditional Forest Dwelling outside the native habitats and will provide stability in tribal lives. A large number of demands regarding extension of village site / hamlet / habitation area in the Scheduled areas were also received. It was reported that, almost all the villages in the Scheduled Areas of the State are notified as Revenue Villages. It was also reported that most of the areas outside the recognized village site / hamlet / habitation of the said villages are treated as situated in the Forest Land. In view of this, it was considered expedient to make provision for the housing of Forest Dwelling Scheduled Tribe families and Other Traditional Forest Dwelling families by making provision for extension of village site / hamlet /habitation Land. It had been come to the notice of the Governor that, the sub-section (2) of section 3 of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 provides for diversions of forest land for 13 facilities managed by the Government. The said provision does not specifically provide for in this list of 13 the purpose of providing housing area in the Scheduled Areas. In exercise of the powers conferred by sub-paragraph (1) of Paragraph 5 of the Fifth Schedule to the Constitution of India, a Notification had been issued on 23rd February 2017, and thereby added entries (n) and (O) in sub-section (2) of section 3 of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (2 of 2007), in its application to the State of Maharashtra. I felt that, it is expedient to further amend the Scheduled Tribes and Other

Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, in its application to the State of Maharashtra, for providing housing area in the scheduled areas. So, by exercising the powers conferred by sub-paragraph (1) of paragraph 5 of the Fifth Schedule to the Constitution of India, a Notification has been issued on 23rd September 2020, thereby making modification in section 3(2) of the scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, in its application to the State of Maharashtra for the said purpose by inserting clause (p) in the said section 3 (2).

2. Visit to Scheduled Area:

During the year 2020, on 21st February 2020 and 22nd February 2020, a visit was made to tribal populated Nandurbar district. The remote scheduled area village Bhagdari in Akkalkuwa taluka of Nandurbar district was visited. After staying there for a night halt, a meeting was taken with the native people and discussed with them the administrative and other issues being faced by them. A visit was made to Eklavya School at Bhagdari and the Rural Hospital at Molgi in Akkalkuwa taluka of Nandurbar district. During the tour, interaction was done with the students of Government Secondary Ashram Shala at Navli in Nawapur taluka of Nandurbar district. This visit revealed many problems faced by the tribals. However, due to Corona Pandemic Outbreak, further visits could not be done during the year 2020.

3. Meeting of Tribes Advisory Council (TAC)

The 50th meeting of Tribes Advisory Council was held on 11th February 2019. Due to Covid Outbreak in the year 2020, the newly formed Government could not constitute the Tribes Advisory Council. During the year 2020, meeting of TAC could not be held.

4. Regularization of Homestead Land for artisans and laborers

The issue of regularising Homestead Land for artisans and labourers especially belonging to Katkari Community, which falls under Group of Vulnerable Communities in Konkan division, has been a long pending issue. Various meetings with the officials of Revenue Department were taken by the Governor.

Regularisation of Homesteads falls under four categories.

(i) Homesteads on Government Land and Gaothans

(ii) Homesteads on private lands

(iii) Homesteads on forest lands

(iv) Homesteads on Gurcharan / Gairan lands

On the initiatives of the Governor, the State Government was asked to first create record of rights of homesteads in the name of Community people. As per section 17 B (1) of the Bombay Tenancy and Agricultural Lands Act (BTAL), 1948, the Government needed to notify / define the procedure in which the Record of Rights needs to be created and maintained. The Revenue Department after the proactive follow up by the Governor's Secretariat issued a Notification on 23rd November 2017, under section 17 B (1) of the BTAL, 1948, by inserting Rule 11A in the Bombay Tenancy and Agricultural Lands Rules, 1956, detailing draft format for preparing record of rights for dwelling houses of agricultural labourers and artisans.

The Governor's Secretariat has followed up continuously. By the end of March 2020, most of the Homesteads on Government Land and Gaothans, as well as on forest lands have been regularized and given to the artisans and laborers. In case of regularization of homesteads on private lands, out of total 23140 cases of regularization of homesteads on Private Lands in the 5 districts under Konkan Revenue Division, the record of rights in 20785 cases have been prepared and remaining are in process. The State Government was asked to issue Notification under section 17 B (2) of the BTAL regarding revised cut-off date, and the entire process of regularising the homesteads on Private Lands shall be completed at the earliest. After the continuous follow up by the Governor's Secretariat, the State Government has issued notification on 1st April 2022 mentioning that, by exercising the powers conferred by clause (a) of section 18 read with sub-section (2) of section 17B of the Maharashtra Tenancy and Agricultural Lands Act, (LXVII of 1948) Government of Maharashtra hereby specifies the 31st day of May, 2022. to be the date for the purposes of sub-section (2) of section 17B of the said Act in respect of the dwelling houses and sites thereof occupied by agricultural labourers and artisans in any village.

(i) **5239** encroachments of the Katakari families on gaothan land were regularised for the Home State Land

(ii) **562** encroachments made by the Katakari families on the Government land were regularised for the home state land.

(iii) **802** encroachments made by the Katakari famillies on the forest land were regularised for home state land.

It was a great achievement as 23,140 landless artisans (mostly belonging to Katkari tribe) became owners of the land on which their houses were built. Thus, the Governor's Office was able to serve the last people of the society and was able to fulfil the constitutional responsibility accorded to this office.

5. Progress in implementation of Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 (FRA)

The mandate of FRA is providing rights to the depressed classes like Scheduled Tribes and other traditional forest dwellers who are dependent on forests for their livelihood. The implementation of FRA, 2006 has been an important agenda. for the State Government as well as for Governor's office. Various meetings were taken with Members of Legislative Assembly, Secretaries of Government Departments, and representatives of non-Government Organisations working in tribal areas and finally the tribals and people living in the tribal areas.

Governor's office also takes regular review of the implementation of FRA. The cumulative progress in the implementation of Forest Rights Act 2006, by the end of March 2021, is as shown in the following table:

	No. of claims received at the Gram Sabha Level	**No. of claims disposed off by DLCs**	**Percentage of Claims disposed off**	**No. of Claims Pending**	**Percentage of Claims Pending**	**Area under the Titles distributed (in Lakh Acres)**
IFRs	379881	364070	95.84%	3139	0.83%	1.31
CFRs	11985	9775	81.59%	2210	18.41%	28.28

(Source: Monthly Progress Report of Tribal Research & Training Institute, Pune)

The Governor had directed the State Government to facilitate the IFR holders to access institutionalized credit through the nationalized banks on priority. The State Government has extended Pradhan Mantri Kisan Yojana for the IFR holders for developing the land. In order to promote forest regeneration on such lands, an appeal was made to the districts administration to take up tree plantation programmes with the participation of people. The districts administration were requested to take up activities of afforestation and regeneration in the forest lands, lying within the natural jurisdiction of Gram Sabhas, in a mission mode in at least 30 Gram Sabhas in each PESA block with the consent of Gram Sabhas.

in order to help the villages to prepare their Community Forest Rights claims for submitting them to the sanctioning committees for approval, and to create awareness amongst the villagers about the Forest Rights, the State Government has appointed 69 Forest Rights Managers at the district and block level on remuneration basis. The work of preparing Community Forest Conservation Plan has been started In 376 villages of the State through 16 Non-Government Organisations under UNDP-MoTA Project.

The following meetings have been held from time to time for the effective implementation of the Forest Right Act in the State of Maharashtra.

(1) In the last 2 years, State Level Monitoring Committee meeting have been held in the following number of time in connection with the Implementation of the Forest Right Act.

(a) Date-25 March 2021-22nd Meeting

(b) Date-11 January 2022-23rd Meeting.

(c) Date-12 August 2023-24th Meeting

(2) Under the Chairmanship of Secretary, Tribal Development Department, all the projects officers were being reviewed weekly through Video Conference in the year 2021 in accordance with the implementation of the Forest Right Act.

6. Progress in implementation of Panchayats (Extension to Scheduled Areas) Act,1996 (PESA)

The Scheme of direct devolution of 5% Tribal Component Scheme funds to the Gram Sabhas in PESA villages has been continued in the year 2020. However, due to Covid-19 outbreak, the infrastructure works taken through the scheme funds were came to halt. Since the scheme gave boost to the developmental economy and the structures in scheduled area villages, the Governor's office has also requested the Tribes Advisory Committee to deliberate on increasing the component of devolving the Tribal Component Schemes funds from 5% to 10% directly to Gram Sabha Kosh of Gram Panchayats in Scheduled Areas. The Untied 5% PESA fund has empowered the Gramsabhas to exercise the right for their own Village Planning and development. This has resulted in increased response and Participation of members in Gramsabhas.

The monitoring mechanism for implementing PESA includes appointment of PESA Coordinators and PESA mobilisers at District and Block levels. They serve as important links between the village panchayats / gram sabhas and the State Government. There are 2897 Gram Panchayats in Scheduled Areas of the State. Under Rashtriya Gram sawaraj Abhiyan, 59 posts of block PESA coordinators and 13 posts of District PESA coordinators have been sanctioned. During FY 2019-20, 35 posts of Block PESA coordinators and 9 posts of District PESA coordinators were filled in. 2635 Self Help Groups of women were appointed as Mobilisers in PESA Gram Sabhas, and each Group was being given Rs.2500 per month as remuneration. Trainings of these PESA Mobilisers had been conducted at Block /Taluka level.

Implementation of various Capacity Building and Training activities (CB&T):

Funds are provided through the Rashtriya Gram Swarajya Abhiyan for training and capacity building of elected representatives, government officials and employees and other Stake Holders in the Scheduled Areas of the State of Maharashtra. Large number of capacity building activities have implemented for various components. Also, an initiative called Gram Sabha Mobilization is implemented to strengthen the Gram Sabhas.

Independent Gram Panchayat Development Plan (GPDP) for PESA villages:

The Central Government has started an initiative called gram Panchayat Development Plan (GPDP) under this initiative, annual and five year plan of each Gram Panchayat are prepared. Special provision has made for Gram Panchayats in Scheduled Areas. Along with the Gram Panchayats separate annual and five-year plans are prepared for each PESA village. The Gram Sabhas of PESA village has full authority to prepare of plans. As a separate plan is prepared for each PESA village Activities are implemented based on the needs of PESA village. Resulting the development of PESA villagers in the Scheduled Area has gained a momentum.

Declaration of PESA Nodal Officers:

For effective implementation of PESA Act, the village Development Department has declared Deputy Commissioner (Development), Divisional Commissioner's Office and Deputy Chief Executive Officer (Panchayat) as nodal officers as per the Government Resolution dated September 6, 2021.

The Rural Development Department has developed a system called ZPPFMS in accordance with the Direct Benefit Transfer (DBT) policy of the Central Government and PFMS system of the Central Government. The ZPPFMS system is currently being successfully implemented in all Zilla Parishad. The Rural Development Department intends to develop PESA-PFMS on the lines of ZPPFMS for effective implementation of PESA 5% United Fund Scheme Discussion is being held with the tribal department regarding this matter. Implementation of the PESA-PFMS system will enable transparent of the PESA 5% United Fund Scheme from state level to village level.

7. Initiatives taken in order to control Covid-19 pandemic in Scheduled Areas during April 2020 to March 2021 through Women & Child Development Department

The Department of Woman and Child Development has taken the following precautionary measures in the wake of Covid-19 pandemic and through the Commissioner, ICDS communicated the following instructions to all Field Officers in Urban /Tribal and Rural areas (Concerned District programme officers all ZP and Child Development project officers (Urban Projects) and they have already commenced implementation of the orders to prevent disruption in food supplies:

a) Pre Primary Education in all the Anganwadies in Rural / Urban / Tribal areas of the State has been discontinued with a view to avoid gathering of beneficiaries in Anganwadise. PSE is being given online by forming whatsapp groups of parents of 3- 6 years wherever possible.

b) The State of Maharashtra is implementing Home based Village Child Development Centre in the COVID-19 pandemic situation for Severely Acute Malnourished (SAM) children. Energy Dense Nutritious Food is provided. The State of Maharashtra has also started growth monitoring of the children from month of July 2020. Every day 5 children's height and weight is being taken by Anganwadi workers. Instructions are issued to all Anganwadi workers in the state to do the home visits to the SAM child's home.

c) The supply of Home Ration to the beneficiaries of the 6 months to 3 years age group, Pregnant and Lactating mothers is being continued.

d) As the beneficiaries of the 3 to 6 years age group eat the hot cooked meal served to them in Anganwadis together, the Hot Cook Meal is being replaced by Take Home Rations commencing from 20-03-2020 in all the Anganwadis in Rural / Urban / Tribal areas of the State. The Take Home Rations will be delivered to the beneficiaries with the intent of not depriving the beneficiaries from the nutritional food in the wake of the Covid-19 outbreak and the uncertainly of continuing Hot Cook meals supply due to transport constraints,

e) Door step delivery of THR:

(i) After food grains are lifted from various regional godowns of FCI, cleaning and packing is done and thereafter it is distributed to districts and taluka level godowns for the final distribution to the 1 lakh Anganwadis.

ii. After the packets of food materials is distributed at the Anganwadi level, the packets are distributed to all beneficiaries.

iii. As the Anganwadi centres are located within 1 km. residential area which is easily accessible to all beneficiaries, the food packets are picked up by the beneficiaries from Anganwadis.

iv. Beneficiaries who are unable to lift the ration from Anganwadi centre are given door steps delivery by the Anganwadi worker.

- **Precautions taken while distribution of Food to beneficiaries.**
  a. Social distance is strictly maintained at the time of food distribution.
  b. Anganwadi workers are using masks and hand gloves at the time of food packets distribution.

f) The supplies of Take Home Rations in lieu of Hot Cooked Meals is being done through Maharashtra State Co-op. Consumers Federation Ltd. by providing the following food materials to each beneficiary from 3 to 6 year age group.

Sr. No	Type of Beneficiary	Description of goods	Per day per Beneficiary (gm.)	Total days	Packing (Gms.) Size
1	3 years to 6 years Children	Wheat/Rice	62	50	3100
		Masoor Dal	28	50	1400
		Chana	30	50	1500
		Mirchi Powder (Agmark)	4	50	200
		Turmeric Powder (Agm)	4	50	200
		Salt	8	50	400
		Soya bean Oil	10	50	500

ii. In the lockdown period all beneficiaries are provided supplementary nutrition food. Category-wise beneficiaries who have provided SNP before lockdown period are as below

Sr. No	Category of Beneficiaries	Total Beneficiaries
1	6 Months to 3 Years	2806041
2	3 Years to 6 Years	2646224
3	Severely Underweight Children	81242
4	Pregnant & Lactating Mothers	1025366
	Total	**6558873**

The number of beneficiaries due to prevalence of COVID-19 across the state were

Sr. No	Category of Beneficiaries	Total Beneficiaries
1	6 Months to 3 Years	3011295
2	3 Years to 6 Years	3080374
3	Severely Underweight Children	81242
4	Pregnant & Lactating Mothers	1113572
	Total	**7286483**

8. Malnutrition

A. SWAYAM Project (2017-18 to 2022-23): To promote backyard poultry farming Area / Tribal Sub Plan Area, to provide Eggs to children in Anganwadies and extend opportunity of self-employment.

State Government has approved SWAYAM PROJECT to be implemented in 104 ICDS Blocks of 16 Tribal Districts. The project is to be executed in coordination of 4 Administrative Departments namely Tribal Development Department, Women and Child Development Department, Maharashtra State Rural Livelihood Mission (MSRLM) of Rural Development Department. As SWAYAM Project is meant for betterment of Tribal Population, the funds are being provided by Tribal Development Department. The Project is aimed to provide an opportunity of self-employment for the livelihood as well as high protein nourishment to the children in Anganwadies.

Animal Husbandry Department is having important role in implementation of SWAYAM Project. Beneficiaries from tribal community are provided with 4 weeks old, Low Input Poultry Birds free of cost, in three phases. These Low Input Birds are reared at Mother Units and given preliminary Immunization. The breeds are selected to sustain local environment to curb mortality rate. The number of 4 weeks old birds to be distributed is over 18.4 Lakhs, Financial Assistance of Rs. 1500/- is extended to each beneficially for making cages for these birds. Provision of Rs.650.52 lakhs is made for cages.

The Low Input Birds meant to trim down the expenses on rearing of highbred birds and enhance the egg and poultry meat output 43368 Tribal Families would be benefited under the project to boost Backyard Poultry Framing.

The eggs produced under the project are to be supplied to the Anganwadles within ICDS Blocks. It would be nutritious diet for the children at Anagawadies. The ICDS shall recompenses. @ Rs. 6/- each egg to the beneficiary. It would be an assured sell of eggs for beneficiary. The male birds amongst the flock can be marketed as poultry meat fetching supportive income to the family. As the eggs production is largely for Anganwadi children, Women & Child Development Department is another stakeholder in this Project.

Training, orientation and knowledge enhancement are important elements for the success of this Project. The responsibility of imparting these basics to the Beneficiaries and Community Resource Persons is entrusted to the Maharashtra State Rural Livelihood Mission (MSRLM) i.e. UMED. Provision of Rs.282.75 Lakhs is made for training activities.

Though the Project period is limited for 4 years, it is an endeavor to motivate each beneficiary to reproduce the number of birds in the flock. It would be a perpetual and uninterrupted source of income for the tribal family. The entire expense on the project is to the tune of Rs.2255.74 Lakhs and shall be boon for 40963 families to alleviate their economic status.

Current Status of SWAYAM Project:

1. 100 Mother Units have been established.
2. 7,24,380 four weeks old chicks of low input technology breed have been distributed in first lot. Also 5,10,970 four weeks old chicks in second lot and 3,05,000 four weeks old chicks in third lot have been distributed to beneficiaries in 16 District, totaling to 15,40,350.
3. Work of birds distribution in Raigad, Nanded, Amravati, Ahamadnagar, Palghar, Nashik, Nandurbar, Jalgaon, Gondia and Nagpur districts is Completed 100%
4. Egg production started in all districts under SWAYAM Project.

Swayam Project: (Year 2020-21)

The project is implemented from 2017-18 in scheduled areas of 16 tribal districts to supply eggs for Inclusion in children's diet in Anganwadi and creation to self- employment.

Under this project, 100 mother units have been set up in the integrated child Development Project area to distribute 45, four weeks birds to the beneficiaries in 3 phases (20+15+10=45), This project is being implemented with the objective of providing an effective source of protein rich food and employment to the beneficiaries on permanent basis Beneficiaries are encouraged to produce the 45 birds provided to them in a good manner and increase the number up to 100 birds. In order for the beneficiaries to take better care of the birds, training is provided to the beneficiaries and other ancillary entities involved in the project through the Maharashtra State Rural Livelihood Mission (UMED).

Under this project the beneficiaries to use the eggs produced from the birds in their family's daily diet and to sell the remaining eggs to the village Anganwadi's for Arrangements have been made. Rs.2255.74 Lakhs costing under this project till March -2021 Rs. 1926.12 Lakhs has been spent under this project will be benefited 43,368 beneficiaries. Under this project till March 2021 have been distributed 10,24,020 four weeks old, low input technology birds to 40,963 beneficiaries for self-employment generation.

Swayam Project for self-employment in Scheduled Area through production and supply of eggs. Funds allocated 289.42 Lakhs, Funds Released 104.52 Lakhs and Funds Utilization 157.45 Lakhs.

B. The following measures have been taken to reduce malnutrition by ICDS-

A) Take Home Ration has been supplied to children of 0 to 3 years, pregnant women, and lactating mothers. So also, Hot Cooked Meal is being supplied to 3 to 6 year's children to reduce & to control malnutrition.

B) Village Child Development Centres are in function for SAM Children Energy Dense Nutritious Food is being supplied to SAM children to bring them in Normal grade.

C) Additional food is being supplied to Severely Malnutrition children.

D) Mother and parents meetings are held to discuss and counsel regarding health and nutrition. So also, home visit are being done.

E) Through the "Muthabhar Dhanya" scheme grains are collected from the local area and served to children.

F) Timely screening has been done by the Health department.

G) Through Poshan Abhiyan Health & Nutrition awareness is being done. Furthermore, through an Incremental learning Programme discussion and counselling is done by Anganwadi workers & Supervisors.

H) in 16 Tribal districts under Dr. APJ Abdul Kalam Amrut Aahar Yojana one time square Meal is being supplied to a pregnant woman and lactating mother. So also, for the age group of 6 months to 6 years children eggs and bananas are provided for 4 days a week. In this 4 days, 1 egg per day for non-vegetarian child and 2 bananas per day for vegetarian child are being supplied.

I) The Government of Maharashtra started the Baby Care Kit Scheme from 2018. Children who will born in the government hospital and Primary health care centres will be eligible for Baby Care Kit Scheme. Under this, a baby care kit total of 17 items are available. The objective of the scheme is to promote childbirth in hospitals instead of at home. The scheme is launched to reduce the infant mortality rate (IMR)

J) Urban Child Development Centres are functioning an empirical basis in 6 Urban Projects of the Mumbai suburban district 319 SAM Children are enroll in these UCDC centres Of 319 SAM 92 children upgraded to MAM and 33 children upgraded Normal.

K) On the occasion of Azadi ka Amrut Mahotsav screening of children is done. Through this campaign 7110 SAM were identified and were enrolled in Village Child Development centres and had been supplied with EDNF. Out of 7110 SAM, 2070 children are upgraded to Normal and 2573 are upgraded to MAM.

Tarang Suposhit - As a part of innovation towards behavioural change strategy and leveraging technology for program strengthening the State has been implementing the “Tarang Suposhit

Maharashtracha" which is a digital platform for continuing interface with potential beneficiaries for nutritional and early childhood development counselling Hon. Minister, WCD had launched this platform on 22nd October 2020 for statewide implementation and ICDS Commissioner Office and Rajmata Jijau Mother-Child Health and Nutrition Mission with support of UNICEF spearheaded the initiative. This effort has been towards achieving the goal of "Saksham Mahila, Sudrud Balak, Suposhit Maharashtra" - "Empowered Women, holistically developed children for well-nourished Maharashtra".

9. Proposal for Reorganization of Scheduled Areas in Maharashtra State

The Scheduled Area in the State as declared by official Gazette of Central Government published on 2nd December, 1985 is as follows:

Sr. No	District	Fully included talukas (20+3)	Partially included talukas (20+9)
1	Thane (Palghar)	Shahapur, Talasari, Dahanu, Javhar, Mokhada, Wada, and Vikramgad (Palghar)	Palghar, Vasai, Bhiwandi, Murbad
2	Nashik	Surgana, Kalwan, Peth	Baglan, Dindori, Nashik, Igatpuri, Deola, Trimbakeshwar.
3	Dhule (Nandurbar)	Navapur, Taloda, Akkalkuwa, Akrani	Nandurbar, Shirpur, Sahahada, Sakri.
4	Jalgaon	--	Chopada, Yawal, Ravar
5	Ahmadnagar	--	Akola
6	Pune	--	Junnar, Ambegaon
7	Nanded	--	Kinvat, Mahur
8	Amaravati	Chikhaldara, Dharni	--
9	Yawatmal	--	Ghatanji, Kelapur, Ralegaon, Maregaon, Aarni, Zari Zamni
10	Gadchiroli	Etapalli, Sironcha, Aheri, Dhanroa, Kurkheda, Korachi, Bhamaragad	Gadchiroli, Aramori, Chamorshi, Desaiganj – Vadsa, Mulchera
11	Chandrapur	--	Rajura, Korpana, Jivati

a) The above information is based on data disseminated after 1971 Census
b) Thane and Dhule districts have been divided and two new districts namely Palghar and Nandubar have been created respectively. Also taking into account the division of various talukas in the state, at present 23 talukas in 13 districts of the state are fully and 36 talukas are partially included in scheduled areas and the number of revenue in these is 5746 as per Census 2011. There are 29 enumeration towns and 11 municipalities in the present scheduled area.

Need For recorganization of existing Scheduled Areas

a) It has been 38 years since the declaration of scheduled areas in the state.Therefore, it is necessary to review this area.
b) The Scheduled Area is based on the population derived from the 1971 Census, but since then there have been 4 censuses and there has been a major changes in the number of villages and their population
c) There has been a big change in percentages in the tribal population of the village due to rapid urbanization and migration due to various reasons.
d) As a result, it is observed that the number of villages with tribal population in the Scheduled Area in the present situation is less.
e) Similarly, there is a large number of villages outside the Scheduled Areas with a lagee tribal population and since they were not included in the scheduled areas in the past, remained deprived of many government schemes.
f) In view of these transitions, the Scheduled Areas to provide due justice to the tribals of the state, reorganization was necessary.
g)In the above case, instructions from the Ministry of Tribal Affairs, Government of India, New Delhi were given on May 26, 2015 to further promote the reorganization work of Scheduled Areas in the State.
h) In the 49th meeting of the State Tribal Consultative Committee under the Chairmanship of the Hon. Chief Minister, State of Maharashtra dated April 6, 2016, to include all the eligible villages under the tribal sub-plan area and newly given the status of revenue villages in that area, similarly to exclude the ineligible villages in the tribal areas.

Institution's Role in Reorganization of Scheduled Area:

While reorganizing the Scheduled Areas in the State, the Tribal Research and Training Institute mainly took the basis of the criteria set by the Central Government in this regard. These criteria are as follow.
Four major criteria have been laid down by the Central Government for inclusion of
villages in Scheduled Areas, these criteria are:
a) Villages dominated by tribal population.
b) The proposed area should be contiguous and the size of the area should be reasonable.
c) The existence of the proposed area should be administratively viable district taluka or block etc.
d) The villages in the proposed area should be economically backward compared to the village in the adjacent non-tribal areas.
State Government is discussing with all the stakeholders and the final proposal is being prepared for submitting it to Central Government.

10. Bringing State Acts in line with the PESA

Pursuant to Section 4 of the PESA Act, the State has amended various Acts in line with the PESA Act. Gram Sabhas is functioning in every PESA village; Reservation for Scheduled Tribes has been implemented in Panchayats at every level and as per PESA Act. Panchayats and Gram Sabhas at appropriate level have been given the necessary powers and authority to enable Panchayats in Scheduled Areas to function as self-governing institutions.

According to the PESA Act the State has brought the following laws into line with the PESA Act.

1. The Bombay Land Improvement Scheme Act, 1942.
2. Maharashtra Irrigation Act, 1976
3. Maharashtra prevention of Water Pollution Act, 1969
4. Maharashtra Fisheries Act, 1960.
5. Land Acquisition Act, 1894.

6. Maharashtra Land Revenue Code, 1966.
7. Bombay Prohibition Act, 1949.
8. Maharashtra Forest Act, 1994.
9. Maharashtra Minor forest Produce (Regulation of Trade) Act, 1969.
10. The Maharashtra forest Development Act, 1983.
11. The Market and Fairs Act, 1862.
12. Bombay Money Landers Act, 1946.
13. Maharshtra Land Improvement Scheme Act, 1942.
14. The Maharshtra Police Act, 1951.
15. Maharashtra village Panchayat Act, 1959.
16. Maharashtra Industrial Development Act, 1961.
17. Maharashtra Zilla Parishad Panchayat Samiti Act, 1961.
18. The Maharashtra Housing and Area Development Act, 1976.
19. The Maharashtra Transfer of Ownership of Minor forest produce in the Scheduled Areas and the Minor Forest Produce (Regulation of Trade) (Amendment) Act, 1997.

In accordance with the PESA Act, necessary amendments have been made to all the above relating to panchayats and traditional management practices of tribal Natural Resources and vested necessary rights and powers to tribals.

11. Transfer of subjects listed in the Eleventh Schedule of the Constitution to Panchayati Raj institutions.

The Eleventh Schedule of the Constitution (with reference to Article 243 G) has laid down 29 subjects which may be transferred to the Panchayati Raj Institutions. As per the Provisions of the Panchayats (Extension to the Scheduled Areas) Act, 1996 (PESA), a number of subjects have been mandatorily placed in the domain of the Panchayati Raj Institutions (PRIs) and the Gram Sabhas. The State has devolved 14 subjects so far to the PRI. The Tribes Advisory Council has been requested to take review and to give necessary Instructions to the Government for transfer of remaining 15 subjects along with the funds, functions, and functionaries to the appropriate PRIs, in a time bound manner. Tribal Cell in Governor's office is continuously following up this issue.

12. Conclusion.

In the period under report, quite good results were achieved in implementation of PESA and FRA although all the activities were limited due to Covid-19 outbreak. The administrative/monitoring mechanism for implementing PESA remained strengthened. In the period under report i.e. during the year 2020- 21 due to change in State Government, the Tribes Advisory Council could not be re- constituted, and hence no meeting of Tribes Advisory Council was held during the year. The Governor has issued Notifications under the paragraph 5 (1) of the fifth schedule which have given the tribal one more chance to appeal for their rightful claims. Due to this Notification the migration of tribal from their native habitats will stop. The State Government has amended most of the State Acts as per PESA. The State Government has taken efforts for reorganising the Scheduled Area, the report is under progress. The State Government has taken many initiatives in order to control Cavid-19 pandemic in Scheduled Areas during the lockdown period. The Public Distribution System and Supplementary nutritious food were provided door step in Scheduled Areas. Several important and positive interventions in Scheduled Areas could be seen in Maharashtra.

(Ramesh Bais)
Governor of Maharashtra

INTRODUCTION

1. To protect the interest of tribal, many safeguards are introduced and provided in the Constitution of India. As per 2011 Census, Maharashtra has a total tribal population of 105.10 lakhs.

2. The Fifth Schedule to the Constitution of India while defining the Scheduled Areas elaborates the provisions with regard to their administration and control thereof. Paragraph 3 more specially enjoins on the Governor of each State where there is Scheduled Areas in the State, to submit an Annual Report on the administration of Scheduled Areas in the State, to the President of Indian Republic.

3. According to the instructions and directions received from the Minister of State for Tribal Welfare, Government of India vide D.O. letter No. 18013 / 3 /86-TD (R), dated 15th January, 1987 addressed to the Chief Ministers of the State and the views communicated thereon by this Government vide No. TRI-1087/ CR-66/D-3, dated 12th January 1988, the Annual Report on the administration of the Scheduled Areas in the State has been prepared.

4. The present Annual Report for the year 2020-2021 has been compiled in the prescribed formats. This report includes details of the existing Administrative Machinery for the Scheduled Areas in Maharashtra.

5. The present annual report gives the conceptual background of the Scheduled Areas visa-a-visa the Tribal Sub-Plan (TSP) areas in the State. Further, it spells out the details of the sectoral programmes implemented under the core sectors such as agriculture, co-operation, education and public health, while providing the financial provisions and the expenditure incurred thereon during the period under reference. It further makes a schematic appraisal under key sectors of the economy in the Scheduled Areas.

6. Finally, it reviews the protective legislation enacted for ameliorating the socio-economic conditions of the Scheduled Tribes in the State.

CHAPTER – I
THE SCHEDULED AREAS AND SCHEDULED TRIBES (STs) IN THE STATE OF MAHARASHTRA

1. In pursuance of the provision of sub-paragraph (1) of section (6) of the Fifth Schedule to the Constitution of India, the President of India declared certain areas in the State of Maharashtra as Scheduled Areas, vide (1) the Scheduled Areas (Part -A States) Order, 1950 and (2) The Scheduled Areas (Part B States) Order, 1950. Subsequently the Government of India, Ministry of Law and Justice (Legislative Department) vide its Notification No.GSR-876, dated 2nd December 1985 notified the modified Scheduled Areas in the State of Maharashtra. The previously notified Scheduled Areas have by this notification been merged into the modified Scheduled Areas.
2. The Scheduled Areas of the State of Maharashtra are spread over 13 districts covering 59 tahsils. These comprise of 5706 villages and 40 towns (including municipal councils) covering an area of about 35109.73 sq. kms.
3. According to the 2011 Census, the total Tribal population of Maharashtra State is 105.10 lakh. Maharashtra State ranks second in the country in relation to the total Tribal population, next to Madhya Pradesh. Coverage of the Scheduled Areas with the Total and Tribal Population as per the 2011 Census.

THE SCHEDULED AREAS AND THE TRIBAL SUB-PLAN (TSP) AREAS

4 Earlier, even with the definition of the Scheduled Areas it was noted that deployment of funds for the development of these areas from the general plan programme was totally inadequate, as also with regard to the provision for the tribal population in general. It was therefore, decided to evolve a new strategy for the development of the Scheduled Areas. This led to the formulation of the Tribal Sub Plan.

5 In accordance with the guidelines issued by the Government of India, the State Government adopted the following criteria for identifying areas under the Tribal Sub Plan in the year 1975-76.

(1) All villages in the Scheduled Areas (1950)

(2) All Tribal Development Blocks

(3) All talukas having 50 percent or more of tribal Population

(4) Villages or areas which can be constituted as pockets outside the above mentioned areas or which were contiguous to such areas and which together had a predominantly Tribal population and/or the inclusion of which in the TSP areas was administratively expedient.

6. The 2011 Census total Tribal population of Maharashtra is 105.10 lakh, out of which 43.72 lakh Tribal population live in the aforesaid Scheduled Areas and 61.38 lakhs (58.40 %) of the Tribal population lives outside the scheduled areas of the State.

7. Accordingly, the Government of India, Ministry of Law and Justice (Legislative Department) vide its Extra-ordinary Notification No. 80183, Part-II, Section 3, sub-section (1) No. 521, dated 2nd December, 1985 under the Scheduled Areas (Maharashtra) Order, 1985 has declared the Scheduled Areas (these are now co-terminus with the Tribal Sub Plan areas) in the State of Maharashtra.

8. The Government of India has also decided that a group of villages having total population of about 10,000 and having more than 50% tribal population, those villages should be brought under the Modified Area Development Approach (MADA). Similarly if group of villages having total population of about 5000 and having more than 50% tribal population, those same should be constituted into a Mini-Modified Area Development Approach(Cluster) Pocket.

9. There are 1891 villages with a total population of 12.55 lakh (out of which the tribal population is 6.96 lakh) included in the Modified Area Development Approach and Mini-Modified Area Development Approach Pockets. Some of the villages out of the Additional Tribal Sub Plan areas are included in the Modified Area Development Approach Pockets. Though, the Government of India declined to place these additional villages on the same footing as the main Tribal Sub Plan Areas approved by them, the State Government felt that the tribal's living in these Additional Tribal Sub Plan, Modified Area Development Approach and Mini-Modified Area Development Approach Areas also needed special attention at par with the Tribal Sub Plan areas. All the benefits available to the

tribal in the Tribal Sub Plan areas as approved by the Government of India have been extended to the tribals of these Additional Tribal Sub Plan, Modified Area Development Approach and Mini-Modified Area Development Approach areas. A total of 3176 villages with a total population of 23.38 lakh of which the tribal population is 11.05 lakh now constitute Modified Area Development Approach, Mini-Modified Area Development Approach (Cluster) and the Additional Tribal Sub Plan.

10. Accordingly, at present, 5746 villages from 59 Tahsil of 13 districts, viz. Thane, Palghar, Dhule, Nandurbar, Nasik, Jalgaon, Pune, Ahmednagar, Amravati, Yavatmal, Chandrapur, Gadchiroli and Nanded are in the scheduled areas of the State. There are 5746 villages in the Tribal Sub Plan areas, 1285 villages in the Additional Tribal Sub Plan area, 1512 villages in Modified Area Development Approach blocks and 379 villages in the Mini-Modified Area Development Approach blocks. As per the 2011 census, out of a total population of 1123.74 lakh of the State, the tribal population is 105.10 lakh.

11. Out of the total Scheduled Tribes population of 105.10 lakh in the State 54.77 lakh (52.11%) have been covered in the Tribal Sub Plan + Additional Tribal Sub Plan + Modified Area Development Approach + Mini- Modified Area Development Approach areas. There are 50.33 lakh (47.89%) Tribal residing outside the Tribal Sub Plan, Additional Tribal Sub Plan, Modified Area Development Approach, and Mini- Modified Area Development Approach areas. All the Scheduled Areas are now covered under the Tribal Sub Plan areas hence there is no separate programme for the Scheduled Areas. The Tribal Sub Plan commenced functioning since 1976 under a separate Major Head under the various major development heads of the plan.

12. The President of India declares the Scheduled Areas under the provisions of the Constitution of the India. The existing Scheduled Areas have been modified so as to encompass the areas covered under the Tribal Sub Plan areas in the State. Thus, the Scheduled Areas and the Tribal Sub Plan areas has become co-terminus.

THE SCHEDULED TRIBES (ST) OF MAHARASHTRA

13. The First Presidential Order notifying the Scheduled Areas was issued in 1950. This was subsequently modified in 1985.

14. There are 45 Scheduled Tribes in Maharashtra. Only 15 tribes have more than one lakh population as per 2011 Census which are Andh (4,74,110); Bhil, Bhil Garasia, Dhoti Bhil (25,88,659); Gond, Rajgond, Arakh... (16,18,090); Halba, Halbi (2,61,011); Kathodi, Katkari (2,85,334); Kokna, Kokni (6,87,431); Kolam, Mannerwarlu (1,94,671); Koli Dhor, Tokre Koli (2,20,074): Koli Mahadev, Dongar Koli (14,59,565); Koli-Malhar (2,82,868); Korku, Bopchi (2,64,492); Pardhan, Pathari, Saroti (1,45,131), Pardhi, Advichincher… (2, 23,527) Thakur, Thakar (5, 67,968); and the Varli (7, 96,245). The other tribes which have a population of less than one lakh but more than 10,000 are the Dhanka, Tadvi, Tetaria… (35,104); Dhodia (17,520); Dubla, Talavia, Halpati (18,697); Gamit,

Gamta, Gavit (67,796), Kawar, Kanwar, Kaur. (26,354); Naikada, Nayak (22,307), Oraon, Dhangad (43,060); Unclassified (1,75,542)

15. The S.Ts living in the inaccessible areas have managed to maintain their cultural heritage through centuries of seclusion. Their characteristics, tribal dances and folklore are a part of their heritage. Their main occupations are agriculture, cattle rearing, wood cutting, collection of minor forest produce and selling these in the nearby markets. These different Scheduled Tribes have different historical backgrounds, cultural traits, dialects and dress, etc. Out of the above mentioned tribal communities, the 'Katkaris' in Raigad and Thane districts, the 'Kolams' in Yavatmal and Nanded districts and the 'Madia Gonds' in the Bhamragad area of Gadchiroli district have been declared as 'Primitive Tribes' by the Government of India and Central Sector Assistance is sanctioned every year by the Government of India for the development of these Primitive Tribes.

District-wise total and tribal population as per 1991, 2001, 2011 census of Maharashtra State is as follows.

(In thousands)

CHAPTER - II

ADMINISTRATIVE MACHINERY FOR THE SCHEDULED AREAS

Many developmental schemes - both infrastructural and individually benefit-oriented schemes are taken up under the Tribal Sub Plan. Most of the schemes are implemented by the concerned administrative departments of Government. For instance the scheme of construction of roads in the tribal areas is implemented by the Public Works Department. The Tribal Development Department (TDD) works as the nodal agency for all developmental works in the Tribal Sub Plan areas. The main role of the Tribal Development Department (under the Tribal Sub Plan) is co-ordination and monitoring. The Tribal Development Department is also responsible for budget control, grant of administrative approval, review and formulation of the policy for developmental works in the above sectors and areas.

ADMINISTRATIVE ARRANGEMENTS FOR THE TRIBAL SUB-PLAN

1. **Tribes Advisory Council (TAC) -**

The Chief Minister and Minister for Tribal Development are respectively ex-officio Chairman and Vice Chairman of the Tribes Advisory Council. Its main function is to advise the Governor of the State on important matters concerning tribal development and to decide on policy matters pertaining to the Tribal Development Department.

2. **Cabinet Sub-Committee for the Tribal Sub-Plan.**

At the State Level there is a Cabinet Sub-Committee for the Tribal Sub Plan headed by the Chief Minister. This Committee is required to approve the formulation of the Tribal Sub Plan, supervise its implementation, and consider all the aspects for its successful and rapid implementation as well as do the monitoring of the Tribal Sub Plan.

3. **Administrative Set-Up of the Tribal Development Department.**

Earlier the field machinery of the Tribal Development Department was divided into two streams, viz. one under the Director of Tribal Development and the other under the Additional Tribal Commissioners (ATCs). This was not very effective. It had become necessary to re-organize the set up of the field machinery with a view to bringing it under a single line of command and thereby ensure smooth and effective working. The State Government therefore re-organized the field machinery of the Tribal Development Department vide GR. No. EST-1089/CR. No.799/D-15, dated 15th January, 1992. The salient features of the new pattern are as follows:-

(1) The Directorate of Tribal Development was upgraded to a Commissionerate of Tribal Development with headquarters at Nasik and for that purpose the post of the erstwhile Director of Tribal Development was upgraded to that of Commissioner in the super time scale of the Indian Administrative Service (IAS).

(2) With the setting up of a separate and independent Commissionerate of Tribal Development, the Secretary to Government in the Tribal Development Department has been left free to attend to Secretariat functions and has been relieved of field duties which he was earlier required to perform as Secretary-cum-Commissioner.

(3) The offices of the Deputy Directors of Tribal Development at Nasik and Nagpur have been respectively merged into the Offices of the Additional Tribal Commissioners at Nasik and Nagpur.

(4) In addition to the post of Additional Tribal Commissioner at Nasik and Nagpur, two new offices of Additional Tribal Commissioners have been started at Thane and Amravati respectively by redesigning and transferring the two posts of Joint Commissioners, Tribal Development of earlier Commissioner of Tribal Development and the monitoring cell of Commissioner's office.

(5) The Offices of the Tribal Development Officers have been merged into the Offices of the Project Officers (POs), Integrated Tribal Development Projects (ITDPs).

(6) The Commissioner has been declared as Head of the Department and the four Additional Tribal Commissioners as Regional Heads.

(7) The Additional Tribal Commissioners and the Project Officers are required to attend to the work pertaining to tribal development including implementation of the schemes run by the Tribal Development Department such as Ashram Schools, Hostels, etc., and to monitor the schemes under the Tribal Sub Plan implemented by the other departments.

(8) Again in November 1993 it was decided that 11 posts of Project Officers in sensitive projects should be upgraded and filled in from among the officers belonging to the Indian Administrative Service and Indian Forest Services. The idea behind the Integrated Tribal Development Projects was that various plan schemes and services should be integrated at the block level. The Project Officers of Integrated Tribal Development Projects did not have overall powers of supervision and administrative control over the block level machinery of the other departments. Consequently, there has been a lacuna in proper integration of services and supervision with accountability at the block level. To remove these lacunae, the Government selected 11 sensitive Integrated Tribal Development Projects and appointed Indian Administrative Services and Indian Forest Service’s officers and they have been declared as Additional Collectors and Additional Chief Executive Officers of the concerned Zilla Parishads (ZPs). They have given some of the powers that have been given to Collectors and Chief Executive Officers of the Zilla Parishads. The list of the Integrated Tribal Development Projects where Indian Administrative Services and Indian Forest Services officers were to be posted is given below.

Sr. No.	District	ITDP	Taluka
01	Palghar	Jawahar	Jawahar and Mokhada
02	Palghar	Dahanu	Talasari
Sr. No.	**District**	**ITDP**	**Taluka**
03	Nashik	Nashik	Peth
04	Nashik	Kalwan	Surgana
05	Nandurbar	Taloda	Akrani and Akkalkuwa
06	Nanded	Kinwat	Kinwat
07	Amravati	Dharni	Dharni
08	Amravati	Chikhaldara	Chikhaldara (This has now been merged with the post of PO, Dharni and the ITDP at Pandharkawada, District Yavatmal up graded and the PO's post shifted there)
09	Gadchiroli	Gadchiroli	Dhanora and Kurkheda
10	Gadchiroli	Bhamragad	Etappali
11	Gadchiroli	Aheri	Aheri and Sironcha

(9) In March-1995 two posts of Deputy Commissioners in the Tribal Development Commissionerate have been upgraded and declared as Joint Commissioners (JC), Tribal Development, in the grade of Rs. 12000-16500 (Vth pay commission) in order to have proper supervision, monitoring etc. These posts have been created for collecting various types of information from the Integrated Tribal Development Projects and other departments implementing various schemes in the Tribal Sub Plan areas. The posts of Joint Commissioners have also been created so that the departmental officers who would otherwise have no chance for further promotion have an avenue of promotion.

(10) Thus the new set up aims at achieving a single and unitary line of command attending to the functions of Tribal Development as a whole. The new set up has abolished the functional distribution of work between the two field organizations and is expected to go a long way in achieving development of the tribals.

Each of the Additional Tribal Commissioners has the following territorial jurisdiction:

Name	Jurisdiction	ITDPs	Nos
1. A.T.C. Thane	Konkan Revenue Division (Mumbai, Thane, Raigad, Ratnagiri and Sindhudurg districts) and Pune Revenue Division (Pune, Solapur, Satara, Sangli and Kolhapur districts) Aurangabad Revenue Division (Osmanabad)	Shahapur, Dahanu, Jawahar, Pen, Ghodegaon, Solapur and Mumbai (for the OTSP)	07
2. A.T.C. Nashik	Nashik Revenue Division (Nashik, Ahmednagar, Dhule, Nandurbar & Jalgaon Districts)	Nashik, Kalwan, Rajur, Dhule, Nandurbar, Taloda and Yawal	07

03. A.T.C. Amravati	Aurangabad Revenue Division (Aurangabad, Jalna, Beed, Latur, Parbhani, and Nanded districts) & Amravati Revenue Division (Amravati, Hingoli, Yavatmal, Akola,(for the OTSP) Washim and Buldhana districts)	Kinwat, Kalamnuri Pandharkawada, Pusad, Dharni, Aurangabad and Akola	07
4. ATC, Nagpur	Nagpur Revenue Division (Nagpur, Bhandara, Wardha, Chandrapur, Gadchiroli, Gondiya districts)	Nagpur, Deori, Bhandara, Chandrapur, Chimur, Gadchiroli, Aheri, Bhamragad &Wardha,	09
	Total		**30**

DEPARTMENT AT MANTRALAYA LEVEL-SECRETARIAT

The Tribal Development Department is headed by a Cabinet Minister who is assisted, by a Minister of State.

The main functions of the office of the Secretariat are State level co-ordination and monitoring of the Tribal Sub Plan and supervision of the implementation of various schemes by the Integrated Tribal Development Projects. Since the year 1993-94 the preparation of the Tribal Sub Plan is done by the Tribal Development Department.

COMMISSIONERATE LEVEL.

The Commissioner of Tribal Development's main function is State level co-ordination and monitoring of the Tribal Sub Plan and control over the offices of the Additional Tribal Commissioners and the Project Officers of the Integrated Tribal Development Projects with the assistance of Joint Commissioners.

DIVISIONAL LEVEL

The four Additional Tribal Commissioners assist the Commissioner, Tribal Development. Their main responsibility is regional co-ordination, monitoring & implementation of departmental Schemes.

The Tribal Development Department (Backward class) Welfare Sector pertaining to the tribals also implements the schemes. These schemes primarily relate to tribal education (Ashram Schools, Hostels, for Scheduled Tribe boys and girls, grant of scholarships, tution fees, etc.); the schemes of economic upliftment (supply of electric motors and oil engines to tribal cultivators) and training programmes such as pre-recruitment training centers and motor driving training centers.

The Divisional Commissioners of the six Revenue Divisions of the State are responsible for implementation of the Tribal Sub Plan programs in their respective regions. They guide and direct the Collectors and Chief Executive Officers (CEOs) of the Zilla Parishads in their respective divisions in the matters related to tribal development.

DISTRICT LEVEL

DISTRICT PLANNING & DEVELOPMENT COUNCILS

The State Government adopted a policy of balanced development on the basis of the district as the unit of planning and formulation of plans on the basis of which five year and annual plans could be formulated. Accordingly, since 1974 District Planning is being implemented in the State. For proper implementation of this District Planning, the District Planning and Development Councils (DPDCs) have been constituted in every district. Every district has a represent Minister/Minister of State for the purpose of ensuring the proper development of the districts. These Ministers are called District / Guardian Ministers. The District Planning and Development Councils of the district are headed by the District Minister. Any other Minister(s) elected from the district is/are Joint Chairmen and the Divisional Commissioner is the Vice-Chairman. The District Planning and Development Councils also consist of all elected members of the Lok Sabha, Rajya Sabha, the Vidhan Sabha and the Vidhan Parishad residing in the district. The President of the Zilla Parishads, one President from all the Municipal Councils, and a representative of the lead Banks are also members of the District Planning and Development Councils. The Collector of the district is the Member-Secretary of the District Planning and Development Councils. The District Planning and Development Councils have been mainly entrusted with the function of formulating district plans and monitoring the implementation of district level schemes in the districts. They have also been given powers for reappropriation of funds for district level schemes subject to certain overall guidelines from Government.

In order to ensure public participation in the planning, implementation and monitoring of the schemes for tribal development at district level, Special Executive Committees have been constituted under the District Planning and Development Councils in the 14 tribal districts. These Committees consist of the District Guardian Minister as Chairman and all the tribal MLAs, MLCs with the Additional Tribal Commissioner as Vice-Chairman. The Collector of the District, functions as the Member-Secretary of the Committee and the Project Officer of the Integrated Tribal Development Project is the Joint-Secretary. The President of the Zilla Parishad and the Chairman of the Tribal and Social welfare committee of the Zilla Parishad are members of this Committee. The Committee is expected to meet once in a quarter and review and monitor the implementation of the schemes taken up under the Tribal Sub Plan.

There is no separate full time district level officer of the Tribal Development Department for the implementation of Tribal Sub Plan schemes, apart from the district officers of the various Departments who are implementing the schemes of tribal development department. However, the Collectors of the districts and Chief Executive Officers of the Zilla Parishads are designated as Ex-Officio Additional Tribal Commissioners. In this capacity, the Collectors are responsible for overall supervision of the implementation of the schemes of tribal development in their district. The Chief Executive Officers of the Zilla Parishads are responsible for implementation of the schemes under the local sector, which are mostly with the Zilha Parishads. For proper and effective co-

ordination, the Project Officer's of the Integrated Tribal Development Projects are placed under the Additional Tribal Commissioners.

PROJECT LEVEL

At the Project level, there is a Project Level Implementation Committee (PLIC) under the Chairmanship of the Local MLA. The Additional Tribal Commissioner is the Vice-Chairman, Chairman of the Panchayat Samiti and tribal person nominated by Government are members, while the Project Officer is the Member-Secretary of this Committee. All the implementing Officers are members. This Committee is required to meet once in every month and review the progress of tribal development schemes.

The Project Officer is the implementing officer in so far as the Backward Class Welfare Sub-Sector of the Plan is concerned. He has to implement the schemes of Ashram Schools, running of Government Hostels, sanctioning of Government of India Scholarships, sanctioning of motor-pumps and oil engines, etc. He also has to carry out the following duties in his project areas.

1. Registration and sponsoring of candidates with various agencies for employment; Sanction of tuition fees and examination fees under the Government of India Scholarships;
2. Preparation of various schemes under the Special Central Assistance (SCA);
3. Preparation of various types of reports of the project and monitoring / co-ordination with the implementing officers of the various departments in the project area;
4. Preparation of the annual Tribal Sub-Plan;
5. To help the Tribal Research & Training Institute in evaluating the various schemes implemented in the Project;
6. To help the Tribal Research & Training Institute staff in Bench Mark Survey work;
7. To provide employment to the tribal in the project area by way of Employment Guarantee Scheme (EGS) works; and

(To propagate various schemes implemented in the project with the help of the publicity unit attached to the project.

- **TRIBAL RESEARCH AND TRAINING INSTITUTE MAHARASHTRA STATE PUNE**

1) Year of Establishment and Objectives of the TRTI

The Tribal Research & Training Institute, Pune was established on 1st May, 1962 to undertake research studies on various aspects of tribal's and to assess the impact of developmental program me / schemes on the life of the tribal people. The Institute is headed by Commissioner, TRTI. She is assisted by Joint Director and Dy. Director (I.A.D.P.).

1. THE MAIN OBJECTIVES OF THE INSTITUTE

- To conduct basic as well as applied research on tribal related issues.
- To take up evaluation of various schemes aimed at Tribal development and welfare as well as tribal youth.

- To impart relevant training to different levels of personnel in the tribal department.
- To provide competence building opportunities to the Tribal.
- To develop and maintain knowledge base related to the tribes and Tribal development.
- To preserve and propagate the culture, heritage and traditions of Tribes.
- To disseminate information about the Tribes and their indigenous knowledge and skills.

In line with the objectives, the activities of the TRTI are broadly divided into areas of Research, Integrated Area Development Program, Training Publications, and Library, Museum and Cultural activities.

The Institute supports a subsidiary institution named "The Maharashtra State Tribal Empowerment Society" located at Pune which undertakes capacity building and developmental works for the Scheduled Tribes notified in Maharashtra.

Tribal Research and Training Institute has completed Golden Jubilee in 2013. Marking this historic moment, President of India during his visit to TRTI, conferred the institute with Autonomous status. In line with this, Government of Maharashtra issued GR on 24 Dec. 2013.

2. LOCATION AND INFRASTRUCTURAL FACILITIES

TRTI is located at, 28, Queen's Garden, Pune-411001, and Maharashtra. Tribal Research and Training Institute has its own building. The Institute is housed in a three storey building having two training/ conference halls. There is a hostel for 30 trainees. The Institute has 2 cars to provide transportation facilities to the trainees.

It has a well-equipped library consisting of books on various subjects like Anthropology, Sociology, Economics, Law, Computer Science, and General Encyclopedias etc. The library has books required for competitive examinations also and subscribes to periodicals relevant in the areas of tribal development. In all there are about 20,000 books in the library. This Library is visited by a number of Research scholars and Post-Doctoral Fellows as reference library.

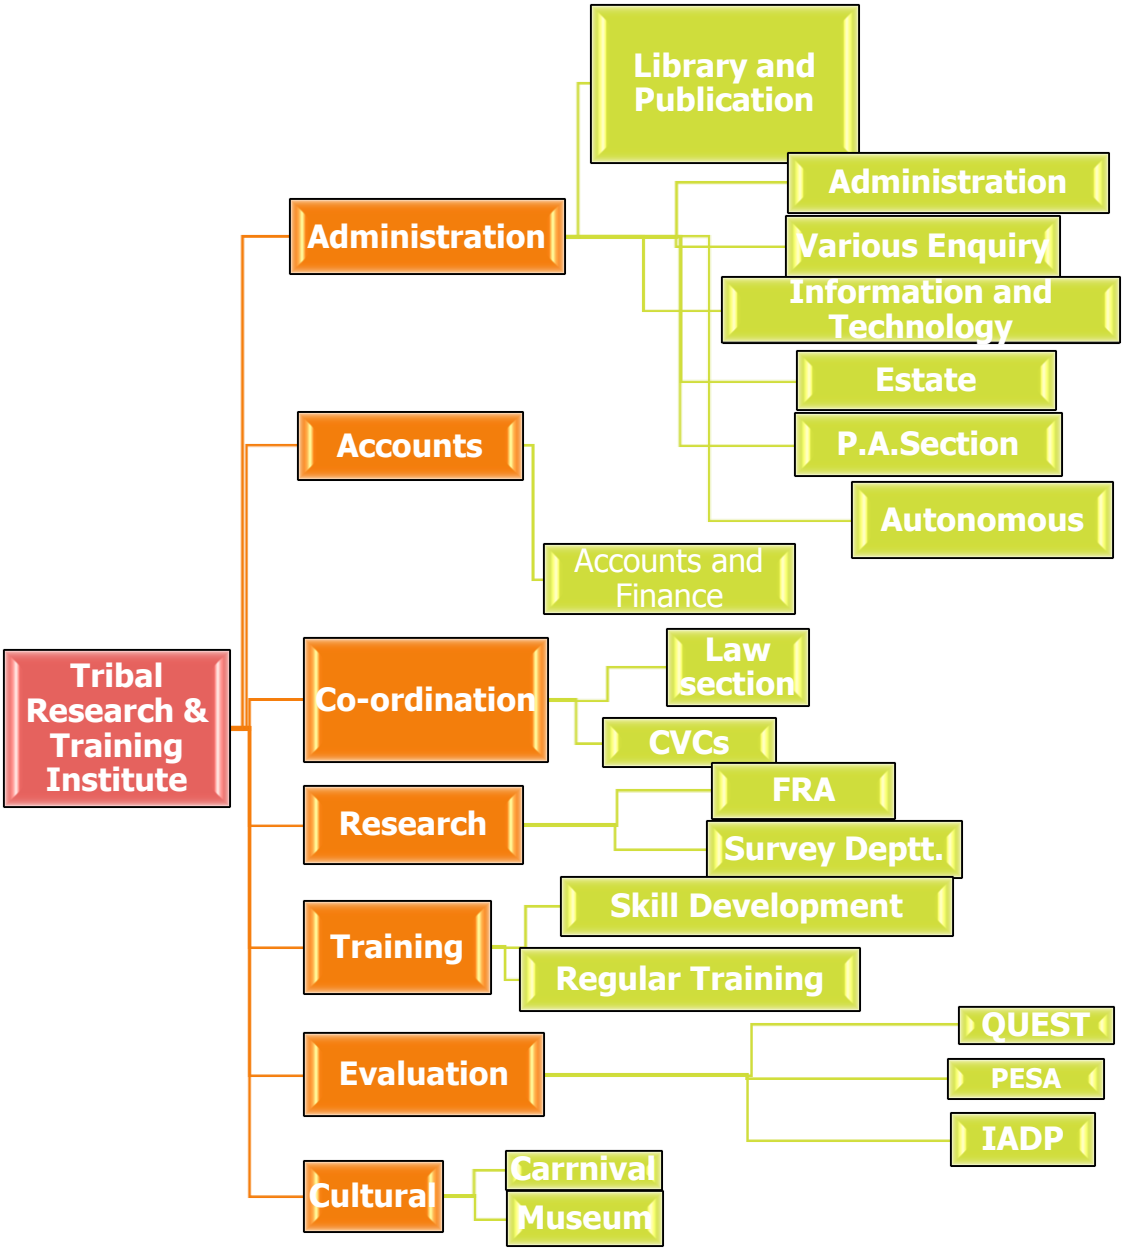

The Institute has a web-site (http://trti.mah.nic.in) of its own with e-governance friendly features like Notice board, Right to Information section.

3. STAFF AND FACULTY STRENGTH

The Government has sanctioned 66 posts of different cadre for the Institute to undertake Research, Evaluation, Training and related activities. The Government has also sanctioned 297 post of different cadres for the eight Caste Certificate Scrutiny committees working in various part of this state. In addition to that, Govt has sanctioned seven new caste scrutiny committees and sanctioned 70 regular and 70 contractual posts of different cadre to execute committee work in Septembner, 2019.

The TRTI provides support to the Committees in terms of provision of ethnographic details as well as other relevant information and data about the tribes while it simultaneously uses the verification details compiled by the Committees' Research officers for updating records.

4. ADMINISTRATIVE STRUCTURE

2) TRTI - AUTONOMOUS

Tribal Research & Training Institute has completed Golden Jubilee in 2013. Marking this historic moment, President of India during his visit to TRTI, conferred the institute with Autonomous status.

In lines with this, Government of Maharashtra issued a **GR on 24 Dec 2013.** A roadmap has been prepared for the institute. Some of the key activities are as follows:

1. To undertake and promote interdisciplinary research about tribal cultures, the dynamics of development and its impact.
2. To function as planning cell and knowledge partner of government for tribal development by designing policy planning, program formulation, implementation and evaluation.
3. To undertake training for staff/connected agencies, traditional leaders and functionaries and members of tribal PRI.
4. To orient development agencies, administrators, peoples' representatives, activists about holistic approach of tribal development and prepare relevant material for the purpose.
5. To support and expand partnership and networks between government, voluntary and educational institutions in different aspects of economic, social and bio-medical efforts for tribal development.
6. To protect the interests of genuine tribal community by preventing pseudo tribal claims to constitutional privileges and rights.
7. To undertake and provide for the publication of books, journals, periodicals and research papers in furtherance of the related objectives.
8. To institute, offer and grant prizes, awards, Fellowships, stipends in furtherance of the objects of the society.
9. To conduct surveys, evaluation of various schemes, programs, specially related to tribal problems and suggests solutions to solve the problems.

All necessary formalities are completed for TRTI to become autonomous. Till this date six meetings of BOG have been conducted, while four meetings of Executive body are organized. The working of autonomous body is in process accordingly to the various resolutions passed by BOG meetings.

3) Library:

This Institute has a huge library which contains books on various aspects of tribal culture, traditions, customs, development, statistics, also having good collection of Government Gazetteers, Reports, Census of States of India, Supreme Court cases, Bombay Law reporter etc. In all approximately 20,000 books of different categories are available in this Library.

The Library purchases various subjects books and Periodicals every year e.g. Anthropology, Sociology, Tribal Education, Tribal Culture, Tribal Development, Law, Economics, Education, General Knowledge (for competitive exam preparation), Government Publications, Encyclopedia on

various subjects, Reference Books on Tribal and other dept., Fiction, Nonfiction and motivational books.

The library subscribes popular magazines and daily newspapers. E.g. Vanrai , Maha Anubhav, Co- Operative Perspective, Arth Vijinana, Jadan Ghadan etc. Library is fully computerized from year 2018 with its OPAC accessible http://eg4.nic.in/ATI/OPAC/Default.aspx?LIB CODE=TRTI

The Library has proved to be of immense utility, especially for the purpose of reference for the multifarious activities of the institute. Apart from the Government officers, the institute's library is being used by post graduate students as well as research students from various universities & allied institutions including Tata Institute of Social Science, BAIF -Pune. The e-Granthalaya software was installed in the Library; we have completed digitization of twenty four rare books, and also updating catalogue entries of 16700 other books. It is soon being displayed in eG4 online cloud version, which would connect our library to other institutions running under Government of India.

This way our institute's collection, information displayed via OPAC on the portal of e-Granthalaya by just one click.

Publication Tribal Research Bulletin:

The Institute publishes a bi-annual "Tribal Research Bulletin" devoted to provide objective reading material based on first-hand field research & observation on various aspects related to tribal life, culture and development since 1979. At most, efforts are taken to make this bulletin useful to the general readers, Government Administrators & executives, researchers and scholars. The bulletin certainly has the potential to help in planning and implementation of the relevant programs for the development of the tribal communities.

4) Training Division:

Following training programs are organized and executed by the training division:

A) In-Services Training Programs: -

Since 2018-19 the Moto of Training division is 'Training for All'. The trainings for all cadres working under the Department of Tribal Development, Government of Maharashtra are organized according their need and skills. It comprises of all officers and employees of TDD from Grade 1 to Grade 4.

The training department of this institute looks after the planning and operation of various training programs. These training programs are conducted with the objectives to empower the trainees by imparting necessary knowledge, information, various laws, skill enhancement and their duties and responsibilities and to make them more efficient for effective implementation of various schemes. In addition topics related to positive thinking and value education are also included in trainings. During training personal progress of trainees is focused so as to have positive impact on their working style and work culture and enhance the efficiency of the organization as a whole.

B) Pre- Service training Program: -

It has been observed from time to time that the backlog of tribal is largely vacant in government offices. As a solution to this, various competitive examination related training programs are organized by the organization.

The detail of the training program as follows:

1. **Training Programme for UPSC/MPSC Civil Services Examination:**

This training program is being conducted for 11 months duration at nine university of Maharashtra and YASHDA, Pune , The admission to this course is given on the basis of merit list through the Common Entrance Test which is conducted in month of March every year and training starts in month of August. It is governed by the GR issued on 15th July 2014.

The total number 235 candidates are selected of which each 25 candidates are allotted to 9 Universities located at Pune, Mumbai, Solapur, Amravati, Nagpur, Gadchiroli, Jalgaon, Aurangabad and Nanded and 10 candidates for Yashada. It is non residential course.

Facilities offered:

1. Stipend of Rs. 6000 / - per month (It includes accommodation and meals).
2. Study Material worth Rs 6000/- (Given only Once)
3. Computer facility with internet
4. Library Facility

The Total fund allocated to this training program is Rs. 334.297 Lakh. The 68 Students are selected in the sub ordinate services in state and central services in the year 2019-20.

The training program did not conducted in the year 2020-21 due to Covid -19 Pandemic.

2. **Financial Assistance Scheme for Scheduled Tribe Candidates to prepare for Civil Services Main Examination and interview:**

The financial Assistance is given to Scheduled Tribe Candidates to motivate in view of increasing the number of applicants and getting chance to induct in to the Indian Administrative services.

The financial assistance is sanctioned for maximum 25 ST candidates those have cleared their UPSC Main Examination. Candidates will receive stipend of Rs. 12000 per month for Consecutive 3 months and Rs. 14000 for purchasing of the books (paid only once). The financial assistance is provided to maximum 25 ST candidates for the preparation of interview of UPSC Civil Services Examination fund of Rs. 12000 is given for the consecutive 2 moths.

The benefit is given to nine candidate to prepare for UPSC Main Examination and two more candidates for the preparation of UPSC Interview in the year 2019-20.

3. **Scheme of Training for Engineering and Judicial Services Examination conducted by Maharashtra Public Service Commission (MPSC)**

To encourage the candidates of Scheduled Tribes to apply for Judicial and Engineering services examination conducted by Maharashtra Public Service Commission the Tribal Development Department has issued Government Resolution on 02nd December 2015 to provide pre-training for Engineering Services and State Secondary Judicial Services for Competitive Examination.

Engineering Services: -

A total of 60 trainees are imparted training under 1. META Training Center, Nashik (30 Trainees) 2. META, Regional Training Center, Nagpur (30 Trainees) under Maharashtra Engineering Training Academy, Nashik. For that, Rs. 33 lakh has been sanctioned. This includes accommodation, food expenses and educational material for trainees.

State Judicial Services: -

The Bar Council of Maharashtra and Goa (BSG) will conduct one-year pre-training program for the 75 scheduled caste students. The selection of the candidates will done from every revenue department of the state. There will be two-day training program on each Saturday and Sunday. There will be a questionnaire session on those days. The District Judge will preside as a chairman of the session.

The training program did not conducted in the year 2020-21 due to Covid -19 Pandemic.

4. Two months Orientation Program:

There is huge backlog of Tribal Community in the government services. Therefore to solve this issue The Tribal Research and Training institute has been conducting the course for 40 candidates for the duration of 2 Months. It is specially designed to cater the needs of students such as spoken English, writing skills and more focus is given on different one day competitive examinations like Banking, Railways, Staff selection commission and so on. It is governed by the G.R. dated 29th November 1985. Under this program we not only provides best coaching for one day written examination but also groom them for interview or Personality test and developing leadership qualities.

The main motive behind these programs is to propaganda and publicizes different competitive examinations which are being carried out by various agencies of Government. T.R.T.I. has been acting as a sole agent between the Beneficiaries and implementing authorities.

Trainees are provided with free accommodation and actual travel expenses (by bill) incurred is reimbursement. We offer stipend for food and educational materials through D.B.T.

The training program did not conducted in the year 2020-21 due to Covid -19 Pandemic.

C. Leadership training for tribal Youth / Women: -

In order to create awareness regarding various welfare schemes that are implemented by Government for overall development of tribal people and to overcome the schemes related difficulties there must be a dialogue between the actual beneficiaries and the scheme implementing mechanism.

To set this dialogue and implement the schemes effectively tribal youths and women need to inculcate the leadership qualities along with education and knowledge. In addition, the life skills such as rational thinking, thinking of welfare of others at the same time able to make decision for their own future should adopted by them. This can lead to a capable generation. In view of this broad perspective, TRTI organizes Leadership Conservation training programs for the students from school to the youth. For these trainings trainees are given facilities of daily allowances, travelling expenses and education material etc.

Annexure-II

The information of the Training Programmes conducted during the 2020-2021

* In-Service Trainings conducted through online mode.

* Pre-Service training program with full capacity did not conducted in the year 2020-21 due to Covid -19 Pandemic situation.

5) Entrepreneurship and Skill Development Project

Introduction:

Tribal Development Dept. Govt. of Maharashtra has entrusted TRTI Pune to plan and monitor the skill development program by issuing a circular dated March 6th, 2018. The scheme is modified as per the needs of tribal youth and a component of innovation has been added along with skill development affiliated entities undertaking the project in regular categories. Although income generation has been the prime objective of the program, some factors which complement income generation like education, health, clean energy, nutrition and drinking water are also considered under innovative categories. These proposals are financed for proof of concept, validation, and possible up scaling for job/income generation involving skill development activities for the tribal populations within the income generation age group.

Background:

The scheme earlier was implemented by Integrated Tribal Development Projects (ITDPs) across Maharashtra which focused on employment-oriented and self-employment-oriented income generation through the impart of skill training. The scheme has been transferred to TRTI Pune to ensure standardization of the process and promotion of the online process required for securing the financial sanction.

Need:-

Tribal Development Dept., Govt. of Maharashtra is striving to address the challenges involved in basic issues and necessities of human life like nutrition, clean drinking water, non-conventional energy, health services etc. Along with this, through TRTI, it is also helping tribal youth groom themselves for professional courses.

It has been observed that tribal youth hold the government services in very high regard and spend a lot of years trying to get though these competitive examinations. In the bargain, they lose out on a lot of time and upon meeting with failure, have no other source of earning left to explore. This is where the Skill development and Entrepreneurship scheme steps in and helps them get training to increase chances of employability.

Scheme of ESDP:

The scheme is implemented by collecting the proposals from higher offices and line offices as well as by issuing the notifications and press notes appealing agencies to submit the proposal in prescribed templates and seek financial assistance as per their strengths and potential in the tribal areas. The important category is innovative ESDP which promotes self-employment, entrepreneurship among the tribal target groups. The funding sanctioned is as per the guidelines of Department of Science and Technology (DST), National Science and Technology Entrepreneurship Development Board (NSTEDB) for various entrepreneurship development interventions involving all stakeholders like students, faculties and technology institutions.

The proposals received in this project are categorized based on those having affiliations under Sector Skill Councils (SSCs), National Skill Development Corporation (NSDC) and other entities like vocational education boards, open universities etc. These are titled as regular ESDP proposals which focus on income generation only through salaried employment. Those who have no affiliation but wish to impart training in livelihood, self-employment, and entrepreneurship relevant to tribal lifestyle without imposing any relocation are also considered for financial assistance under Innovative ESDP.

Some innovative projects requiring research, proof of concept, and idea validation are also considered under research ESDP. The tribal population for mainstreaming requires intense soft / life skill components, being isolated and deprived of basic civic necessities the investment in boosting these complementary factors like education, health, nutrition, clean drinking water, and hygiene with some sensitization, capacity building intervention will certainly aid the final goal of income enhancement through skills and entrepreneurship development project.

Thus the research and category is evolved during implementation and as per the mandate of TRTI to be one of the Centers of Excellence in Tribal Research.

The major achievement of the scheme is all document standardization including reporting, monitoring, and submission templates with MoUs have been prepared and hosted on an independent portal link http://trtionline.org.in/tambition for reference and use by different stakeholders.

Project Status:-

Till 31st March 2021, there are 103 projects are sanctioned under this scheme. Out of which 27 projects are successfully completed and closed. Currently, 58 projects are ongoing out of which17 projects are under the innovative category, 32 projects are under the regular category, 04 projects are under the research category, and 05 projects are under the special projects category. Out of these 58 projects, the Training part of 31 projects is completed. While training programs of27 projects are yet not completed. There are 12884 candidates are trained under this scheme while employment is created for 3878 candidates and 3335 candidates are self-employed. Funds at the tune of Rs.3081.61 Lakh are utilized for this scheme up to 30th June, 2021.

6) Integrated Area Development Program

STATISTICS

According to the 5th schedule of Indian Constitution, the Govt. of India has been declared scheduled area of Maharashtra State vide notification dated December 2, 1985. This area is based on the 1971 census.

According to the Scheduled Area of the Government of India dated 02.12.1985,Government of Maharashtra Resolution No.TSP-1086/8710/PR.No.31/ T.5 dated March 09, 1990, Tribal Sub-Plan area of Maharashtra State, revealed updated list of the villages, based on the 1981 census.

Due to the formation of new district and tahsils in Maharashtra state, proposal for revision of scheduled area is submitted on 07th February, 2019 to the Govt. of Maharashtra.

This proposal has been made in accordance with the prescribed criteria of the Central Government for the scheduled area.

Current scheduled area of the state consists of 13 districts**.** The proposed Scheduled Area consists of 21 districts. In this proposal, 1303 villages having less than 50 percent tribal population which do not satisfy geographical contiguity criteria are excluded from existing scheduled area and 1628 new villages have been included in the proposed scheduled area according to the norms of 5th schedule of Indian Constitution. The proposal of revision of scheduled area including 6071 villages have been submitted to the state government.

However on 18th September 2020, a meeting was held under the Chairmanship of Hon'ble Minister, Tribal Development, and Government of Maharashtra regarding the restructuring of Scheduled area. In this meeting, as per the instructions given by Hon'ble Minister, the work on excluded villages is in process by Tribal Research and Training Institute.

EVALUATION

IADP (Integrated Area Development Programme) section of TRTI, Pune has been entrusted with the responsibility of Survey and Evaluation of various schemes implemented by Tribal Development Department.

The report and recommendations based on the evaluation are submitted to Tribal Development Department for reviewing evaluation's findings, recommendation and initiate necessary action accordingly for improvement in implementation of the schemes. Some reports also proved useful for better decision making when policy makers want to understand the social, economical, educational and physical development levels of Tribal in Maharashtra.

At present, 16**9** evaluation reports have been prepared by this office.

In the year 2020-21, Tribal Development Department constituted a committee vide its GR. dated 01.12.2020 to evaluate the Vocational Training Centers (VTCs) attached to 15 Post-basic Ashram schools in Maharahstra under the chairmanship of Commissioner, TRTI, Pune. Under the guidance of said committee, IADP branch initiated the evaluation work by sending out schedules to all the VTCs and concerned Project Offices to gather the information. A team from TRTI visited one VTC at village Gohe, Tal-Ambegaon, Dist-Pune on 12.02.2021 and recorded the observations. Collection of information for evaluation is in progress.

Building Social Capital through Training & Nurturing 60 Youth Leaders (GRAMSATHI)

To train and nurture 60 youth leaders from the PVTG communities in Maharashtra (35 from Katkari community, 15 from Kolam and 10 from Madia community) to act as a bridge between the administration and the community and also to build social capital among the communities. Sr. No.	Title of Research Project	Amount (In lakh)	Remark
			Flowers will be procured from local tribals in Yavatmal District which will help local tribals to generate income for their livelihood and in future through proper training; these local tribals can be trained for self employed in manufacturing Hand Sanitizer. ▪ MOU work is in progress.

8) FRA SECTION

INTRODUCTION:

Since the inception of Forest Rights Act, 2006 (FRA), the Tribal Development Department, Maharashtra Government has been involved in recognizing the land rights of Scheduled Tribes (ST) Forest dwellers and Other Traditional Forest Dwellers (OTFD). Implementation of FRA, 2006 is ensured by three tier committees. The Forest Rights Act has been implemented in the State from 31/12/2008 and the rules made under it have come into force from 01/01/2008. Three tier committees (Village level committee, Sub-Divisional level committee and District level committee) have been set up in each district for proper implementation of this Act. A state level monitoring committee has also been set up to review the situation at the state level. At present, as per Tribal Development Department, Government of Maharashtra Order dated 3rd August 2020, the Commissioner, Tribal Research and Training Institute, Pune has been appointed as the Nodal Officer for the implementation of the Forest Rights Act.

THE FOLLOWING ARE THE STEPS TAKEN BY TRTI & STATE GOVERNMENT FOR EFFECTIVE IMPLEMENTATION OF FOREST RIGHTS ACT 2006.

- To expedite the implementation of forest right act, the Secretary to the Honourable Governor, Raj Bhavan, Mumbai is holding review meetings with the concerned Divisional Commissioners and District Collectors from time to time.
- In order to expedite the implementation of Forest Right Act and to resolve pending cases, weekly review meetings are being held with the concerned project officers under the chairmanship of the Secretary, Tribal Development Department, Mumbai.
- In order to settle the pending forest rights claims and pending 7/12 cases, TRTI has taken the follow up with each of the concerned district level officials by conducting review meetings during the period October, 2020 and Feburary,2021
- As per the notification dated 18th May, 2020 issued by the Honourable Governor, the claimants from Scheduled area whose individual (IFR) and collective claims have been rejected by the District Level Forest Rights Committee have been provided a provision to file an appeal to the Divisional Forest Rights Committee. Accordingly, the forest rights claimants in the scheduled

areas have been made aware to file an appeal to the Divisional Forest Rights Committee. Also all the Divisional Forest Rights Committees have been set up.

FURTHER INITIATIVES BY TRTI:

COMMUNITY FOREST RIGHTS MANAGEMENT DIPLOMA:

During the past few months a strategy has been laid down for the management and conservation of forest land and resources that are recognised and granted under FRA. The Act requires CFR holders to prepare management plans for sustainable use and conservation of land and Minor Forest Product (MFPs). Therefore, TRTI, Pune along with Mumbai University has been taken a Diploma in Community Forest Management in Medha Lekha, Gadchiroli, the first village in India to receive CFR. Now in 2nd stage it is decided to take next diploma course batch in Nadurbar district for which selection exam is also has been taken. 35 tribal candidates from 35 CFR villages of Gadchiroli are currently enrolled for three months Diploma. Soon the Diploma course will be implemented in all the FRA districts as well as will be made available online. Besides this, 356 CFR villages are preparing their Conservation and Management plans for next ten years are with the help of local NGOs as per the MoTA guidelines. Such well-organised efforts by the implementing FRA in letter and spirit will uplift the socio-economic status of forest dwelling communities who were deprived of their rights and alienated from their land.

Additionally, Central Government shall provide diversion of forest land for following facilities managed by the Government:

1) School
2) Dispensary or hospital
3) Anganwadi
4) Fair price shop
5) Electric and telecommunication line
6) Tank and other minor water bodies
7) Drinking water supply and pipeline
8) Water or rain water harvesting structures
9) Minor irrigation canals
10) Non-conventional source of energy
11) Skill up-gradation or vocational centre
12) Roads
13) Community centre
14) Godawoun/ Cold Storage
15) Mhasan/ Dafan bhumi

HOLISTIC DEVELOPMENT OF IFR HOLDERS:

Keeping in mind the long term objective of socio-economic enhancement of tribal/forest dwelling farmers through FRA, a holistic development approach is adopted by TRTI. The list of individuals who received IFR is provided to District Collector's office and other administrative departments concerned with tribal development. It is expected from such departments to ensure the schemes and programs of individual benefits are made available or inclusive to these individual as per the need. This provides a linkage between IFR holders and other departments, further creating a scope for convergence. Following are some of such schemes which may be availed by IFR holder:

1) Crop loan
2) Agriculture equipment and fertilizers
3) Pump set and pipeline
4) Horticulture program
5) Schemes/ programs by Central Government
6) LPG gas
7) Bio-gas Milch Animals
8) Solar lamps
9) Minor irrigation
10) Tents for agro-tourism
11) Assistance for land levelling

THE COMMUNITY FOREST RESOURCE MANAGEMENT COMMITTEE

- In Community forest resource right the challenges are beyond recognition of right.
- The Community Forest Resource Management Committee (CFRMC) is selected by Gramsabha is appointed for the management of CFR as per rule 4(1)(e).
- The separate account is opened in the name of CFRMC.
- The Govt. of India through Tribal Affair Deptt. Vide circular Dated. 23 April 2015 insisted to prepare Conservation and Management plan of each CFR.
- The plan should include –
    a) Community organistion and capacity building.
    b) Preparation of management plan
    c) Administration

- This plan preparation can be prepared by through the accredited NGOs PRI Institution Government Department or local CBOs etc.
- This plan Prepared is to be implemented through the District Convergence Committee headed by District Collector.
- The Committee making efforts to increase the resources at Village Level are indication of real Development there from.
- Currently 8,007 villages have CFRs out of which in 356 villages CFR Management plans are being prepared and executed with the help of NGOs as per UNDP-MOTA guidelines.

9) TRIBAL CULTURAL MUSEUM AND CULTURAL UNIT

Conservation and promotion of tribal culture is carried out by Tribal Research and Training Institute, 28, Queen's Garden, Pune through following mediums –

1. **Tribal cultural Museum**: For the preservation of tribal art and culture, the Tribal Cultural Museum was established in the year 1964- 65 within the premises of the institute. The various galleries display tribal handicrafts such as jewellery, musical instruments, masks, Warli painting and agriculture implements are organized in different galleries. Traditional Adivasi huts are also displayed here. There are 1350 arte facts displayed in the museum.
2. **Production and promotion of Documentary films**: The Institute produces documentary films on tribal art and culture. As of 2020-21, this institute has produced 93 documentary films on development, art and culture aspects of different tribals in Maharashtra
3. **Organized tribal cultural festival in Maharashtra**: The Tribal Cultural Festival includes traditional tribal handicraft exhibitions, traditional tribal dance competitions and tribal film festivals. To promote and develop the tribal art and culture, the Institute organizes the festival in Maharashtra every year. Tribal artisans get a chance to display their art forms as well as earn money. It is 5 day programme held quarterly. Traditional tribal artists and tribal dance groups from all over the state, participate in the festivals.
4. **Warli painting competition:** Warli painting competition is organized every year for Warli and Malhar artists from Thane and Palghar district. The competition is held in two parts i.e. for adults for Warli and Malhar Kohli students in Thane district. They are supplied with painting materials like cloth, colours and brushes. Cash prizes and certificates are given to the winners.
5. **Organized dancing competition at the project officer at I.T.D.P. Areas:** To keep traditional dancing alive, the Institute organises dancing competition at the project level through the Project Officer at I.T.D.P. Areas.

Distinguishing projects of this institute

- **Translation of Marathi text books of 1st to 3rd std.** in 11 tribal dialects.(Katkari , Kolam, Madia, Mathwadi, Bhil, Bhilau, Kokani, Pawara, Warli, Gondi, Korku)
- **Audio Video Books** of these translated text books in 11 tribal dialects.
- **Preparation of work books for** use of these translated books in 11 tribal dialects.
- **Preparation of Dictionaries** in three tribal dialects.
  (Katkari-Marathi, Warli-Marathi, Pardhi-Marathi.)

Other Activities

1. The institute participated in The Index trade fair at Mumbai from 1st may to 4 Th may, 2019 and The Index trade fair at Delhi from 2nd August to 4th August 2019.
2. The institute participated in National Tribal Craft Mela at Bhubaneshwar (Odisha) on 23rd November, 2019 to 29th November, 2019.
3. The institute participated in cultural programme at South Lounge, Warld Trade Centre, Mumbai on 14 th November, 2019.
4. The institute participated in India International Trade Fair at New Delhi from 14th November to 27th November 2019.
5. The institute participated in Bhim Thadi Jatra at Pune from 18th December to 22nd December 2019.
6. The institute participated in 18th Pune International Film Festival from 9th January to 16th January 2020.
7. The institute participated in National dance festival at Bhubaneshwar (Odiosha) from 31st January to 2nd February 2020.
8. The institute participated in "Kala Ghoda Festival 2019" at Mumbai from 1st February to 9th February 2020.
9. The institute participated in cultural festival at MIT College, Loni, Dist. Pune on 13 th February, 2020.
10. The institute participated in Sanskruti Art festival at Thane from 21st February to 24 th February, 2020

Goals for 2020-21

- To build Gondwana cultural museum at Nagpur.
- To set up training center at Nagpur.
- To establish tribal freedom fighter museum at Gadchiroli.
- Renovation of tribal cultural museum at Pune.

10) VEREIFICATION OF SCHEDULED TRIBE CERTIFICATE

There exist eight scrutiny Committees for Scheduled Tribes located at Pune, Nashik, Nagpur, Thane, Aurangabad, Amravati, Gadchiroli and Nandurbar.

Any person desirous of availing of the benfit or concessions provided to the Scheduled Tribes can make application for verification of Caste Certificate issued to him by the Competent Authority. Scrutiny Committee also acts as appellate authority against the order of rejection of the application by competent authority, authorized to issue caste certificate.

The perfomance of eight Scrutiny Committee in the year 2020-2021 is as follows:-

No.of cases pending for the yr 2019-20	No.of cases received in the Yr-2020-21	Total cases	No. of cases disposed off in the Year-2020-2021					Pending at the end of Year 2020-21
			Valid	Invalid	Re-inquiry	for other reasons	Total	
24848	21172	46020	16140	1342	6	825	18313	27707

eTribe Validity Portal

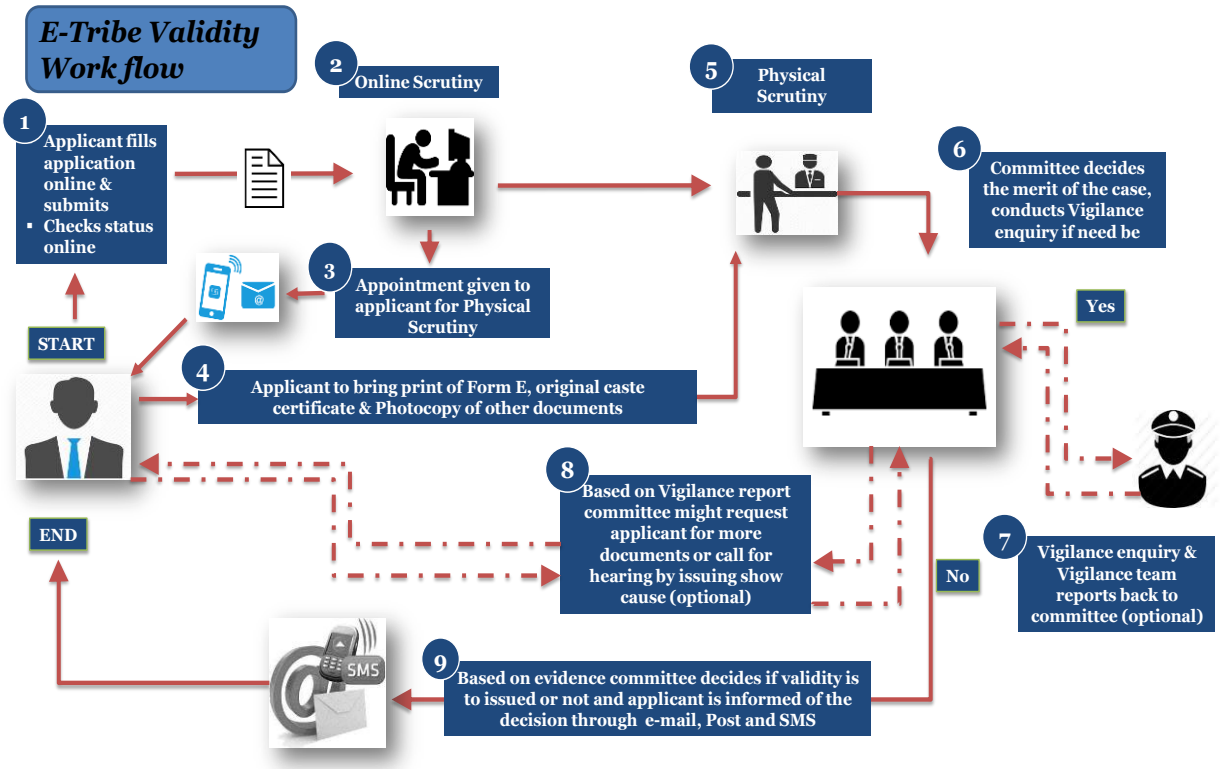

In order to bring transparency to the Tribe certificate issuing process, online web based application was developed as 'आदि 'प्रमाण' प्रणाली' (eTribe Validity portal). The Tribal Caste Certificate Scrutiny process before creation of E-tribe validity portal was time consuming leading to high pendency. Lot of issues with bogus certificates were identified in Nanded and Aurangabad districts which needed to be addressed. There was a need to bring in transparency within the certificate scrutiny process and hence the idea of eTribe Validity was conceived. This portal was launched on 29 Apr 2016 by Hon'ble Governor of Maharashtra Mr. Ch. Vidyasagar Rao and Hon'ble chief Minister Mr. Devendra Fadnavis. It was made accessible to citizens from 1 May 2016.

Salient features of the eTribe Validity portal

1. Complete online process right from application to caste validity disposal. Two stage scrutiny process online and physical.
2. At all stages of process in the eTribe portal the Regulation of Issuance and verification of caste certificate Act 2001 & Rule 2003 is kept intact.
3. All 8 committees have their independent login ids and are responsible for the area under their jurisdiction.
4. Clear instruction for use of portal displayed on the website.
5. Photo and biometric details of applicants are captured during physical scrutiny at committee offices.
6. Purpose wise segregation as per act is provided in the portal
7. Auto-redirection to committees based on the applicant's information. Multi-level validations to avoid duplications and identify offenders
8. 16 Reports with complete audit trail of each application
9. E-mail and SMS alert notifications to applicants
10. Online status verification feature for applicants

11. Authentication of Applicant's Caste Certificate details with Caste Certificate Issuing Authority database.
12. Provision to upload all the required documents for validity issuance.
13. Online application tracking system for the applicant where he/she can check the status of their application.
14. Vigilance module is also made part of the portal and required training is given to the officials.
15. Standardized the formats for issuing acknowledgment receipts to the applicant's communication to sponsoring authorities and the applicants (including show cause notices), generating valid orders.
16. Online validity verification option for sponsoring agency.
17. Appointment of Praman Assistants has been done for better implementation at committee level.
18. Unique Validity certificate numbering format to identify fake certificates

Process workflow

Current Status

Regular training programs for committee officials are been conducted at TRTI. Praman assistants convey the issues faced at committee level, these issues are been addressed by the project development agency Maha IT (Mahaonline Ltd.) Currently 188123 applications have been processed through the eTribe portal out of which 104630 validity certificates are issued till 31 July, 2021. Phase 2 of E-tribe portal is been in the planning stage.

As per Government Resolution No.STC-2119/CR-34/Desk 10 dated 13th Sept. 2019 establilshed new 07 Scheduled Tribe Scrutiny Committee's. Yet new scrutiny committee work has not been started.

In addition to above 8 Tribe Certificate Scrutiny Committees the Government of Maharashtra has constituted 7 New Committees located at Palghar, Kinwat Dist-Nanded, Yavatmal, Gadchiroli-2, and Nagpur-2. Nandurbar-2 and Nashik-2.

Tribal Development Department, Mantaralya, Mumbai had Published Notification on dated 19th March, 2021 and specified the area of 15 Scheduled Tribes Certificate Scrutiny Committees. The Jurisdiction of each Committee is as follows…..

Sr. no.	**Name of Scrutiny Committee**	**Area / Jurisdiction of each committee**	**Revenue Division**
1.	Thane	Mumbai City, Mumbai Suburbans, Thane, Raigad, Ratanagiri, Sindhudurg.	Kokan Division
2.	Nashik	Nashik, Baglan, Kalwan, Surgana, Peth, Dindori, Trimbakeshwar and Igatpuri Talukas of Nashik Districts	Nashik Division
3	Pune	Pune, Sangli, Satara, Solapur, Kolhapur.	Pune Division
4	Aurangabad	Aurangabad, Jalana, Parbhani, Beed, Osamanabad.	Aurangabad Division
5	Amaravati	Amravati, Akola, Buldhana	Amravati Division
6	Nagpur	Nagpur, Wardha	Nagpur Division
7	Nandurbar	Nandurbar	Nashik Division
8	Gadchiroli	Gadchiroli	Nagpur Division
9	Palghar	Palghar	Kokan Division
10	Kinwat Dist. Nanded	Nanded, Hingoli, Latur	Aurangabad Division
11	Yavatmal	Yavatmal, Washim,	Amravati Division
12	Gadchiroli-2	Chandrapur	Nagpur Division
13	Nagpur-2	Gondia, Bhandara	Nagpur Division
14	Nandurbar-2	Dhule, Jalgaon	Nashik Division
15	Nashik-2	Malegaon, Deola, Chandwad, Nandgaon, Niphad, Yeola and Sinner Talukas of Nashik District and Ahmednagar District.	Nashik Division

- **MAHARASHTRA STATE COOPERATIVE TRIBAL DEVELOPMENT CORPORATION LIMITED, NASHIK (MSCTDC)**

Maharashtra State Co-operative Tribal Development Corporation is registered in 1972 as a General Society under Section 12(1) of Maharashtra State Cooperative Act as a Promotional Organization. Its ownership is vested in Government of Maharashtra, Social welfare Department subsequently with the creation of the separate Tribal Development Department in the year 1983 the Tribal Development Corporation is came under the administrative control of the Tribal Development Department.

1. Establishment

The Maharashtra State Co-operative Tribal Development Corporation Limited, Nashik has been established in the year 1972 for the socio-economic development of tribals in Maharashtra State as per provisions in Article 46 of the Indian Constitution.

2. Aims and Objectives

1. To work as an effective implementing agency to extend welfare program for the tribal.

3. To promote the socio-economic development of tribal's by implementing the direct assistance schemes.

3. **Major Activity:**

A) Monopoly Procurement Scheme

i) Procurement of Agricultural Commodities in the specified area of Maharashtra.

ii) Procurement of Minor Forest Produce under MSP.

B) Price Support Scheme for paddy and coarse grain.

C) Electric Motor Pump / Oil Engine / Gas Unit Supply / HDPE Pipe Supply Scheme.

D) Nav Sanjivan Yojana

i) Consumption Finance Scheme.

ii) Door Step Delivery Scheme

iii) Rural Godown Scheme

E) Other Scheme

i) Supply of essential commodities to GovernmentAshram School.

MANAGEMENT AND THE ADMINISTRATIVE STRUCTURE

Board of Directors

As per Bye-laws No. 41 of the Tribal Development Corporation, the Board of Directors of the Corporation looks after the supervisions and the management of the Corporation. There are at present 37 directors on the Board of Corporation enumerated as under.

Non Officials-

01	Chairman and Vice Chairman nominated by Government of Maharashtra. The Minister and the Minister of State for Tribal Development are ex-officio Chaiman and Vice Chairman respectively as per the Government Resolution No. TDC/1084/C.N. 918/D-3, Dated 21st November 1985	**02**
02	Three Directors are nominated by Government from the Tribal M.L.As Government orders Government Resolution No. TDC/1084/C.N.918/D-3 Dated 21st November 1985.	**03**

03	Fifteen Directors are elected by the affiliated societies (3 Post of the Directors are reserved for woman)	**15**
04	One Directors is nominated by the Maharashtra State Co-Operative Bank	**01**
05	One Director is from State Government undertaking, Semi Government and local Bodies to be nominated by the Government	**01**
	Sub Total (A)	**22**
06	Secretary of Tribal Development Department	**01**
07	Commissioner, Tribal Development Department	**01**
08	Secretary, Food & Civil Supplies Department	**01**
09	Secretary of Planning Department	**01**
10	Registrar, Co-Operative Societies (M.S.)	**01**
11	Principal Chief Conservator of Forest	**01**
12	Additional Tribal Commissioner, (Nashik, Thane, Amravati, Nagpur)	**04**
13	Central Government, Ministry of Welfare, Directors	**02**
14	Representative of the Employees Union	**02**
15	Managing Director, MSCTDC	**01**
	Sub Total B	**15**
	Total A + B	**37**

As the field level there are 9 Regional Offices, One Sub-Regional Office (upgraded) and 35 Sub-Regional Officers at the following places.

Sr.No	Regional Office	Sub Regional Offices
1	Nasik	Peth, Dindori, Ghoti, Surgana, Kalwan
2	Nandurbar	Nandurbar, Navapur, Pimpalner, Dhadgaon, Taloda, Shahada, Yawal
3	Jawhar	Jawhar, Mokhada, Shahapur, Palghar, Kasa, Manor
4	Junner	Ghodegaon, Rajur
5	Bhandara	Navegaonbandh, Deori, Ramtek
6	Chandrapur	Chimur, Gondpimpari
7	Yeotmal	Pandharkwada, Kinwat, Kalamb
8	Gadchiroli	Ghot, Kurkheda, Dhanora, Armori, Korchi
9	Dharni	Dharni, Chikhaldhara
10	Sub Regional Office	Aheri

Under the 9 Regional Offices there are 35 Sub-Regional Offices. An I.A.S. Officer, The Managing Director is the Administrative Head of Maharashtra State Cooperative Tribal Development Corporation.

Major Activites:-

1) MONOPOLY PROCUREMENT SCHEME

The Monopoly procurement scheme started during 1977 in 7 tahsils in Tribal Sub Plan area on pilot basis. Considering the response to the scheme & demand of tribal peoples the scheme applied in 73 tahsils of 15 districts in the state of Maharashtra. The scheme was suspended for one year vide Government resolution dated 7th March 2008. However till October 19, 2013 the scheme stood suspended. Government of Maharashtra started the monopoly purchase scheme from October 19, 2013 in 29 Tahsils of 8 Districts of remote area for specified agriculture commodities. Now the corporation implementing monopoly purchase scheme.

During the season purchase activities performed through 168 purchase centers. The purchase centers run by sub agent socieites of MSCTDC which are Adivasi Vividha Karyakari Societies, where the societies are not capable to run the purchase centers, corporation purchased it directly. The details are as under

Purchase Agriculture Commodities as under

Sale of MFP (Minor Forest Produce

(Wt. in Qtls. & Value Rs.Lac)

Sr. No.	Major Commodities	Purchase Season 2019-2020		Purchase Season 2020-2021	
		Weight	Value	Weight	Value
01	Myrabolan	0.00	0.00	0.00	0.00
	Total	**0.00**	**0.00**	**0.00**	**0.00**

(A) Purchase of MFP under MSP

Under this scheme, the 264 Van Dhan Vikas Kendras (VDVK's) established from funds received from trifed were asked to implement the scheme. Each Van Dhan Kendra was given fund from 5 to 25 lakh and asked to collect the MFP under this scheme and do their own business. Around 45 VDVK's were given the fund to the tune of 2.50 Crore.

(B) Supplies to Government Ashram Schools

During season 2017-18 the Corporation had supplied various food grains Kirana items to 529 Government Ashram Schools as well as 200 Government Hostel. The corporation got 3% handling charges against supply done. After this, due to change in policy, supply to ashram schools form TDC stoped.

2) Door-step Delivery

Earlier the rationing shop owners from tribal had to secure rationing commodities from the godown situated at Tahsil level. Government had observed that such shopkeepers used to dispose off the stocks directly at Tehsil level thereby depriving of the tribal from commodities under fair rates.

Therefore to assure the guaranteed and uninterrupted supply of rationing items at tribal villages, the State Government have assigned this job to Tribal Development Corporation for supply of rationing items under PDS at the doorstep of the village ration shops. This has assured guaranteed and timely supply of ration items to the trials in remote area. The Corporation has implemented the scheme with the help of total 11 delivery vans and by private transport contractors. But due to change in policy, this scheme was also stopped.

3) (A) SUPPLY OF ELECTRIC MOTOR PUMP, OIL ENGINES AND HDPE PIPES TO TRIBAL FARMERS

The scheme envisages improvement of agriculture yields of the tribal farmers by affording them irriational facilities. It also enables them to undertake different cash crops rather than to go in for thhe traditional low yielding crops.

The tribal farmer having minimum 1.5 acre and maximum 16 acres of own cultivated land holding with nearby source of water available in the form of well, river or nala is eligible for the scheme.

The selection of the beneficiaries under this scheme is done by the separate Task Force Committee. Such committee consists of concerned Project Officer (ITDP) as Member Secretary, concerned B.D.O., Assistant Engineer of MSEB, Regional Manager, MSCTDC, and Deputy Engineer of Small Irrigation Sub-Divison and Member of Legislative Assembly of the concerned Tahsil etc. work at every project level and finalise the selection.

The list of the beneficiaries selected and finalized by the said committee.

According to budget allocation is handed over to the corporation for supply and installation & electrification of pump.

As per Government Resolution No. DCT-2316/CR.133/D 1417 Tribal Development Department, Mantralaya, Mumbai dated 05.12.2016. Decision has been taken by State Government to distribute amount of Oil Pump, Electric Pump and HDPE pipe at DBT (Direct Beneficiaries Transfer) to beneficiaries account.

B) HDPE Pipe distribution:-

According to Government of Maharashtra Government Resoluation dated 12.02.2013 & Government Resoluation Dated 24.01.2014 HDPE pipes being distributed to tribal beneficiaries on 100% subsidy from season 2013-14 HDPE pipes are distributed through the corporation. As per Government Resolution No. DCT-2316/CR.133/D 1417 Tribal Development Department, Mantralaya, Mumbai dated 05.12.2016. Decision has been taken by State Government to distribute amount of Oil Pump, Electric Pump and HDPE pipe at DBT (Direct Beneficiaries Transfer) to beneficiaries account.

C) Consumption Finance Scheme:

The Consumption Finance Scheme is being implemented in Tribal Sub Plan Area since 1978. It provides for the consumption requirement of the needy families during the lean period. On 09/09/2020 State Government changed the Consumption loan scheme to consumption grant scheme and for the first time 11.55 lakh tribals were considered for a Rs. 2000/- Director Beneficiaries transfer and Rs. 2000/- food package distribution. This was in view of the Corona pandemonium and the ensuing lockdown and loss of employment to the vulnerable tribal's.

The implementation of this will be given effect in 2021 during the rainy season where the tribal's have no means of livelihood.

Share Capital

The authorized share capital has been raised up to Rs. 200 crores. Out of this 49% share is to be contributed by Central Government whereas 51% is to be contributed by State Government.

Vide Government Resolution Dated 24th August, 2004; a policy has been made by State Government to contribute Rs. 20 Crores each year to the Corporation so as to make it self sufficient.

Sr. No.	Particulars	Contribution ratio	Authorized Share Capital (Amts.in Lac)	Actual Renewal 31.03.2016 (Amts. In lac)
1.	Central Government	49%	9800	1214.57
2.	State Government	51%	10200	10293.66
3.	A.V.K.S. Share Capital	-	-	1.25
	Total	**100%**	**20000**	**11509.48**

The corporations do not have its own sufficient godowns and office buildings. Due to this situation Corporation has to pay huge amount on rent. Moreover the godowns of Adivasi Vividh Karykari Sahakari societies are not in proper conditions. Also due to inadequate storage capacity of the godowns, this corporation had to suffer from losses due to shortages. Therefore a decision had been taken to construct own storage godowns and office buildings.

The Corporation shall remain committed to protect tribal farmers and tribal artisans from economic exploitation as well as to ensure proper utilization of Agriculture Produce and Minor Forest Produce for better marketing through scheme implemented by Central and State Government.

To implement scheme for supply of package of agricultural tools and seeds basis of subsidized Oil Engine scheme as per Government approval.

MONITORING AND EVALUATION

For monitoring of the tribal development programmes apart from the various authorities viz. the Additional Tribal Commissioners, the Special Executive Committee of the District Planning & Development Councils, the Project Level Implementation Council, etc., mentioned in the earlier paragraphs of this Chapter, there is the Chief Secretary's Co-ordination Committee on Tribal

Development with the Secretaries of the concerned administrative departments as members and the Secretary, Tribal Development as Member-Secretary. This Committee periodically reviews and monitors the implementation of the schemes taken up under the Tribal Sub Plan.

The Planning and Monitoring cell in the office of the Commissioner, Tribal Development at Nasik monitors the implementation of the various tribal development schemes and one of the Deputy Commissioners is entrusted with this task. This Cell collects information from various authorities, tabulates the data collected and suggests taking of / takes further action as may be necessary.

The Tribal Research & Training Institute, Pune is the main agency for evaluating important schemes of tribal development. It has evaluated a number of schemes and published evaluation reports. There is a State-Level Committee headed by the Secretary of the Tribal Development Department which looks into the follow-up action taken by the concerned Departments on the evaluation reports. In addition to this, the services of other agencies are also engaged for the evaluation of certain important schemes. Regular concurrent evaluation is also done by the Project Officer of the concerned Integrated Tribal Development Projects.

PERSONNEL POLICY

The tribal areas are characterized by isolated and difficult terrain with lack of facilities. Officers are, therefore, reluctant to work in the tribal areas. Realizing the importance of the role to be played by the Project Officers of the Integrated Tribal Development Projects, the State Government has given the following facilities to them:-

(a) Retention of Government accommodation, if any, allotted to them in their previous place of posting. They are required to pay only 10 per cent of their pay as rent for retained accommodation.

(b)Rent-free accommodation is provided at the place of their new posting. In case Government accommodation is not available at the Project Headquarters, Government reimburses the rent (including the electrical, conservancy and other charges) of the hired accommodation.

(c) The State Government has increased the Incentive Allowances to the Government employees working in the remote and inaccessible tribal areas vide Government Resolution No. EST - 1097/C.No.18 / D-15, dated 5th February, 1999 to the following rates.

Pay Scale	**Rate of Incentive Allowance per month (Rs.)**
Basic Pay less than Rs. 3050/-	100
Basic Pay of Rs. 3050 & above but less than Rs. 4589	200
Basic Pay of Rs. 4590 & above but less than Rs. 6499	300
Basic Pay of Rs. 6500 & above but less than Rs. 9999	400
Basic Pay of Rs 10000 and above	500

Initially the State Government had identified the whole of Gadchiroli district, Rajura and Gondpimpri talukas, 81 villages in Mull and 23 villages in Chandrapur taluka of Chandrapur district for the special

action plan where incentives as stated above were given. Now as per the aforesaid Government Resolution incentive allowance at enhanced rates is only being given to the employees working in 1472 villages of 290 pockets of 46 tahsils of 13 districts. These villages are considered to be in the most inaccessible areas. The State Government has issued directions that posting in tribal areas should not be regarded as a punishment posting and experienced and efficient officers are being posted in tribal areas.

CHAPTER III

TRIBAL SUB-PLAN AND IMPLEMENTATION OF TRIBAL DEVELOPMENT PROGRAMMES

CONCEPT

1. The Directive Principles of State Policy, under Article 46 of the Constitution of India, enjoins on the State to promote, with special care, the educational and economic interest of the weaker sections of the people and, in particular of the Scheduled Castes (SCs) and Scheduled Tribes (STs), and protect them from social injustice and all forms of exploitation.

The strategy for tribal development has undergone refinements in successive plans. A total and comprehensive view of tribal problems was first taken on the eve of the Fifth Five-Year Plan, when the strategic concept of Tribal Sub Plan evolved. This strategy lay emphasis not merely on development programmes but also on protective measures. It also lays emphasis upon socio-economic development of individual Schedule Tribes, in addition to the emphasis upon area development. The Tribal Sub Plan area strategy was introduced for the first time in Maharashtra in 1976-77, with the following main objectives**:-**

(1) To narrow the gap between the level of development of Tribal Sub Plan areas and other areas of the State;

(2) To improve the standard and quality of the tribal community;

(3) To tackle the important problems faced by the tribals; and

(4) To eliminate exploitation of the tribals, speed up the process of social and economic development, build up an inner strength among the tribals and improve their organisational capacity.

2. Under the Tribal Sub Plan areas strategy, areas of tribal concentration were carved out as Integrated Tribal Development Projects. At present, there are 30 such Integrated Tribal Development Projects which have been approved by the Government of India and the State Government. There is a separate allocation of funds for the Tribal Sub Plan. These funds are utilized only for the tribal development programmes.

3 As mentioned earlier in paragraph 10 of Chapter-I of this report, there are some pockets of tribal concentration which does not fulfill the criteria of percentage of tribal population as prescribed by the Government of India for inclusion in the Tribal Sub Plan areas, but contain sizable tribal population. The State Government decided that the tribals in these pockets should also be given the benefits of Tribal Sub Plan areas and, therefore, carved out these pockets from Additional Tribal Sub Plan areas. All the benefits given to the tribals in the Tribal Sub Plan areas are extended to the tribals of Additional Tribal Sub Plan areas. Integrated Tribal Development Projects have been established in the Additional Tribal Sub Plan areas with similar administrative arrangement as that for regular Integrated Tribal Development Projects.

4. MODIFIED AREA DEVELOPMENT APPROACH (MADA) POCKETS

There are in all 43 Modified Area Development Approach and 24 Mini- Modified Area Development Approach Pockets covering 1512 and 379 villages respectively. According to the 2011 Census, the total tribal population covered in Modified Area Development Approach and Mini-Modified Area Development Approach Pockets is 6.96 lakh. As in outer Tribal Sub Plan areas programmes of economic and educational up-liftment of tribal in these pockets have been undertaken.

5.Primitive Tribes -

The Government of India has approved the following communities as Primitive Tribes in the State of Maharashtra:-

(1) Madia Gond : In the Bhamragad area of Gadchiroli district.

(2) Kolam : In the Yavatmal, Nanded and Chandrapur districts.

(3) Katkari : In the Raigad & Thane districts.

6. As per the recommendations of the Government of India, the State Government has formulated projects for the development of these communities. The programme for the development of Primitive Tribes includes provision of shelter-cum-hut, supply of unit of goats and poultry, rehabilitation of families, grant of bullock pairs, agricultural inputs, seeds, fertilizers, agricultural implements etc. at nominal cost. For this programme, Central Sectoral Assistance is being made available by the Government of India.

7. New Method of Formulation of Tribal Sub Plan -

The method followed in respect of formulation of Tribal Sub Plan up to 1992-93 was that the Planning Department used to allocate plan outlays to different administrative departments. The departments, in turn, used to carve out outlays for the Tribal Sub Plan, as per their own discretion and priorities. The departments were also deciding of the schemes, programmes and development works, were to be taken up from the funds set aside for the TSP. Therefore, even though an independent Tribal Development Department was established in 1983 at Mantralaya (Secretariat) level, it could not effectively participate in deciding outlays for different sectors for the Tribal Sub Plan.

8. Keeping in view the above shortcomings, the State Government took up this issue with the State Planning Board before the commencement of the Eight Five-Year Plans. The State Planning Board appointed a Sub-Committee in January, 1991 under the Chairmanship of Shri D.M. Sukthankar, a member of the Board and former Chief Secretary, to study the matter. After making an in depth study ,the Sub-Committee submitted its Report to the State Planning Board in June, 1992. The recommendations made by the Sub-Committee were accepted by the State Planning Board and thereafter by the State Government in September, 1992.

Some of the important recommendations of the Sukthankar Committee for effective implementation of the Tribal Sub Plan are:-

(i) The Planning Department should first allocate definite funds to the Tribal Development Department (i.e. fix a plan ceiling for) for the Tribal Sub Plan. The responsibility for finalizing the Tribal Sub Plan within the ceiling so indicated should be entrusted to Tribal Development Department and not to the Administrative Department as done earlier.

(ii) The funds so far made available to the Tribal Sub Plan were not more than 7 percent of the total size of the State Plan. There may not be objection to accept this percentage initially. However, the schemes to be taken up from these funds should be tribal welfare oriented. Gradually, the size of the Tribal Sub Plan should be increased to 9 percent of the total size of the State Plan.

(iii) In the Tribal Sub Plan, major emphasis / thrust should be given to those schemes viz. Crop Husbandry, Social Forestry, Primary Education, Health Services, Link Roads, Minor Irrigation, etc. which are important from the point of view of tribal's.

(iv)Active participation should be sought from the Voluntary Organization in the tribal development works.

(v) The outlays to be provided for tribal development for the Tribal Sub Plan areas and Outside Tribal Sub Plan areas should be 75% and 25%.

(vi) Maximum No. of schemes in Tribal Sub Plan should be district level and out of total outlay for the Tribal Sub Plan 60 - 70% of the outlay should be made available for such schemes.

These recommendations have been accepted and followed by the State Government from the year 1993-94.

9. Plan Outlay and Expenditure

During the year 2020-21, the Tribal Sub Plan outlay (Scheme Expenditure) was Rs. 8853.00 crores, which was 8.20 % of the State's Annual Plan Outlay of Rs. 108000.00 crores. The Plan-wise / year-wise outlay and expenditure incurred are given in the Table 3.1 below.

Table 3.1

THE STATEMENT SHOWING THE STATE PLAN AND TRIBAL SUB-PLAN OUTLAYS

(Rs. in crores)

2008-2009	25000.00	2238.50	8.95	2027.42
2009-2010	26000.00	2314.00	8.90	2130.01
2010-2011	37917.00	3374.35	8.90	2323.15
2011-2012	41000.00	3693.50	9.01	3106.00
2012-2013	45000.00	4005.00	8.90	3401.00
2013-2014	49000.00	4360.48	8.90	3979.42
2014-2015	51222.54	4814.92	9.40	4090.21
2015-2016	54999.00	5170.00	9.40	4562.55
2016-2017	56997.00	5357.71	9.40	4957.71
2017-2018	77184.00	6754.00	8.75	6162.93
2018-2019	95000.00	8969.05	9.40	7291.91
2019-2020	99000.00	8531.00	8.61	6833.55
2020-2021	108000.00	8853.00	8.20	7382.00
2021-2022	1,30,000.00	9738.00	7.50	7979.54

10. It will seen from the above table that the expenditure under Tribal Sub Plan during the year 2020-21 was Rs.7382.00 crores as against Rs.8853.00 crores of initial outlay.

Some Important Achievements

(1) The Tribal Sub Plan strategy, introduced in the State from 1976-77, takes notice of the fact that in order to accelerate the development of the tribal communities, an intensive approach to the tribal problems is necessary in terms of their geographic and demographic concentration. For faster development of this community, areas of tribal concentration were delineated and 17 Integrated Tribal Development Projects (including one for Primitive Tribes) have been approved by the Government of India. However, as mentioned earlier in Paragraph 10 of Chapter, I of this report, there are other areas of tribal concentration which do not fulfill the norms prescribed by the Government of India for carving out Integrated Tribal Development Projects but which need special attention. The State Government declared some areas as Additional Tribal Sub Plan areas, in which 4 Integrated Tribal Development Projects have been carved out in January 1992. (i.e. Four new projects have been started outside the original Tribal Sub Plan areas.) In these Additional Tribal Sub Plan areas similar types of schemes are implemented as those in the Tribal Sub Plan areas. The Additional Tribal Sub Plan covers 1291 villages situated in 32 Tahsil of 10 districts with tribal population of 3, 43,486.

(2) Various developmental schemes are implemented under the Tribal Sub Plan areas for the benefits of tribals. Some schemes like Ashram Schools, Backward Class Hostels, Supply of Electric Motor Pumps, and Oil Engines and Schemes in Integrated Rural Development Projects

(IRDP) i.e. individual beneficiary (IB) schemes have also been made applicable to tribals living Outside Tribal Sub Plan (OTSP) areas. Both infrastructural and Individual Beneficiary schemes are also taken up under the Tribal Sub Plan areas. An infrastructural scheme also benefit non-tribal in the Tribal Sub Plan areas, while the Individual Beneficiary schemes are only meant for the tribals wherever they are living. Under the Individual Beneficiary schemes, the rate of subsidy provided to the tribals varies from 10 per cent to 50 percent in the Tribal Sub Plan Area and, Outside Tribal Sub Plan areas depending on nature of scheme and financial status / position of beneficiaries

(3) Various schemes have been implemented under the Tribal Sub Plan and the tribals have certainly derived a good deal of advantage from the following schemes:

1) EDUCATION (EDUCATION DEPARTMENT)

Government of Maharashtra has given special emphasis on facilities for students SC/ST categories from tribal areas of the State. Accordingly, in 15 districts tribal population has been identified. They are Akola, Washim, Bhandara, Thane, Nasik, Dhule, Nandurbar, Jalgaon, Mumbai (W), Nanded, Yavatmal, Nagpur, Gondiya, Chandrapur and Gadchiroli. It has been noticed that literacy rate in tribal sub plan areas is as low as 65.7% as an endeavor to bring up this literacy rate. State Government with the help of Government of India has taken up state wise programme of adult education.

1. Vastishala:-

Now this scheme has been revised and vastishala teacher are going to be provided with D.Ed. training facilities in order to absorb them as regular primary teacher. The scheme is closed due to reason of Vastishala has been converged in to regular school.

2. Book Bank in Primary Schools: -

Text books are provided free of cost to students in rural and hilly areas in the State as purchase of text books in difficult for their parents due to poverty. Though proposed, the State Government has also decided to provide free text books under Sarva Shiksha Abhiyan scheme to all students in standard 1 to 8 in Z.P. schools and all Private Aided Schools. The scheme is closed.

3. Special facilities to SC/ST students in primary school in Educationally Backward areas: - To increase enrollment and retention of SC/ST students in schools, many incentive schemes are operative by the Government. Under this, a set of uniform and writing materials supplied free of cost per students in tribal area where literacy rate and enrollment is low. In the year 2020-21, no amount for tribal area & outside tribal area was sanctioned as everything was closed due to the COVID-19 pandemic. The State Government has decided to provide free textbooks under this scheme to students in standard 1 to 4 in Z.P. schools from 103-development block where female literacy is less than that at national level.

4. Grant to DRDA for construction of school Rooms: -

Scheme of construction of school room has been included in basic needs programme under Universalisation of Primary Education in tribal area. Facility of primary school is provided within 1.0 Km. the Government has instituted District Construction Development Fund vide G.R. No. PRASHAE/ 1096/44/96/PRASHI-4 dated 31/03/1998 & PRASHE/1096/44/96 /PRASHI-4 dated 30/06/1999. The Government also has increased limit for expenditure on construction of primary school rooms in tribal area.

5. Attendance allowance to girls from weaker section of the society:-

To enroll and retain girls from SC/ST & VJNT and deprived sections particularly from tribal area to schooling, Government of Maharashtra has introduced the scheme of attendance allowance at the rate of Rs. 1/- per day of attendance. This is paid to the parents and is subject to the maximum Rs. 220/- per academic year. In the year 2020-21, no amount for tribal area & outside tribal area was sanctioned as everything was closed due to the COVID-19 pandemic.

6. Sarva Shiksha Abhiyan a Programme for universalization of Education Scheme:-

Government of Maharashtra has undertaken District Primary Education programme with financial support of World Bank for educationally lagging behind district identified on the basis of literacy rate. The scheme of Sarva Shiksha Abhiyan a programme for universalization of Education is implemented in the state monitored by Maharashtra Prathmik Shikashan Parishad, Mumbai. The grant share is 60% of Central Government and 40% of State Government. The flagship schemes like mid day meal also implemented in the State to enhance and retain the enrollment with financial support of Central Government.

7. Opening of New Non-Government Secondary Schools:-

100% grants to qualifying un-aided recognized secondary school in tribal area are given by the State government as per Government Resolution dated 10/11/2000 instead of grant's in slabs for general schools.

8. Stipend to Tribal Students:-

As poverty of parents has been the prime cause for students remaining out of school, there is a provision of payment of stipend to students from tribal areas in the State. Boy students in standard $5^{th}$to 7th are given stipend at the rate of Rs. 40/-, while girls are given Rs. 50/- per month, for boys students with good, moral conduct and minimum 75% attendance for quality for stipends. This is given for ten months in an academic year. However, students from Ashram Schools and residential schools where they get lodging & boarding free of charge are not eligible to get this benefit under these schemes.

9. Post literacy Programme:-

National literacy mission came into existence on 5th May 1988 to eradicate illiteracy in India. As per its Directive principle an autonomous institute named as Maharashtra Literacy Council is established on 18th June 1996. Total literacy has been achieved in Thane, Dhule, Nasik, Nanded, Yavatmal, Bhandara, Gadchhiroli & Chandrapur districts after total literacy mission. Its evaluation has been under taken outside agency. In Nanded & Yavatmal districts continuing education scheme is in operation after completing total literacy programme there.

10. Books in tribal dialect:-

With a view to create interest in learning among the students in tribal area schools M.S.C.E.R.T. Pune prepares books in tribal dialect. The council also takes care of teacher training to Universalization of Primary Education these books.

2) TRIBAL DEVELOPMENT DEPPT.

1. Government Ashram School

The Tribal Development Department in Maharashtra has 497 residential Govt. Ashram schools. Out of which 287 have been upgraded as Secondary Ashram schools. 19. Post-matric scholarship for S.T. Students (Centrally sponsored Scheme) Govt. of India Scholarship: -

The scheme of Post Matric Scholarship has been introduced for providing higher education to Backward Class students, who are staying in rural and hilly areas, and whose financial condition is poor and due to which, they are unable to take higher education. This scheme is implemented through the Project Officers of the ITDPs. They have been empowered to disburse the scholarships to the concerned educational institutions, as per the requirements of the institutions and the records received by them. Project Officers of the concerned ITDP sends blank application forms to the educational institutions and also instruct them to fill up such forms. These forms are accepted up to 31st of July every year, by the educational institutions from the students. The scheme is given adequate publicity through various educational institutions. In addition to this, every year officers-in-charge of the scheme give wide publicity in the local newspapers for the information of the students and also instruct the students to apply for scholarship. For the renewal of the scholarship 75 % of attendance is necessary for the students. 60% of the previous year's expenditure towards scholarship is disbursed to the institutions on an ad-hoc basis. For the disbursement of this scholarship the educational institution opens PLA account in Nationalized Banks, where the students also open their account. The said scholarship is disbursed up to 30th September every year. Under this scheme of the Government of India all the Scheduled Castes & Scheduled Tribes Students studying in Post Matric courses are eligible to receive an amount from Rs. 235/- to 740/- (for hostellers) and Rs. 140/- to 330/- (for day scholars) scholarship subject to the condition that

(a) The income of the parent should not exceed Rs. 2, 50,000/- per year.

(b) The student should not be a full-time employee

(c) The student should have good conduct and his progress and attendance should be satisfactory, and

(d) Only the first two children of the same parents are eligible.

Government of India has increased the rate of Post Matric Scholarship for the students, belonging to Scheduled Tribe by modifying the existing groups and income ceiling from 10th Five-Year Plan. The details of the Existing & Revised Groups Income Ceiling and Scholarship Rates are as follows

Revised Rate		
Group	Hostellers	Day-scholers
I	1200	550

22. The schemes implemented under Special Central Assistance and Article 275(1) of the Constitution. :-

With a view to raise the standard of living of the tribals, it is necessary to implement the schemes, which will generate employment and increase the income of the tribals. As per the guidelines of the Central Government funds are distributed area wise. 30 percent funds are utilized for infrastructure development. Preference is given to tribal women and Primitive Tribal Groups families.

- In this year 2020-2021 Rs. 20000.00 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 2021 is Rs. 0.00 lakhs.
- In this year2020-2021 Rs. 25000.00 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 2021 is Rs. 2173.35 lakhs.

23. Establishment of Free Legal Advice centers for Restoration of Lands to tribals - : The Maharashtra Restoration of lands to Scheduled Tribes Act, 1974 provides for restoration of lands to the tribals, which were transferred to non-tribals during the period 1.4.1957 to 6.7.1974 and not diverted to

non-agricultural use before 6.7.1974. To help the tribals in these cases, free Legal Advise Centers have been sanctioned in offices of Additional Tribal Commissioner, Nashik, Thane,

Amravati and Nagpur. During the year 2004-05 a provision of Rs. 16, 50,000/- has been made for this purpose.

An Advocate sent the Writ Petition to High Court, Nagpur Bench for challenge of Government Resolution. The matter was pending so far the allotment of for the year 2004-05 to 2015-16 will be surrender to Government.

In this year 2020-2021 Rs. 100.00 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 2021 is Rs. 15.94 lakhs.

24. Financial Assistance given to the parent of Grade III & IV Children who admitted in Hospital. :

When the children of the grade III & IV are admitted in the hospital the financial Assistance of RS. 40/- per day is given to their parents. Implementation of such schemes is helpful to reduce the percentage of death due to malnutrition & starvation. The total outlay scheme is allotted on disposal of Health Department. The scheme was implemented through District Health Officer & monitored by Project Officer & Additional Tribal Development Commissioners.

In this year 2020-**20**21 Rs. 43.00 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 20**2**1 is Rs. 33.00 lakhs.

25. Scholarship to the Students belonging to scheduled tribes for Education in Foreign Countries.

The Government of Maharashtra vide its Resolution dated 31st March 2005 have decided to give scholarships to 10 students belonging to Scheduled Tribes to undertake studies abroad in accordance with the said decision application for scholarship to undertake education in foreign countries.

These scholarship will be awarded to M.B.A. (Post Graduation)-2 Medical Education (Graduation-1 & Post Graduation-1)-2 B.Tech (Engineering) (Graduation-1, Post Graduation-1)-2, Science (Post Graduation)-1, Agriculture (Post Graduation)-1, Other Subject (Post Graduation)-2 – Total 10 students.

In this year 2020-2021 Rs. 400.00 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 2021 is Rs. 123.77 lakhs.

26. SHABARI GHARKUL YOJANA

Some tribals are not having their own houses and some body is having their mud houses. Therefore, the Government in Tribal Development Department vides Resolution dated 28th March, 2013 has given sanctioned to implement Shabari Gharkul Yojana which provides permanent houses having facilities of toilets, bathrooms and electrification. Under this scheme the house is constructed on 269 Sq.Ft. carpet areas which include sitting room, 1 bedroom, kitchen, toilet and bathroom. Rs.

1,00,000/- is provided to construct the house in rural area which is now amended to Rs. 1,20,000/- and Rs.1,30,000/- (for hilly area) as per Government Resolution dated 6th Jan,2017.

Following are the details of area and the required income of the family.

Sr. No.	Area	Area wise amount of one house (Rs. In Lakhs)	Family income of the applicant (Rs. In Lakhs)
1	Rural Area	1.20 and 1.30	1.20

Though there is ceiling on family income, a provision is made to give priority to the beneficiary of Below Poverty line.

This scheme is implemented through State Management Rural housing cell.

In this year 2020-2021 Rs. 27500.00 Lakhs has been provided. Expenditure incurred on this scheme up to the month of March 2021 is Rs. 27500.00 lakhs.

3) SOCIAL WELFARE DEPARTMENT (B.C.WELFARE SCHEMES)

1. Scholarship in students studying in High Schools.

Under this scheme there are no grants for financial year 20**2**0-21.

Financial assistance is provided to the voluntary agencies in the form of grant in aid

for building rent and towards the remuneration of the staff working under the hostels run by these voluantary agencies.

Year	Grants Received	Expenditure	Benefisharies
2020-21	150.00	150.00	91
2021-22	632.00		91

4) (I) Other Sectors

1. CROP HUSBANDRY

In Maharashtra, agriculture and allied occupations constitute the mainstay of the tribal economy. Nearly 85 % of total tribal population is engaged in the agriculture. Although, most of the tribal families depends on agriculture for their main source of income and occupation, tribal agriculture is characterisd by low technology and low input resource and therefore, the per hectare productivity of various crops in the tribal area is low. Moreover irrigation facilities in the tribal areas are also extremely limited.

Under Adivasi Upyojana (TSP & OTSP) scheme subsidy is given to tribal farm families for various items to increase in the productivity of their farms. The Committee was formed by the Government on 24 February 2016 for recapitulation of the scheme under the Chairmanship of Joint Director of Agriculture, Nagpur. The Committee had submitted the report to Government to change the present norms of subsidy and increase the annual income limit upto Rs. 1,50,000/- per family. The State Government has therefore revamped the scheme in 2017-18 with new norms of subsidy and components so as to provide sustainable irrigation facilities. As per Government Supplementary letter dated 30.12.2017 this scheme is known as Birsa Munda Krushi Kranti Yojana. The State Government also increase the annual income limit upto Rs. 1,50,000/- per family.

The pattern of assistance available for various items is as under :

Sr. No.	Item	subsidy limit (Rs.)	subsidy percentage
1	New Well Construction	2,50,000/-	100
2	Old Well repairing	50,000/-	100
3	Lining of Farm pond with slipolin paper	1,00,000/-	100
4	Inwell Boring	20,000/-	100
5	Sprinkler / drip irrigation	25,000/- (sprinkle) or 50,000 (drip)	90
6	Electricity connection charges	10,000/-	100
7	Kitchen garden	500 per beneficiary	100
8	Pump Set (Disel / Electric)	20,000/-	100
9	PVC / HDPE Pipe	30,000/-	

An outlay of Tribal Sub Plan and Outside Tribal Sub Plan Rs.11609.34 lakh has been provided for the year 2020-2021 and expenditure incurred is Rs.11586.34 lakh.

5. DAIRY DEVELOPMENT

As per Government Resolution dated 16th May 2001, individual beneficiary schemes were scrapped. Under Tribal sub Plan Schemes the sanctioned funds were to be utilized for replacement of old machinery and purchase of new machinery for the processing dairies and chilling plants in tribal region.

In the year 2020-2021 the grants received under this scheme is Nil. Hence the expenditure incurred is Nil.

6. FISHERIES DEPARTMENT: -

According to 1991 census in state, the number of Tribal is 73.18 lakhs & total population is 9.27%. In Tribal mainly Kolam, Bhill, Gond, Warli, Katkari, Pardhi etc. caste is included. In this tribes are illiterate & they are very poor. For this tribes, Fisheries is open & their financial condition & therefore day to day life. Government has implementing tribal sub plan scheme from 1976-77. In Maharashtra, Raigad, Nashik, Dhule, Jalgaon, Pune, Ahmadnagar, Nanded, Thane, Amravati, Yavatmal, Nagpur, Bhandara, Chandrapur & Gadchiroli. 14 districts, 68 Talukas, 6962 villages & 13 cities tribal sub plan area is declared & this area is 50755 sq.killometer &States total area is 16.5%. The tribals who are out of this area for them also the outlay has been declared.

Fisheries Vision –

In State Fisheries useful land	4.18 lakh Hectare
For Tribal area useful water spred area	0.97 lakh Hectare
Fish seed capacity (State)	114.00 Crore
Tribal area capacity	10.00 Crore
Fish seed centre (State)	30 Hatchery
Fish seed centre (Tribal)	6 (Dapchari, Karanjwan, Itiyadoh, Loni, Chargaon, Amalnala
Fish seed Rearing centre (State)	16
Fish seed Rearing centre (Tribal)	3

Tribal Districts –

1) Thane, 2) Raigad, 3) Nashik, 4) Dhule, 5) Jalgaon, 6) Ahmadnagar, 7) Nanded, 8) Amravati, 9) Yavatmal, 10) Nagpur, 11) Bhandara, 12) Gadchiroli.

Production of Fish seed capacity (Tribal) – 6.00 Crore

Fisheries Department Plan:-

For Tribal people fisheries Department has implemented schemes as given below:-

(i) **Establishment of Fish Seed Production**:-

In Tribal areas 97000 ha. Water sq.area is available for fisheries development. For optimum stocking of fish seed, demand of good quality fish seed to be produced in tribal area 6 fish seed centres are operated. Which made fish seed available for stocking? To enhance fish seed production in some fish centre, establishment of Chinese hatcheries has been done. Extension & maintenance & repairing work has been taken on priority. This scheme is benefitted for tribal fisherman.

Above 6 fish seed centres are operated with optimum capacity. We can produce 6.00 crore fish seed in tribal areas.

(ii) Fish Farming in Impounded Waters: -

The main objective of this scheme is to bring more and more cultivable water areas under fish culture. Under the scheme, seed is supplied at subsidized rate to the fisheries co-operative and local bodies for stocking. Similarly, subsidy on construction of rearing ponds, purchase of food and fertilizer is also granted. The scheme envisages increase in fish production and thereby to provide employment opportunities to the rural tribal.

(iii) Fish farmer's development agency: -

Under Fish Farmers Development Agency the beneficiary chooses from tribal area. These tribal are trained by the department for fishery. Thus department gave financial assistance to the fisherman. This subsidy pattern is 75:25 (Central shares 75% and State share 25%).

(iv) Development of Fisheries Co-operatives Societies: -

In state tribal fishermans centres are there. In this scheme for change of work & financial changes managerial subsidy & Share capital contribution is given in financial assistance form.

(v) Assistance for the Purchase of Fishery Requisites: -

Under this scheme, for the tribal fisherman, individual of fisheries reuisities is given. So this scheme is individually beneficiary. In which per fisherman 5 killo nets provision is made for tribal fisherman can use this for fishery purpose and can earn for his day to day life.

SPECIAL CENTRAL ASSISTANCE SCHEMES (100% ASSISTANCE) -

Forest villages & inforest settlements were established & developed with the purpose of ensuring sustained and adequate availability of labour for forestry works. At present the forest villages and inforest settlements are under the administrative control of the Revenue Department subject to the provisions of Forest Conservation Act 1980, the inhabitants of the forest villages and inforest settlements enjoy the same benefits of occupancy rights in hand as are available to the residents of Revenue villages. The large scale of employment in various forestry works undertaken in forest areas was a source of livelihood to the forest dwellers. They were granted concessions, privileges like Nistar and Grazing facilities etc. & were provided amenities like drinking water, school, rooms/buildings etc. through development plan programs to the extent possible.

A total outlay of Rs. 7303.49 lakhs is provided under the forest dept. scheme in the tribal sub plan of 2020-2021 and expenditure incurred is Rs. 7382.94 lakh.

8. SOCIAL FORESTRY

The following schemes were implemented by the Social Forestry Department in TSP and OTSP areas.

1) Kisan Nursery

The Kisan Nursery Scheme started with the financial assistance of National Waste land Development board with a view to decentralize the nurseries and to spread the awareness among villagers about the nursery techniques and preparation of seedlings. The objective of this scheme was not only to promote the afforestation program with the participation of the people but also to generate employment opportunities in rural areas and thereby to raise the economic status of farmers. The scheme has been implemented since 1993-94 with the aid of State Government funds. Millions of seedlings were provided by Social Forestry under this scheme to common citizens. Under this scheme small and marginal farmers, preferably belonging to SC/ST category, were selected as beneficiaries. Each beneficiary was required to produce 20,000 to 25,000 seedlings, out of which 50% seedlings were bought back by the government. Since 2009-10 to 2012-13, not work has been undertaken due to discontinuance / non availability of grants to the social forestry department under TSP scheme. Works were not proposed for 2013-14 as no outlay was sanctioned under TSP. This scheme has been discontinued since year 2015-16.

2) Plantation on non forest land in watershed areas

6000 villages in the catchment areas were selected under water conservation program for making it productive by planting trees on waste lands in Maharashtra. As per the role of government, in each village programs like tree plantation, soil and oisture conservation works and small irrigation projects were intergrated and implemented in consultation with the local people. In the annual plan of 2009-2010 to 2010-2013, the work under this scheme was not undertaken by the social forestry department as the outlay of scheme was not sanctioned. Since 2015-16, annual plan has not been approved so no further work has been done under this scheme.

9. CO-OPERATION: -

With the State Government's participation by way of Share Capital Contribution, loan & managerial subsidy, the Co-operative movement has now become a vital instrument of economic development in the tribal areas. It has become and effective medium for the successful implementation of various schemes, which have a bearing on the raising of the standards of living of the tribal population. In order to study the problems of Tribal Co-operative societies a committee was appointed on 30th January, 1984 under the chairmanship of Shri Madhukarrao Pichad, the then Minister of State for Tribal Development. On the basic of the recommendations made by that committee the following important decisions were taken by the Government to revitalize the co-operative structure in the Tribal areas.

(1) To reorganize the Adivasi Co-operative Societies on the following criteria:

(a) The area of operation of a society should be limited to 5 to 10 kms.

(b) For each 5,000 population, there should be one society.

(2)While reorganising the societies on the above lines, the existing societies (275 societies) should be Liquidation.

(3) To extend financial assistance to these societies (Newly registered 938 societies) in the following manner:

(a) To increase the rate of commission in under Monopoly Procurement scheme.

(b) To increase the rate of commission in fair price shops dealing and

(c) Managerial loans given to Adivasi Co-operative Societies from the fourth to the Seventh year converted into subsidy.

2. The Government has accorded sanction to give 100% management subsidy to these reorganized societies for a period of five years. The Government has also agreed to convert the operational loans given to the Adivasi Seva Societies in to subsidy. However, the pattern in respect of management subsidy & share capital is still under the consideration of Government.

3. The details of some important schemes and outlay provided for them in the Tribal Sub Plan, 2020-2021 are given in the following paragraphs.

(1) SUBSIDY TOWARDS BAD DEBT RESERVE: -

Financial assistance is given to each Adivasi Co-operative Society towards its bad debts reserve funds unto a limit of 5% of the maximum of its outstanding. Government contribution for subsequent years is on the basic of difference in loans advanced in the previous years, subjects to the maximum contribution of Rs. 0.04 lakh to each society. An outlay of Rs.0.00 Lakh and expenditure of Rs. 0.00 lakh for this scheme in the year 2020- 2021.

(2) GRANT OF INTEREST SUBSIDY UNDER VARIOUS SCHEMES:-

There are various schemes for grant of interest subsidy to tribal farmers. These schemes are (i) Interest subsidy to small farmers, (ii) Interest subsidy to Tribal members of Adiwasi Co-operative societies at the rate of 5% & (iii) Production incentive scheme Government has decided that the crop finance disbursement to the Adivasi Co-operative Societies should be done at concessional rate. The scheme wise outlay provided for 2020-2021 are as follows:

(Rs. in Lakhs)

Sr.No.	Particular	Outlay	Expenditure
1.	Interest subsidy to small farmers	0.00	0.00
2.	Interest subsidy to Adiwasi members of Adiwasi Co-operative Societies at 5%	0.02	0.00
3.	Production Incentive Scheme	336.67	305.02

(3) SEVEN YEARS INTEREST FREE LOANS FOR THE PURCHASES OF SHARES OF ADIVASI CO-OPERATIVE SOCIETIES:-

Adivasi Co-operative Societies offer various the members of such societies. Government grants them interest free loan of Rs. 100/- the loan is repayable in 5 equal installments and the first

installment becomes due in the third year from the date of release of the loan. An outlay of Rs.0.12 Lakh and expenditure of Rs. 0.00 lakh for this scheme in the year 2020- 2021.

(4) FINANCIAL ASSISTANTS TO TRIBAL PURCHASE OF SHARE OF CO-OPERATIVE SUGAR FACTORIES (LOAN AND SUBSIDY): -

Under this scheme financial assistance is given to the tribal so as to become member of co-operative sugar factories at the rate of Rs. 10,000 or the actual book value of the share by way of 50% interest free loans and 50% subsidy. The loan is recovered in 5 equal installments after 2 years from the date of grant of loan. This scheme is being implemented through the District Deputy Registrar of Co-operative Societies. An outlay of Rs. 00.00 lakh and expenditure of Rs.0.00 lakh has been for this scheme in the year 2020-2021.

(5) MANAGERIAL SUBSIDY FOR FAIR PRICE SHOP OF TRIBAL CO- OPERATIVE SOCIETIES: -

The distribution of food grains and consumer articles is done through Adivasi Multipurpose Co-operative Societies. While undertaking these activities, the societies sustain losses. In order to reimburse such losses, management subsidy is given at the rate of Rs. 2,500/- per society per year or the actual loss whichever is less. An outlay of Rs.0.00 Lakh and expenditure of Rs. 0.00 lakh for this scheme in the year 2020- 2021.

(6) MANAGERIAL SUBSIDY AND SHARE CAPITAL TO ADIVASI VIVIDH KARYKARI SOCIETIES FOR REVITALISATION: -

Since the activities of the above-reorganized Adivasi societies have been expanded, they will have to appoint additional staff for which they will have to incur management expenses. The estimated excess expenditure involved on management activities would be about Rs. 30,000 per society per year. To meet out this extra expenditure they are being provided management subsidy of Rs. 30000/- or actual loss due to extra expenditure on management in the previous year which ever is loss. However the pattern in respect of financial assistance is still under consideration of government. An outlay of Rs.0.00 Lakh and expenditure of Rs. 0.02 lakh for this scheme in the year 2020- 2021.

(7) SHARE CAPITAL ASSISTANCE TO THE ADIVASI VIVIDH KARYAKARI SOCIETIES. :-

Adivasi Vividh Karyakari Societies have to raise loans for giving agricultural loan, supply of fertilizes and seeds, and for doing various businesses like fair price shop, dairy, fisheries etc. to their members. Since the raising of loan is related as per the times of their capital, share capital assistance of Rs. 50,000/- per society is to be given to the 938 societies for strengthening their capital base. Share capital subsidy is given to the societies excluding the societies to whom share capital contribution is given. An outlay of Rs.0.00 lakh and expenditure of Rs. 0.00 lakh has been for the year 2020-2021.

Accordingly, total budget provision for district level and state level schemes for year 2020-2021 was Rs. 336.81 lakh. And actual expenditure upto 31 March 2021 was Rs. 305.92 lakh. And thus percentage of expenditure was 90.82%.

10. GROUND WATER SURVEYS AND DEVELOPMENT AGENCY (GSDA)

In the year 2020-2021 funds is Nil.

12. DROUGHT PRONE AREA DEVELOPMENT PROGRAMME

In the year 2020-2021 funds is Nil.

13. Mahatma Gandhi National Rural Employment Guarantee Scheme- Maharashtra

The Government of Maharashtra has been implementing the MGNREGS under the Central Act through the Maharashtra Employment Guarantee Act, 1977 in entire State since 2006 to 2008 in phased manner. The main objective of MGNREGS is to make effective provision for securing the right to work by guaranteeing employment to all adult people who is volunteer to do unskilled manual work in rural areas in the State of Maharashtra and also to create durable assets.

Payment under the MGNREGA is made through Banks / Posts.

Only E-musters are used all over the State for taking attendance so that the labourers are given wages in the prescribed time and now wages are deposited into the wage seekers account directly through EFMS. Uses of EFMS for transfer of wages electronically and ensure that there are no delays. Pay slips are being distributed to the workers. Social Audit for ensuring transparency and accountability in implementing in the scheme.

A full fledge Commissionerate is functioning in Nagpur for the effective implemention of the Scheme. In case the payment of wages is not made within 15 days from the date of closure of the muster roll, the wage seeker shall be entitled to receive payment of compensation for the delay, at the rate of 0.05% of the unpaid wages per day of delay beyond the fifteenth day of closure of muster roll.

Government of Maharashtra published State Employment Guarantee Council Rules, Unemployment Allowance Rules & Grievance Redressal Rules.

SCs Employment under MGNREGA – Maharashtra are as follows:-

Year	% age of HH SCs among workers under MGNREGA	Employment for full 100 days in the MGNREGA (No of SCs Household)
2016-17	9.21	13748 HH (8.19%)
2017-18	10.15	17780 HH (8.83%)
2018-19	11.15	17688 HH (9.19%)
2019-20	11.78	11552 HH (9.29%)
2020-21	9.29	10877 HH (7.95%)

STs Employment under MGNREGA – Maharashtra are as follows:-

Year	% age of HH STs among workers under MGNREGA	Employment for full 100 days in the MGNREGA (No of STs Household)
2016-17	19.98	34428 HH (20.52%)
2017-18	19.12	42705 HH (21.20%)
2018-19	19.05	40629 HH (21.11%)
2019-20	21.28	25352 HH (20.39%)
2020-21	23.62	45241 HH (33.07%)

During the year 2020-21, the State has spent Rs. 2018.51 Crores and created 679.38 lakhs person days under MGNREGA. For the week ending dated 27.03.2021, 51,241 works are ongoing with an attendance of 4,00,646 labours in the state.

Important Achievements:

- Under MGNREGS, priority for works of drought proofing has been given. In this Soil Conservation, Water Conservation, Afforestation and agricultural & allied works are on top priority.
- Under Jalyukt shivar Abhiyan, emphasis has been given for water conservation and these water conservation works are taken under MGNREGS on top priority.
- "A Day with Labour Programme" a new concept on the eve of Gram Rojgar Divas is taken in the State with view of giving the benefits of other development & social schemes of the States of MGNREGA workers and their families.

14. Pradhan Mantri Awaas Yojana- Gramin (PMAY-G)

Indira Awaas Yojana (IAY) was made an independent scheme with effect from 1st January 1996 aimed at addressing housing needs of the BPL households. After more than 30 years of its implementation, although Indira Awaas Yojana addressed the rural housing shortage, there still exist huge gaps in rural housing scenario in view of the limited scope of coverage under the scheme. To address the gap in rural housing and in view of Governments, commitment to provide "Housing for All" by 2022, the scheme of Indira Awaas Yojana has been re-structured into Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) w.e.f. 1st April, 2016.

TSP Fund	Budjeted	Released	Expenditure
Central	793.41 crore	360.50 crore	360.50 crore
State	406.00 crore	406.00 crore	406.00 crore

Pradhan Mantri Awaas Yojana- Gramin (PMAY-G) aims to provide a pacca house with basic amenities to all houseless living in Kutcha and dilapidated house by 2022. In its first phase objective was to cover 1.00 Crore households living in construction of quality house in three years from 2016-17 to 2018-19 and ensured construction of quality houses, using local materials, design and masons specially trained in quality workmanship. In its second phase from 2019-20 to 2021-22 objective is to cover 2.95 crore households.

Key Features of PMAY-G

1. Providing assistance for construction of 2.95 crore houses in rural areas by 2022.
2. The minimum unit (house) size is 25 squre meter including a dedicated area for hygienic cooking.
3. Unit assistance of Rs. 1,20, 000 in plains and Rs. 1,50,000 is hilly states difficult areas and Intergated Actions Plan districts is provided.

4. The cost of unit (house) assistance is to be shared between Central and State Government in the ratio 60:40 in plain areas and 90:10 for north-eastern hilly states.
5. Provision of toilets at Rs. 12,000/- and 90/95 days of unskilled wage labour under MGNREGA over and above the unit cost.
6. Identification of beneficiaries using SECC-2011 data. The identification and selection of the beneficiaries is done by the community through the Gram Sabha, from the SECC-2011 list, based on the housing deficiency and other social deprivation parameters.
7. Use of effective convergence for provision of electricity, piped drinking water facility, rain water harvesting, LPG gas connection under UJJWAL scheme, solare initiatives, backyards fruit plants, poultry, goatery, dairy shed, solid and liquid waste management etc.
8. All payments are done through DBT to beneficiary's Bank / Post Office accounts registered in Awaas Soft MIS.
9. Specially designed mason training certificate proforma on site to improve quality of homes and enhance skills of particulars.
10. Creating menu of housing design based on local typologies incorporating local material, traditional knowledge and aesthetics.

15. POWER DEVELOPMENT -

Tribal Sub Plan (District level)

This scheme is executed in area notified as Tribal Sub Plan (TSP) area as well as other than Tribal Sub Plan (OTSP) area. The objective of Government of Maharashtra for implementing this scheme is to fill gap of development between tribal and non-tribal area, to improve living status of tribal peoples, to increase rate of social as well as economical development of Tribal peoples. The district wise yearly plan under this scheme is approved by Government of Maharashtra. The electrification of un-electrified tribal wadi / vastis, release of L & F as well as Agricultural connections to tribal beneficiaries & associated infrastructure work are carried out through this fund.

For financial year 2020-21 MSEDCL received fund of Rs. 9414.34 Crores under Tribal sub plan scheme and Rs. 1951.63 Crores under Other Tribal Sub Plan scheme from Government of Maharashtra. Work orders are given to the contractors under Tribal Sub Plan Scheme 89 Domestic connections and 5 wadi pada electrification works carried out & expenditure incurred of Rs. 12.34 Crs. Similarly, under Other Tribal Sub Plan scheme, 18 nos. of connectiions, 156
Domestic connections electrification work work carried out & expenditure incurred of Rs. 2.93 Crs. Balance work in progress.

16. MAHARASHTRA ENERGY DEVELOPMENT AGENCY

In the year 2016-17 MEDA Scheme is diverted to district level. For 2020-2021 the Budgeted and expenditure is Nil.

17. PUBLIC HEALTH: -

National Rural Health Mission

National Rural Health Mission (NRHM) has been launched in the country with effect from 12 April 2005, which aims at providing accessible, affordable, effective, accountable and reliable healthcare to all citizens and in particular, to the poorer and vulnerable sections of the population. Main Objectives of NRHM programme are,

- Reduction in child and maternal mortality
- Universal access to public services for food and nutrition, sanitation & hygiene and universal access to public health care services with emphasis on service addressing women's and children's health & universal immunization
- Prevention and control of communicable and non-communicable diseases, including locally endemic diseases
- Access to integrated comprehensive primary health care
- Population stabilization, gender and demographic balance
- Revitalise local health traditions & mainstream Ayurveda, Yoga, Naturopathy, Unani, Siddha and Homoeopathy (AYUSH)
- Promotion of Healthy lifestyles.

For TSP 2020-21 Sanction for Central Share Amount Rs.17239.32 Lakhs & Expenditure was Rs.12929.49 Lakhs.

Regarding 40% State Share For 2020-21 Rs.19200.00 lakhs &Expenditure was Rs.14200.00 lakhs.

Tribal Schemes under National Rural Health Mission
Schemes for Tribal and Affected Areas

Introduction

Maharashtra has 16 tribal districts out of which 5 are sensitive and six are leftist extremism affected districts. Considering the health problems of these areas and non-availability of trained staff to provide the health services, few schemes for these difficult areas has been started.

1. HARDSHIP ALLOWANCES.
2. CO-ORDINATION CELL AT DISTRICT HOSPITALS.
3. MOBILE MEDICAL UNITS IN GADCHIROLI DISTRICT.
4. FLOATING DISPENSARY & FLOATING AMBULANCE IN NANDURBAR DISTRICT.
5. MEDICAL & DENTAL CAMP.
6. CME FOR TRIBAL MEDICAL OFFICER

Hardship Allowances

- Hardship Allowance is introduced to motivate the MOs, specialist and Health workers working in difficult areas of the state.
- This scheme has been introduced in 11 out of 16 tribal districts of Maharashtra. These Districts are Amravati, Chandrapur, Dhule, Gadchiroli, Gondia, Nanded, Nandurbar, Nashik, Thane, Palghar, and Yavatmal.
- Hardship Allowance is applicable to the staff and the Medical officers working at extremely interior and difficult areas & getting salaries from treasury funds. Monthly allowance to these officers and staff is shown in the following table.

(Amount in Rupees)

Sr. No	Cadre		Monthly remuneration
1	ANM		10,000/-
2	Staff Nurse/LHV		15,000/-
3	Medical Officer – BAMS	Group A	35,000/-
		Group B	25,000/-
3	Medical Officer – MBBS		35,000/-
4	Specialist (Physician/Pediatrician, Surgeon/Gynecologist and Anesthetist)		50,000/-

Hardship Allowance Expenditure 2020-2021

Total Hardship Allowance	Sub Center	PHC	Rural Hospital	Approved PIP 2020-2021	Expenditure (2020-2021)	%
	375	72	18	1468.80	525.56	35.78

For TSP 2020-21 Sanction for Central Share Amount Rs.1468.80 Lakhs & Expenditure was Rs.525.56 Lakhs. Approved PIP for 2021-2022 is Rs.1468.80 Lakhs**.**

Co-ordination cell at District Hospitals

Health Institutions (SCs, PHCs, and CHCs etc.) have to refer patients to District Hospitals in emergency. Majority of the District Hospitals are 300 bedded and above. These Hospitals have Different Sections for Registration, Laboratory checkup, X-ray medicines etc. Tribal Patients do not understand the language and there is delay in getting all the formalities done. Because of such environment Patients are not willing to stay in hospitals and many of the times insists for discharge even if the condition of the patient is critical.

Considering such situation we started co-ordination cell from the year 2009- 2010 at **Amravati, Gadchiroli, Nasik, Thane, Nandurbar, and Nagpur.** Patient's health Condition required treatment and expected time of arrival is communicated. One cell member takes the responsibility and informs the casualty MO to concerned Specialists. When Patient arrives a Co-coordinator of cell accompanied the patient till emergency from registration to laboratory and report collection. After emergency also the patients are asked to contact the cell in case of any difficulty in the hospital during the stay in the hospital. A cell member visits the patient twice in a day for any difficulty. Transport arrangement is also made if required after discharge.

- There will be one Supervisor and four Coordinators in the cell.
- Supervisor should be at least 12th Standard Pass and Coordinator should be at least 10th Pass.
- Two Co-coordinators will be males and two will be females. This can be changed as per the requirement of the Districts.
- Co-coordinators and Supervisor must be from tribal community and able to speak local tribal language prevalent in district or in patients coming to DH.

Co-Ordination Cell Expenditure 2020-2021					
Sr. No	**District 5**	**Manpower**	**Approved Budget 2020-2021**	**Expenditure (APRIL 20 to March 21)**	**%**
Total		**22**	**37.64**	**56.08**	**149**

For 2020-21 Sanction for Central Share Amount Rs.37.64 Lakhs & Expenditure was Rs.56.08 Lakhs.

Approved PIP for 2021-2022 Rs. 5.04 Lakhs.

Floating Dispensary & Floating Ambulance in Nandurbar District

About 50 villages of Nandurbar district are completely isolated due to Backwaters of Sardar Sarovar. These villages have mountain on one side and back water on other side. Government of Maharashtra is providing health services to theses villages by floating dispensaries. These dispensaries visit all the villages on fixed days and provide medical services. Only the post of Medical Officer and Driver are approved by Government. These dispensaries are providing good services, however, in case of emergency particularly in case of delivery or critically sick child, they have to discontinue the service and take the patient back to Health Facility for treatment. This leads to major disruption of services to remaining villages and irregularity in service provision.

Distance between floating dispensary and bank of river changes every time and patients need to travel in water to reach dispensary. This becomes very difficult for the patients particularly the pregnant women. In addition there is no place for patients to wait till the Floating dispensary approaches the villages. Considering the above condition, it is provided to provide additional essential staff and space to (2) Floating Dispensary and (3) Floating Ambulances to this areas so that these ambulances can be called to shift pregnant women,

critically ill neonates and other sick persons. Floating dispensary has been operational since the year 2014 -15 and floating ambulance was starting from the year 2016 -17 (operational since February 2017) to provide services to this difficult areas.

Operational area of Floating Dispensary and Ambulances:

Floating 1 Dispensary & 1 Ambulance: - Akallkuwa Taluka

From Manibeli Village to Mukhadi Floating Dispensary Service's available in Akallkuwa Taluka consisting of 8 villages.

Floating 1 Dispensary & 2 Ambulance - Dhadgaon Taluka

From Pimpalchowik to Bhadal Floating Dispensary Service's available in Dhadgaon taluka consisting of 16 villages.

As per the monthly report of July 2020. Out of 2 dispensaries 1 dispensary is not functional year because of some technical problem.

Floating Dispensary Staff: - (Rs in Lakhs)

FMR Code	Name of Activity	Name of Post	No of Post	Approved PIP 2020-2021	Expenditure March 2021	%
2.1.3.3, 8.1.11.1, to 2, 3, 4, 5	Floating Dispensary in Nandurbar Districts	Pharmacist	2	**149.68**	**70.47**	**40.95**

Mobile Medical Units at Gadchiroli Districts

- Mobile Dental Units (2)
- Mobile Ophthalmic Units (2)
- Mobile Pathology Units (2)

Gadchiroli district is completely LEA area and length of the district is about 350 KM. Except for DH Gadchiroli and SDH Aheri, there is no availability of dentist, pathology unit or the Ophthalmological unit.

Considering this, six mobile units have been supplied under IAP to Gadchiroli districts. These include 2 Dental Units, 2 Pathology Units and 2 Ophthalmologist units. However, these units are not functional due to non-availability of funds for manpower and operational expenses. As no such services are available in periphery, these units are extremely essential for the district.

Mobile Medical Units Expenditure 2020-2021					
Name of Activity	**Name of Unit**	**No of Unit**	**Budget**	**Expenditure (APRIL20 to March 21)**	**%**
Mobile Medical Unit At Gadchiroli	Dental Unit	**2**	**27.91**	39.46	46.98
	Ophthalmic Unit	**2**	**21.24**		
	Pathology Unit	**2**	**34.83**		
	Total	**6**	**83.98**	**39.46**	**46.98**

For MMU 2020-21 Sanction for Central Share Amount Rs.83.98 Lakhs & Expenditure was Rs.39.46 Lakhs.

Approved PIP for 2021-2022 for three MMU Rs.39.00 Lakhs.

Medical & Dental Camps

The Medical & Dental Camps are organized in tribal areas of the state with the help of Specialists from Government and Private Medical Colleges. The Services of the Specialists like General Medicine, Surgery, Pediatrics, obstetrics& Gynecology, ENT, Orthopedic, Skin & V.D, Anesthesia& Dental facilities are provided in the camps. The programme has been organizing since 2015 -16 and there are 69 camps are approved in the pip for the financial year 2020-21out of which 50 camps will be conducted during 2020-21.

The patients identified by Medical Officers in Primary Health Centre & Rural Hospital are referred in the camps. These patients are in need of specialist's services and surgeries which are not routinely done in PHC and RH and there are to be performed in the camps. The patients referred from RBSK program & Sickle Cell Program, Malnourished Children, females with Gynecological problems and Pregnant Mothers with BOH, are examined by specialists and treated & given proper advice.

Camp is normally organize for four days, first day for OPD Screening, Second & Third days for Surgeries & on Fourth day Post-operative follow up is provided. Wide publicity of camps is made through Public Health Department. Camps schedule is intimated in advance to all Health Care providers.

Medical and Dental Camp Financial Report

Year	Approved Camps	Approved Budget	Expenditure in Lacs	%
2020-2021	69	277.38	**89.94**	32.42

For Medical and Dental Camps 2020-21 Sanction for Central Share Amount Rs.277.38 Lakhs & Expenditure was Rs.89.94 Lakhs.

Approved PIP 2021-2022 Rs. 289.90 Lakhs.

Maher Ghar Scheme

- In the state, many of the tribal padas are situated in hilly areas where roads are difficult to reach for immediate transportation of mothers for delivery to PHCs in emergencies.
- In most of the tribal areas, there is no mobile network coverage, which makes it even difficult to call ambulances for transportation. This is an important cause of high maternal and neonatal mortality in hilly and tribal areas.

- It is neither economical nor feasible to provide vehicles to each pada for transportation during emergency. There is no mobile phone coverage in remote tribal areas and landlines are out of order for prolonged time.
- In such situation since 2011-12, one room/ MaherGhar is functional in PHC premises where pregnant woman get admitted 3-5 days before her due date, to address above mentioned problems.
- The Maher Ghar scheme is being implemented in
  Thane Circle - Palghar (13),
  Nashik Circle - Nashik (2), Nandurbar (10),
  Latur Circle - Nanded (3),
  Akola Circle - Amravati (9), Yavatmal (2),
  Nagpur Circle - Gondia (13), Chandrapur (7), Gadchiroli (31).

Implementation strategy:

- A Pregnant woman is admitted in Maher room before four to five days of her expected date of delivery.
- The ANC mother in Maher room is daily examined by Medical Officer & Nurses of PHC and provides appropriate medical care and referral services in time, which ultimately reduces morbidity and maternal mortality.
- When labour starts, the woman is shifted to PHC for delivery. If any complications are detected during waiting period, the pregnant mother is transported to suitable higher referral center.
- Under MaherGhar Scheme, one room is constructed in PHCs premises. It has amenities like one sanitary block (Toilet and bathroom), one kitchen ota with smokeless Chulha and one solar water heater system.
- In maher room, mother along with her child and one relative can stay.
- The RKS of PHC is authorized to identify the Self-Help group or BPL, family from local village for cleaning and maintaining of Maher room and providing diet to the mother along with her child and one relative.
- **Financial Implications:**

  - ✓ Compensation for loss of daily wages to beneficiary (Rs. 250 per day per beneficiary for average stay 3 days),
  - ✓ Maintenance cost to SHG per delivery (Rs. 250 per day per beneficiary for average stay 3 days)is provided.
  - ✓ ASHA incentives Rs.200/- per beneficiary,

Under this scheme, in year 2020-2021 total 2739 pregnant women have been benefited. Approved budget for 2020-2021 is 25.00 lakhs and Expenditure is 20.90 Lakhs. Approved Budget for 2021-22 is Rs.62.32 Lakhs

For Maher Ghar Scheme 2020-21 Sanction for Central Share Amount Rs.25.00 Lakhs & Expenditure was Rs.32.25 Lakhs.

Approved PIP 2021-2022 Rs. 62.32 Lakhs.

National Urban Health Mission

NUHM is implemented in cities and towns with a population of more than 50,000 in all district headquarters and state capitals. The remaining towns will continue to be covered under NRHM. Total 95 cities are covered under NUHM (27 Municipal Corporations, 64 Municipal Councils, 4 Cantonment Boards and one District Headquarter-Alibaug). Community Interventions such as ASHA, MahilaAarogyaSamiti and RugnaKalyanSamiti are an important part of NUHM. The NUHM encourages the effective participation of the community in planning and management of health care services.

Innovations under NUHM:

- **RNTCP:** Fund provision of Nutritional supplement to TB patient in RNTCP especially MDR-XDR TB patients of Municipal Corporations.
- **Mobile Medical Unit (MMU):** Total 10 Mobile Medical Unit was approved in Maharashtra State i.e. 5 Mobile medical Units for Rest of Maharashtra & 5 Mobile medical Units for MCGM are approved and are made functional.
- **DILAASA Project to Mumbai City:** 11 DILAASA centers for victims of sexual abuse & domestic violence are made functional in 11 peripheral hospital of MCGM. Under NUHM required staff has been approved & recruited for DILAASA centers.
- **SNCU:** Human Resources and operational expenses are provided under NUHM for functioning of SNCU in 11 Government Medical Colleges (GMC).
- **SNCU in MCGM:** 12 Bedded SNCU is approved for MCGM Maternity home and is functioning in Mahim Matenity Home.

  For TSP 2020-21 Sanction for Central Share Amount Rs.3653.66 Lakhs & Expenditure was Rs.2976.00 Lakhs.

  Regarding 40% State Share For 2020-21 Rs.2435.77 lakhs &Expenditure was Rs.1984.00 lakhs.

Revised National Tuberculosis Control Programme

Tuberculosis (TB) is a disease caused by bacteria called as Mycobacterium Tuberculosis. It mainly affects lungs but can also affect all parts of body. TB spreads through air. When a person suffering from pulmonary tuberculosis coughs or sneezes, organisms are spread in air through droplets. As per Guidelines of Central Government, NTEP is being implemented in Maharashtra since 1998-99 in a phased manner. This programme is implemented all over the state since 2003. To implement this programme effectively State TB Society and 80 Districts/City TB Centers have been established.

Objectives of RNTCP –

1 To achieve 90% notification rate among all expected l TB cases in the society.

2 To achieve 90% success rate for all new and 85% for re-treatment cases

3 To significantly improve the successful outcomes of treatment of Drug Resistant TB cases

4 To achieve decreased morbidity and mortality of HIV associated TB

5 To improve outcomes of TB care in the private sector giving them treatment support.

This program has been included in the National Rural Health Mission Plan.

For TSP 2020-21 Sanction for Central Share Amount Rs.0.00 Lakhs & Expenditure was Rs.0.00 Lakhs.

Regarding 40% State Share For 2020-21 Rs.0.00 lakhs &Expenditure was Rs.0.00 lakhs.

National Vector Borne Diseases Control Programme

Malaria Control Programme is being implemented in the State since 1953. The mile stones of the programme are as under,

1953: National Malaria Control Programme

1958: National Malaria Eradication Programme

1977: Modified Plan of Operation

1979: Multipurpose Worker Scheme

1995: Implementation of Malaria Action Plan-1995

1997: Implementation of Enhanced Malaria Control Project in tribal districts EMCP.

1999: National Anti-MalariaProgramme

2004: National Vector Borne Disease Control Programme

From 2006 "National Rural Health Mission" (NRHM) was implemented in State. Under this scheme grants are made available for this programme. From 1st May 2013 NRHM changed as "National Health Mission"(NHM).

Goals of NVBDCP:

a. Reduction of mortality on account of Malaria, Dengue, Japanese Encephalitis (J.E.) & efficient morbidity control.

b. Elimination of Lymphatic Filariasis by 2020.

c. Elimination of Malaria by 2025.

This program has been included in the National Rural Health Mission Plan.

For TSP 2020-21 Sanction for Central Share Amount Rs.212.00 Lakhs & Expenditure was Rs.187.00 Lakhs.

Regarding 40% State Share For 2020-21 Rs.141.33 lakhs &Expenditure was Rs.83.33 lakhs.

Integrated Diseases Surveillance Project (IDSP)

Integrated Disease Surveillance Project (IDSP) was launched with World Bank assistance in November 2004 to detect and respond to disease outbreaks quickly. The project was extended for 2 years in March 2010. From April 2010 to March 2012, World Bank funds were available for Central Surveillance Unit (CSU) at NCDC & 9 identified states (Uttarakhand, Rajasthan, Punjab, Maharashtra, Gujarat, Tamil Nadu, Karnataka, Andhra Pradesh and West Bengal) and the rest 26 states/UTs were funded from domestic budget. The Programme is proposed to continue during 12th Plan as a Central Sector Scheme under NRHM from domestic budget only. In Maharashtra state surveillance units (SSU) have been established in state and District Surveillance Units in 36 districts.At the end of March 2019, the rate of leprosy is at 0.75 per ten thousand people (9,990 left after the end of March 2019).

This program has been included in the National Rural Health Mission Plan.

For TSP 2020-21 Sanction for Central Share Amount Rs.67.00 Lakhs & Expenditure was Rs.67.00 Lakhs.

Regarding 40% State Share For 2020-21 Rs.44.67 lakhs &Expenditure was Rs.44.67 lakhs.

National Leprosy Eradication Programme

NLEP is Centrally Sponsored. This programme is integrated in to General Health Care Service. The NLEP is implemented in the State by Govt/ Local bodies (ZillaParishad, Municipal Corporation and Municipal Councils) and Voluntary organizations. The State had achieved Leprosy elimination by end of Sep. 2005. Elimination means to reduce the Prevalence Rate (PR) of the state less than 1 per 10000 populations. Future Strategy in NLEP are:-

- To promote early case detection & prompt MDT.
- To further reduce the Leprosy Burden, Stigma & discrimination against people affected with Leprosy (PAL) & their family members.

- To provide quality Leprosy Services through General Health Care System (GHC) by creating strong referral system & by enhancing DPMR (Disability Prevention & Medical Rehabitation) Services.
- Capacity building of GHC Staff.
- IEC & advocacy for early self-reporting.
- Strengthening Monitoring & Supervision.

This program has been included in the National Rural Health Mission Plan.

For TSP 2020-21 Sanction for Central Share Amount Rs.177.00 Lakhs & Expenditure was Rs.99.00 Lakhs.

Regarding 40% State Share For 2020-21 Rs.118.00 lakhs &Expenditure was Rs.66.00 lakhs.

National Blindness Control Programme

National Programme for Control of Blindness (NPCB) was 100% centrally sponsored scheme, launched in the year 1976. Now it is 75% Central & 25% State Govt. share since 2012-13. The goal of this program is to reduce the prevalence of blindness from 1.4% to 0.3% by 2020. Rapid survey on avoidable blindness conducted under NPCB during 2006-07 showed reduction in the prevalence rate of blindness from 1.1% (2001-02) to 1% (2006-07). To implement the Programme successfully, State Health Society Maharashtra (Blindness Division) at state level & District Health Societies (Blindness Division) are establish in all the Districts of Maharashtra State including Bruhanmumbai Municipal Corporation as per the guidelines from Govt of India. The Programme was oriented mainly for Cataract Surgeries & Screening of School Children with provision of Spectacles to the students having refractive errors.

This program has been included in the National Rural Health Mission Plan.

National Mental Health Programme

Central Govt. has started "National Mental Health Programme in Aug, 1982. There are 4 Regional mental hospitals (Pune -2540 Beds), (Thane-1850), (Nagpur-940 Beds), (Ratnagiri-365 Beds) in the state having total 5695 bed strength. In all 34 district of Maharashtra. Under District Mental Health Programme (DMHP) 16 Districts have been implementing this DMHP programme. Also there is separate psychiatric wing in 14 Govt. Medical Colleges under DMER. Govt. of Maharashtra has started a special Health Programme for farmers called ―PRERNA PRAKALP in 14 suicide prone districts of Vidharbha&Marathwada region. State Govt. has also provided toll free Mental Health Help Line No. 104 since 26 Feb. 2015.

This program has been included in the National Rural Health Mission Plan.

National Programme for the Health Care of the Elderly

Govt. of India has initiated National Programme for Health Care of the Elderly (NPHCE) with 80% Central Govt. and 20% State Govt. financial share. Dedicated facilities at District Hospital with 10 bedded wards, additional human resources, machinery & equipment, consumables & drugs, training and IEC.Strengthening of 8 Regional Medical Institutes to provide dedicated tertiary level medical facilities for the Elderly, introducing PG courses in Geriatric Medicine, and in-service training of health personnel at all levels.

This program has been included in the National Rural Health Mission Plan.

National Programme for Prevention & Control of Deafness

The Programme was a 100% Centrally Sponsored Scheme during 11th Five Year Plan. However, in as per the 12th Five Year Plan, the centre and the States will have to pool in resources financial norms of NRHM mutas mutandis. The Programme was initiated in year 2007 on pilot mode in 25 districts of 11 State/ UTs/ the Programme have been expanded to 192 districts of 20 States/ UTs. In the 12th Plan, it is proposed to expand the Programme to additional 200 districts in a phased manner probably covering all the States and Union territories by March, 2017.

COMPONENTS OF THE PROGRAMME:-

1) **Manpower training and development** – For prevention, early identification and management of hearing impaired and deafness cases, training would be provided from medical college level specialists (ENT and Audiology) to grass root level workers.

2) **Capacity building** – for the district hospital, community health centers and primary health center in respect of ENT/ Audiology infrastructure.

3) **Service provision** – Early detection of hearing impairment and deafness, management of hearing and speech impaired cases and rehabilitation (including provision of hearing aids), at different levels of health care delivery system.

4) **Awareness generation through IEC / BCC activities** – for early identification of hearing impaired, especially children so that timely management of such cases is possible and to remove the stigma attached to deafness.

This program has been included in the National Rural Health Mission Plan.

National Tobacco Control Programme

In 11th five year plan in the year 2007-08 Ministry of Health & Family Welfare, Govt of India has started National Tobacco Control Programme. The programme was launched in 21 states covering 42 districts in a phased manner. In Phase-I of the programme, support was extended for setting up state as well as district cells. In 2009-10, National Tobacco Control Program was implemented as Pilot project in Thane & Aurangabad. State Tobacco Control Cell (STCC) has been formed in the

Directorate of Health services, Mumbai and Joint Director (NCD) is a State Nodal Officer (SNO) for this programme. As the oral health cell has been newly formed, the deputy director oral health is also involved in the program. SDG for tobacco: Relative reduction in prevalence of current tobacco use by 15 % (target for 2020) and further reduction by 30% (2025).

This program has been included in the National Rural Health Mission Plan.

National Oral health Programme

Given the burden of oral diseases in our country and their impact, oral diseases need to be paid attention along with prevention and control of other non-communicable disease under NHM. World Health Assembly in 2005 included Oral Health with other non-communicable diseases (NCDs) for health promotion and disease prevention strategies.

Goals and Objectives of the NOHP

1. Improvement in the determinants of oral health e.g. healhy diet, oral hygeine improvement etc. and to reduce disparity in oral health accessibility in rural and urban population.
2. Reduce morbidity from oral disease by strengtherning oral health services in sub district/district hospitals to start with.
3. Integrate oral health promotion and preventive services with general health care system and other sectors that influence oral health; namely various National Health Programmes (National Tobacco Control Programme, State child health Programme, National Program for prevention and control of fluorosis, National Program for Prevention and Control of CVD, Diabetes and stroke etc.) education, social welfare, women and Child Development, etc.
4. Promotion of Public Private Partnerships (PPP) for achieving public health goals.

This program has been included in the National Rural Health Mission Plan.

For TSP 2020-21 sanction for Central Share for (NPCB, NMHP, NPHCE, NTCP, NOHP & NPCDCS) Amount Rs.249.00 Lakhs & Expenditure was Rs.249.00 Lakhs.

Regarding 40% State Share for (NPCB, NMHP, NPHCE, NTCP, NOHP & NPCDCS) 2020-21 Rs.166.00 lakhs &Expenditure was Rs.0.00 lakhs.

National Programme for Prevention & Control of Cancer, Diabetes, Cardiovascular Diseases & Stroke (NPCDCS)

In India Non-Communicable Diseases is increasing tremendously. So GOI initiated NPCDCS program (National Program for Prevention and Control of Cancer, Diabetes, CVDs & Stroke) in 100 districts of India. The Govt of Maharashtra with the assistance from Govt. of India NPCDCS programme is implemented in following districts:- Wardha, Washim, Amravati, Bhandara, Chandrapur, Gadchiroli, Nandurbar, Osmanabad, Parbhani, Satara, Sindhudurg, Thane, Pune, Nashik, Jalna, Nanded, Ratnagiri.

OBJECTIVES

 Prevent and control common NCDs through behaviour and life style changes,

 Provide early diagnosis and management of common NCDs,

 Build capacity at various levels of health care for prevention, diagnosis and treatment of common NCDs,

 Train human resource within the public health setup e.g. doctors, paramedics and nursing staff to cope with the increasing burden of NCDs, and

 Establish and develop capacity for palliative & rehabilitative care strategies

STATEGIES

The Strategies to achieve above objectives are as follows:

 Prevention through behavior change

 Early Diagnosis and Treatment

 Capacity building of human resource

 Surveillance, Monitoring & Evaluation

This program has been included in the National Rural Health Mission Plan.

NAVSANJIVANI SCHEME

Preamble:

To bring about co-ordinated efforts and effectiveness in the implementation of various schemes, which were implemented in tribal areas, the government aggregated all such schemes and started Navsanjivani Yojana as per G.R. dated 25/6/1995. Health related activities in this scheme include filling up of vacant posts, keeping vehicles in good condition, provision of medicine & equipments in adequate quantities, pre-monsoon surveillance of tribal villages & padas and implementation of preventive & curative services, monitoring of water chlorination activity, health check-up of Anganwadi children by Medical Officers.

Aims & Objectives:

Improve the health of population in Tribal areas by providing them health services, clean water, by providing food supply, giving proper treatment to malnourished children and ultimately giving productive and long life to tribal population and to reduce maternal and Neonatal morbidity and mortality.

Implementation of Programme:

Under this programme various health services are being provided to tribal population at Sub-center, Primary Health Center level, village level since 1995. Various activities are carried out through this programme.

a. Matrutva Anudan Yojana
b. Mobile Medical Squad
c. Dai Meetings

d. Water Quality Monitoring

e. Pre Monsoon Activities

Health Institutions in Navsanjivani Area:

Under Navsanjivani Yojana free services are given to patients in tribal area by Rural Hospital, PHC, Sub Centere, and Ayurvedic Hospital. Health Services are also provided by Mobile units.

Health Institutions in Navsanjivani Area

Total Districts	16
Total Blocks	78
Sub District Hospital	21
Rural Hospitals	103
Primary Health Centres	340
Sub Centres	2018
Total Villages	6148
Anganwadis	13681
Total Dais	9352

Various schemes under Navsanjivani Yojana:

A. Matrutva Anudan Yojana:

This scheme is being implemented in 16 Tribal districts. A pregnant women is paid Rs. 400 /- in cash for visiting health center for antenatal check up along with medicines worth Rs. 400/- to ensure a better health. This Scheme is applicable to tribal women having current pregnancy and two living issues. During year 2020-21 (upto Jun 2021) out of 25708 mothers, 1106 mothers are given benefit against approved Budget of Rs.66.70 lakhs and Expenditure Rs.4.70 Lakhs is reported.

B. Mobile Medical Squad:

Total 281 Mobile Medical squads have been constituted with one Medical Officer with a vehicle and Para-Medical staff to visit designated villages and hamlet to identify malnourished and sick children and provide medical health and if required to refer them to the nearest health center. Since year 2016-17 Medical Officers are being provided Rs. 18000/- per month through RCH PIP (NHM) funds in additon to Rs. 6000/- honorarium.

Recently 108 Mobile Medical squads are sanctioned vide GR no.sankirna-2016/C. R.252/ Arogya-3 dated 9-02-2017 in 9 districts of Maharashtra namely Palghar, Pune, Nashik, Dhule, Nandurbar, Nanded, Gondia, Gadchiroli & Chandrapur.

During year 2020-21 (upto Jun 2021), 228 number of Bharari Pathak are working & Budget Rs.541.46 lakhs and Expenditure Rs. 82.61 Lakhs.is reported.

C. Dai Meetings:

In tribal & remote area deliveries are conducted by Dais in some villages. Dai meetings are conducted at PHC level to improve the knowledge level of Dais for 100% registration of deliveries & new born children, and also to identify high risk mothers & new born children. In the year 2020-21 (upto Jun 2021), 944 Dai Meetings were conducted in which 4582 Dais were persent. Budget provision for this activity is Rs. 23.48 Lakhs and Expenditure incurred is Rs. 15.39 Lakhs.

D. Pre Monsoon Activities:

Accessibility in tribal area is a problem in monsoon season due to geographical situation of area & limited transport facilities. Hence it is planned to conduct Health check up, immunization/ nutritional assessment of all children in said area. In the month of May & June, various Mobile Medical Squads are deputed in hilly areas to facilitate uninterrupted treatment, vaccination, referral services.

Integrated Mahatma Jyotirao Phule Jan Arogya Yojana and Ayushman bharat- Pradhan Mantri Jan Arogya Yojana

United India Insurance Company Ltd (UIICL), a public sector undertaking has been selected through an open e tender to implement the integrated Mahatma Jyotirao Phule Jan Arogya Yojana (MJPJAY) and Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) in the state. A memorandum of understanding has been signed with UIICL and the revised integrated scheme is being implemented in the state from 01.04.2020.

The number of hospitals empanelled under the integrated scheme is 986. The scheme covers 996 treatment packages for the beneficiaries of MJPJAY and 1209 treatment packages for the beneficiaries of PMJAY. While finalizing the 996 common treatment packages between both the schemes, out of 971 treatments 116 low uptake and duplicate procedures have been excluded and 141 packages have been newly included in the scheme. Integrated scheme includes knee and hip replacement surgery (knee and hip replacement). Therefore, a total of 996 types of treatments are now available under this scheme. Also, in four aspirational districts and tribal talukas one grade higher (C to B and B to A) is allotted to the hospital after empanelment.

As per the MoU signed with United India Insurance Company, the integrated scheme has 2,22,08,948 beneficiary families. Although the two schemes are being implemented jointly, for the

PMJAY (40 per cent) are budgeted by the state government and matching 60 % premium share is received from the Central Government.

Out of the total number of 2,22,08,948 families in the integrated scheme, considering the number of families fixed by the National Health Authority for Pradhan Mantri Arogya Yojana, the remaining ration card holders are included in the Mahatma Jyotirao Phule Jan Arogya Yojana. The insurance premium is paid to the insurance company accordingly.

As per the demi-official letter dated 8.09.2020 from the Deputy Chief Executive Officer, National Health Authority, out of the total 2,22,08,948 ration card holders, 83,63,664 are beneficiaries of PMJAY.

In order to provide insurance cover up to Rs.1.5 lakh to the beneficiary families of both the above schemes premium of Rs.797/- per family per annum is paid to United India Insurance Company as per the clause no. 8 and 16 of the Memorandum of Understanding.

Considering the total number of 1,38,45,284 beneficiary families for Mahatma Jyotirao Phule Jan Arogya Yojana, under tribal sub-plan considering 9% of Scheduled Tribes population as per 2011 census, funds have been sought under Accounts 2210G289 (Tribal Sub Plan) considering 12,46,076 tribal population beneficiaries of MJPJAY in the financial year 2020-21. For year 2020-21 budget amount is Rs.9751.69 lakhs and expenditure is Rs.9028.19 lakhs incurred.

Considering the total number of 8363664 beneficiary families of PMJAY, under tribal sub-plan considering 9% of Scheduled Tribes population as per 2011 census, funds have been sought under Accounts 2210G289 (Tribal Sub Plan) considering 7,52,729 tribal population beneficiaries of PMJAY in the financial year 2021-22. Grants are sought for Pradhan Mantri Jan Arogya Yojana for 40 per cent share of the state government. In the financial year 2020-21, out of the budgeted provision of Rs. 24.58 crore for insurance premium payment, Rs. 24.00 crore has been disbursed. Under Account Head 2210G494 (Tribal Sub Plan) for the financial year 2021-22 Rs. 15.00 crore was budgeted. Also in the monsoon session Rs.09.06 crore was budgeted hence total Rs.24.06 crore has been budgeted. Out of which Government Resolution has been issued regarding distribution of grant amounting to Rs. 06.05 crore dated 28.07.2021.

As per government resolution dated 23rd May, 2020, on the backdrop of Covid 19 epidemic, benefit of Mahatma Jyotirao Phule Jan Arogya Yojana is being provided to all the citizens of the state. Vide GR dated 26.08.2021 benefits have been extended to citizens till 30.09.2021 except provision of opening of 120 Government reserved procedures to Private empaneled hospitals. As per the attached table, under this integrated scheme, a total of Rs. 102.09 crore has been treated in the tribal talukas in the year 2018-19 and a total of Rs. 114.37 crore in the year 2019-20 & Rs.90.28 crore Expenditure in the year 2020-21.

Malaria, Filaria & Waterborne Diseases, Pune

There are two tribal schemes under National Malaria Elimination Programme since year 2009-2010 functioning at district level. The information of these two schemes is as follows:-+

Tribal Sub Plan Major Scheme code No 2225 E Sub-head code No TR- 220002 (TSP) (Old code no. 22102864) and Outside Tribal Sub Plan Major Scheme code No 2225 E Sub-head code No TR-220005 (OTSP) (Old code no.22103726) are the two schemes under National Malaria Eradication Programme. To reduce Malaria cases, to avoid deaths due to Malaria and to prevent any impact on industrial and agriculture work due to Malaria are targets for which these schemes are implemented. To achieve these targets regarding Malaria control, Budget received at district level from Tribal Department is utilized for Tribal area to procure essentials like pricking lancets, alcohol spirit swabs, Micro slides, RDK Kits, Lambda Powder, Temiphos, Laboratory Materials and Antimalaria Insecticides etc by Concerned District Malaria Officers at District Level. A technical sanction is approved by the office of The Director Health Services, Mumbai and after receiving it, the administrative sanction is approved by the Concerned District Collectorate and the purchase procedure is then completed.

OBJECTIVES OF THE PROGRAMME –

In the period of 1953 to 1958 National Malaria Control Programme (NMCP) was established. In 1958 NMCP is converted to National Malaria Eradication Programme (NMEP) in Maharashtra state. Since in 1965 it is observed that there was rise in trend of Malaria cases, the Modified Plan of Operation was implemented from 1977.

OBJECTIVES OF THE MODIFIED PLAN OF OPERATION -

a. To reduce morbidity due to malaria.
b. To prevent deaths due to malaria.
c. Industrial & Agricultural Development activities should not be affected due to malaria.

d. The gains achieved so far should be maintained.

GOALS OF NVBDCP:

a. Reduction of mortality on account of Malaria, Dengue, Japanese Encephalitis (J.E.) & efficient morbidity control.
b. Elimination of Lymphatic Filariasis by 2021.
c. Elimination of Malaria by 2022.

Expenditure of Rupees 515.80 (Lakh) has been done out of the total sanctioned budget Rs. 797.78 and Final modified Grants of Rupees 529.05 (Lakh) under Tribal Sub Plan 2225 E Sub-head code No TR-220002 (TSP) (Old code no. 22102864) whereas Expenditure of Rupees 135.56 (Lakh) has been done out of the total sanctioned budget of Rupees 230.81(Lakh) against Final modified Grants of Rupees 151.75 (Lakh) under Outside Tribal Sub Plan Scheme code No 2225 E Sub-head code No TR- 220005 (OTSP) (Old code no.22103726) (OTSP) during the Financial Year 2020-21.

The total budget sanctioned under Tribal Sub Plan 2225 E Sub-head code No TR- 220002 (TSP) (Old code no. 22102864) from Tribal Department is Rupees 668.39 (Lakh) and the total budget sanctioned under Outside Tribal Sub Plan Scheme code No 2225 E Sub-head code No TR- 220005 (OTSP) (Old code no.22103726) (OTSP) is 230.00 (Lakh) for the Financial Year 2021-22. Expenditure of both tribal schemes is **Nil** up to July 2021.

18) INDUSTRY AND MINERALS

1. DISTRICT INDUSTRIES LOAN SCHEME

The objective of the scheme is to provide financial assistance in the form of margin/seed money for the promotion of tiny industries in semi-urban and rural areas with a view to generate employment opportunities including self-employment.

Margin money assistance is admissible only to those units whose investment in plant & machinery does not exceed Rs.2 lakhs. All towns and rural areas having population of less than 1 lac are covered under the scheme. The extent of assistance is 20% of the total investment is Rs. 40,000/- whichever is less. In case of entrepreneur belonging to general category, and in case of entrepreneur belonging to scheduled caste & scheduled tribe assistance upto 30% of total fixed capital investment or up to maximum of Rs. 60000/- whichever is less is provided. All units falling within the view of the Small Scale Industries Board and Village Industries, handicrafts, handlooms, Silk & Coir Industries are covered under the scheme.

The State Government's rate of interest on this loan is 4% and repayment is to be done within 7 years. This scheme is particularly useful for rural artisans.

An outlay of Rs. 16.00 lakhs is provided for the year 2020-2021 and expenditure incurred is Rs. Nil (Since due to epidemic Covid-19 the scheme has given a stay for the financial year 2020-21 & only last year's pending cases were disbursed so no fresh cases are consider.

2. Revised SEED MONEY SCHEME

The objective of the scheme is to encourage unemployed persons to take up self-employment ventures through industry, service and business, by providing soft loans to meet part of the margin money to avail institutional finance.

Eligibility:

Local unemployed person or group of persons fulfilling.

(1) Age Group : 18 to 50 years

(2) Qualification: Std VII pass.

(3) Domiciled in the State of Maharashtra for the last 15 years.

Scope –

As per Government Resolution dated 18th May 2007, the Government of Maharashtra has made the following changes in the earlier Seed Money Scheme.

- Project cost increased from to Rs. 10 lakhs to 25 lakhs for industry, service and business activity.
- Seed Money assistance at 15 % of the project cost approved by financial institutions is offered. In case of projects up to Rs.10 lakhs, the quantum of assistance is 20% for SC/ST/OBC/NT/VT/Handicapped.
- Seed Money component up to 3.75 lakhs maximum.
- Bank loan 75% of the project cost.
- The rate of interest on seed money is 6% per annum and if the borrower repays installment regularly and within schedule time, then the borrower will get rebate of 3% in interest. So he has to pay only 3% interest. Hence for regular repayment interest of 3% per annum.
- If the installment is not repaid in time, it will attract 1% penal interest.

The repayment of loan starts after three years in four yearly installments for industry cases. In other cases repayment starts after six months of loan availment.

An outlay of Rs.50.04 lakhs is provided for the year 2020-2021 and expenditure incurred is Rs. 0.50 lakh. (Since due to epidemic Covid-19 the scheme has given a stay for the financial year 2020-21 & only last year's pending cases were disbursed so no fresh cases are consider.)

19) ROADS AND BRIDGES -

During the year 2020-2021 budget provision of Rs. 41762.39 lakhs was made under Tribal sub Plan and an expenditure of Rs. 41687.39 lakhs was incurred for Road and Bridgework.

The State Government also takes up road works through the help of Boarder Road Organization in the most sensitive areas of Gadchiroli and Bhandara districts.

20) IRRIGATION (Water Resources Department)

The main occupation of the tribals in the State is agriculture. Despite irrigation facilities existing in tribal areas are inadequate. Moreover, the command areas of the irrigation projects usually lie in the plain lands whereas the tribal mainly resides in the hilly areas. Therefore, the Major benefits of these projects predominately go to non-tribal land holders. The increase in agricultural production is inestimably linked with increase in irrigation facilities in the State. The flow of benefits from the major and medium irrigation projects to the tribal are usually negligible on account of the reasons mentioned above and hence it is quite necessary to give the highest priority to minor irrigation works in the Tribal Sub Plan areas.

1) Irrigation Development Corporation
2) Minor Irrigation Projects in the State Sector
3) Minor Irrigation Projects in the local Sector

WATER RESOURCES DEPARTMENT

There are 68 Major / Medium & Minor irrigation projects from Water Resources Department being funded through Tribal Sub Plan. These projects satisfy the laid down criteria of more than 50% of area & 50% of beneficiaries belong to tribal. Out of the projected potential of 106788.50 Ha. of these projects 73091.63 Ha potential is created up to March 2021.

Irrigation projected provides assured irrigation facilities to the tribal land which facilitate increase of crop production thereby upliftment of tribal. These projects also become source of drinking water for human and animal consumption.

Scheme wise details are given in following paragraphs State Plan

1. EXPANSION PLAN OF TRIBAL ITI: -

Due to change in Technology and Production process as well as specific Trade skilled worker in service sector, to achieve this goal it is necessary to introduce New Trades Tribal, construction of State level and also for continuity and new works and Tribal ITI Buildings. In this programme 12 scheme introduce

various schemes is included. Which are 28 Ashramshala, Nirvaha stipend for tribal students in ITI Magel Tyala Vyawsai Prashikshan. Additional trades for women in existing ITI, Hostel facilities for tribal students and construction of Hostel buildings in Tribal Areas for this scheme Rs.1.40 lakhs provide for construction by workshop and administrative building on state level. An outlay of Rs. 3454.31 lakhs (District Level) is provided for the year 2020-2021 and expenditure incurred is Rs. 2185.15 lakh.

2. PROCUREMENT OF DIFFICIENT EQUIPMENTS IN EXISTING ITI

The training need based and unless updated the same cannot sustain to the industrial world. Updating of curriculum results in new tools equipments and machineries are to be purchased. Further normal use of such tools leads to their wear and tear which ultimately results in need for new tools. Thus revision of syllabus, advance technology and normal results in deficiency of tools and equipments. In Maharashtra there are 56 Govt. ITI's in tribal sub plan which will need to procure deficient equipment. Moreover, to replace of worn-out machine tools, hand tools, etc. from old institutes. An outlay of Rs. 423.59 lakhs is provided for the year 2020-2021 and expenditure incurred is Rs. 108.32 lakh.

3. **CONSTRUCTION OF WORKSHOP & ADMINISTRATIVE BUILDING /HOSTEL BUILDING /ESTABLISHMENT OF NEW ITI'S**

There are 56 Govt. ITIs functioning in the State under Tribal Sub-Plan. Out of which 43 Government ITIs are having their own workshop and Administrative Building. 11 Institutes are running in private buildings on rental basis. An outlay of Rs 1237.36 lakhs is provided for the year 2020-2021 and expenditure incurred is Rs. 280.39 lakh.

4. **INTRODUCTION OF ADDITIONAL SEATS IN EXISTING ITI AND EXPANSION OF EXISTING ITI.**

In order to take advantage of certain skill are as in the context of technological advancement as well as developments in other sectors viz. Electronics, Industry, Creation of T.V.Transmission Centers, Refrigeration and Air Conditioning development of petrochemical complexes, Plastic Technology, as also to train manpower in the field of Electronics for Computer services, additional seats have been introduced in existing ITIs. An outlay of Rs. 0.00 lakhs is provided for the year 2019-20 and expenditure incurred is Rs. 0.00 lakh.

5. **INTRODUCTION OF TRADE OF MORE DEMAND IN LIEU OF TRADES OF LESS DEMAND.**

For arranging need base training programmes and to establish strong linkage between training and employment opportunities, review of the training courses in different old ITIs of Tribal Sub-Plan for starting new trades becomes essential. Such change over creates enough flexibility in training system and it becomes need oriented. It also helps to remove the imbalance between the skill and the training

facilities available. Such diversification is need based. An outlay of Rs. 0.00 lakhs is provided for the year 2020-2021 and expenditure incurred is Rs. 0.00 lakh.

6. ESTABLISHMENT OF NEW ITI.

An outlay of Rs. 807.60 lakhs is provided for the year 2020-2021 and expenditure incurred is Rs. 533.39 lakh.

23. TECHNICAL EDUCATION: -

Technical education system has been reorganized by the State through the introduction of improved technologies and supply of adequate technical and managerial manpower to this sector. The planning for technical education is based on the projections of future technological development, the social relevance etc. In the Tribal sub plan area, emphasis has been given on vocationalisation of education at the stage and development of facilities in pre-secondary school certificate (SSC) vocationalisation of education. An outlay of Rs. 92.00lakh has been provided for this sector in the year 2020-2021. The scheme details are as follows.

1) VOCATIONAL EDUCATIONS:

A) In order to motivate the trainees get for self-employment or employment after completion of the higher secondary education and to divert them from the University Education, the scheme of Vocationalisation of Education at +2 stages has been introduced. The main aim is to give useful education at the level of secondary and even after completion of the secondary education. In this scheme **i)** Technical ii) Commerce iii) Agriculture iv) Food Technology v) Fisheries and vi) Para-medical, total 18 different subjects have been introduced by Maharashtra State Board of Secondary & Higher Secondary Education, Pune.

B) The Central Government had announced its new education policy in 1986 and opined that emphasis should be laid in the vocationalisation at +2 Stage higher secondary level, accordingly the State Government has started Minimum competency based vocational courses from 1988-89 in following 6 different groups i) Technical ii) Commerce iii) Agriculture iv) Food Technology v) Fisheries and vi) Para-medical, at present 27 competency based vocational subjects are started taught in the 8th and 9th five year plan.

Since the inception of this scheme, 2 Government and 64 private junior colleges from the TSP area has introduced in this scheme. An outlay of Rs. 11.34 lakhs is provided for the year 2020-2021 and expenditure incurred is Rs. 0.00 lakh.

2. ENHANCEMENT OF FACILITIES IN PRE SSC VOCATIONAL EDUCATION-

There are 13 Government technical High Schools / centers running in the TSP Areas in the state, with a total intake of 3684 students. All these centers are established exclusively for giving the benefit of technical education at the Pre-SSC stage for the student in tribal areas. To remove the

deficiency of machinery and equipment and complete the uncompleted building construction works. An outlay of Rs. 803.35 lakhs is provided for the year 2020-2021 and expenditure incurred is Rs. 303.33 lakh.

24) URBAN DEVELOPEMENT

TOWN PLANNING AND VALUATIONAL DEPARTMENT

In accordance with the guidelines issued by the Central Government, State Government has adopted certain identifying areas under the Tribal Sub-plan in the year 1975-76 and implemented with effect from 1st April 1976. There are 10 Municipal Towns in the Tribal Sub-Plan area which are included in Thane, Nasik, Nandurbar, Amravati & Yavatmal districts.

The Development plans for Municipal towns are sanctioned under the provisions of Maharashtra Regional and Town Planning Act, 1966. The State Government has initiated the scheme viz. UD-6(a) scheme for Financial Assistance to the Municipal Councils for implementation of the Development Plan proposal way back in the year 1964. In the course of time, this scheme has become integral part of the District Plan. The scheme is also made applicable to the Municipal Councils in tribal area. Under this scheme Financial Assistance is granted to Municipal Councils in the form of both Grant-in-aid and loan for the sites reserved in the Development Plans depending upon the Class of Municipal councils. For C-1 class Municipal councils having population less than 15000 souls 100% Grain-in-aid is given for their non-remunerative works and accordingly special attention is being paid to the Tribal Municipal Towns.

The priority list of sites which are to be implemented under this scheme, is as mentioned below-

1. Acquisition of lands for various purposes.
2. Market & weekly Bazaar.
3. Schools & construction of Roads.
4. Dispensary and Hospitals.
5. Burial & Cremation Grounds, Slaughter houses.
6. Library
7. Parks and Gardens
8. Social Welfare Centers
9. Construction of Public Latrines & Urinals.

The statement showing release of loans &grants released by the State Government since 1994-95 to 2020-2021 is as follows.

CHAPTER IV

ANTI-EXPLOITATIVE MEASURES

The State has a long tradition of protecting the interests of Tribals by providing suitable legal protection in all spheres of life wherever there is a possibility of exploitation.

- **Legislative Measures for the Protection of the interest of Tribal in Land.**

(A) The Bombay Land Revenue Code, 1879

During the latter part of the nineteenth century, in some notified areas within the British administered Bombay Presidency/Province, restrictions were imposed on the transfer of land belonging to backward communities including tribals. To achieve this objective, an amendment to the Bombay Land Revenue Code, 1879 was made in 1901 by incorporating two new sections, viz. 73-A and 79-A. Under section 73-A, in certain tracts or villages, where the original survey and settlement had not been introduced, Government issued a notification, declaring that the occupancies shall not be transferable without the prior sanction of the Collector, after the date of such notification. Accordingly, a notification was issued in 1902 covering certain villages of the State. The restriction was made applicable only to the lands held by members of the backward communities and excluded those held by Brahmins, Baniyas, Marwaris, Prabhus, etc. Under Section 79-A provision was made for summary eviction of person occupying such lands, in an unauthorized manner.

(B) The Maharashtra Land Revenue Code 1966

The Maharashtra Land Revenue Code, 1966, a unified Code for the State of Maharashtra, was brought into force with effect from 15th August, 1967. Restrictions were imposed under Section 36 of the said Code on alienation of land belonging to tribals.

Sub-Section (2) of the aforesaid section 36 provided that occupancies of persons belonging to such STs as may be notified by Government, shall not be transferred except with the previous sanction of the Collector. Sub-Section (3) further provided that if any transfer has been made in contravention of sub-section (2), the transferor or his heir may apply to the Collector within 2 years of the date of such transfer for restoration of the land. The Collector on receipt of such application had to determine in the prescribed manner the liabilities for arrears of land revenue or any other dues forming charge on the land and restore such land to the tribal, on his acceptance to pay such amount. The major weakness of the above provision was that the Collector had no powers to restore the land to the tribal (original owner) (i) if the application was made two years after the transfer and (ii)if the tribal applicant declined to agree to pay, bear the arrears of land revenue and other charges towards the dues on the land.

It was, however, observed that despite these provisions, transfer of land from tribals continued. In 1971, the State Government, therefore, set up a Committee under the Chairmanship of the Revenue Minister, Shri H. G. Vartak, to enquire into and report on how far the provisions of the Maharashtra Land Revenue Code, 1966 and the relevant tenancy laws had been

effective in giving protection to people belonging to the ST communities and to suggest remedial measures hetherto.

The Committee in its report observed that, despite the provisions made under the sub-sections (2) and (3) of Section 36 of the Maharashtra Revenue Code, 1966 transfer of tribal's lands to non-tribals continued. These transfers, according to the Committee, broadly fell into two categories: (a) transfer to non-ST persons in clear violation of the provisions of Section 36 (2) of the Maharashtra Land Revenue Code, 1966 and (b) under the provision of Section 36 (b) of the Maharashtra Land Revenue Code, non-tribals could obtain the land of a tribal on lease with the permission of the Collector if the tribal holder was sick and/or unable to cultivate/disabled from cultivating the land.

A number of non - ST persons took undue advantage of the above provisions of Section 36 (2) of the Code and took lands belonging to tribals on lease and occupied the same for the period required to claim the status of a tenant. Later on such non-tribal tenants lawfully acquired ownership rights in the land under the tenancy laws through the Tenancy Courts.

The Committee made certain other important recommendations though not directly connected with the prevention of further alienation of lands. These were mainly for the restoration of alienated lands to them. Among them, the Committee suggested an amendment to section 36 of the Maharashtra Land Revenue Code, 1966 seeking to provide that the Tribal Lands obtained by the non-tribals by way of transfer made on or after 26th January,1950, be deemed to be unstatutary mortgages for a period not exceeding 20 years from the date of the transfer. On the expiry of this period or on the payment of the amount found due and payable by the transferor in respect of the mortgage, the land be restored by the Revenue Officer to the ST person, i.e. the transferor. The Committee also recommended that tribal's lands purchased by non-tribals under the Bombay Tenancy and Agricultural Land Act, 1948, be restored to them, and suggested necessary amendments to the Tenancy Act, 1948, to remove legal obstacles, if any to implement this.

The above recommendations of the Committee were examined by the State Government and two important legislations were enacted in order (a) to prohibit transfer of land by tribals and, (b) to restore alienated lands. These legislations were:

(i) The Maharashtra Land Revenue Code and Tenancy Laws Amendment Act, 1974 (Mah. XXXV of 1974)

(ii) The Maharashtra Restoration of Lands to Scheduled Tribes Act, 1974 (Mah. XIV of 1975).

(C) The Maharashtra Land Revenue Code and Tenancy Laws (Amendment) Act, 1974

The Act came into force with effect from 6th July, 1974. It deals with restoration of tribal's land illegally transferred to non-tribals. By this Act, Section 36 (3) of the Maharashtra Land Revenue Code, 1966 was amended to provide for restoration to a tribal, is land illegally alienated to a non-tribal, before the 6th July, 1974. Another new Section 36-A inserted in the Code, by this Amendment Act, imposes restrictions on future alienation of land belonging to tribals by way of sale (including sales in

execution of a decree of a Civil Court or award of any Tribunal or Authority), with effect from 6th July, 1974.

Also tribals have been prohibited from transferring their lands by way of gift, exchange, mortgage, lease or otherwise, without prior permission of the Collector, which in turn requires the approval of the State Government. Such permissions are required to be granted by the Collector only on satisfying the conditions prescribed by the Government in this regard. The Collector has to satisfy himself, that no other tribal from the same village or within a radius of 5 Kms. of such village is prepared to accept the tribal's land for the same consideration as offered by the non-tribals. The Act also provides that if any tribal's land is taken by a non-tribal, in contravention of the above restrictions then the Collector is empowered to declare such a transfer as invalid and the said lands, stand forfeited to Government free from all with effect from the date of such declaration. Then the Collector has to re-grant such land to the original tribal land-owner(s) or his successor(s)-in-interest, for personal cultivation. A nominal price up to 48 times of the assessment was to be charged. However, the total holding of such tribal, inclusive of lands held by him as owner, tenant or lease should not exceed one economic holding, i.e. 16 acres of dry crop land. The non-tribal who has taken any land belonging to a tribal on lease after the 6th July, 1974, with the permission of the Collector does not acquire a statutory right to the purchase of tribal land under the Tenancy Laws, as per this amendment. Such land is to be restored to the tribal (original owner), after the expiry of the lease/mortgage period. The law further provides that the land of a tribal should not be auctioned for recovery of Government dues; instead it should be taken under management and leased to a tribal.

(D) The Maharashtra Restoration of Land to Scheduled Tribes Act,1974

The Act provides for restoration of such tribals' lands, involved in legal and valid transfers including exchanges, affected between 1st April, 1957 and 7th July, 1974. Lands purchased or deemed to have been purchased by non-tribals during the above period under the provisions of the Tenancy Act (including acquisition of land regularized on payment of penalty under Tenancy Laws), are also covered by this Act. The Act has been with effect from 1st November, 1975. District wise valid transfers of land, restored to Scheduled Tribe cultivators up to 1999-2000 are shown in the following Table No.4.1.

Table 4.1

Statement showing district wise valid transfers of land restored to Scheduled Tribe Cultivatiers up to the year 2020-21

Sources: Revenue & Forest Department, Mantralaya, Mumbai.

All these Acts have been applicable to all cases involving tribals in the State whether living within the Scheduled Area or outside. However, these provisions have excluded the land put to non-agricultural use by the non-tribal transferee, before 6th July, 1974.

The administrative responsibility for the implementation of these legal provisions lies with the Revenue Department of the State Government. Detection of tribal land alienation cases has been entrusted to the Tahsildars of each tahsil. The Tahsildars have also been empowered to exercise the powers of the Collector under these Acts in the matter of enquiry and final disposal of cases in ordering restoration of the lands to the tribals. Appeals against the order of the Tahsildar lie with the Maharashtra Revenue Tribunal. The Collector supervises the work of the Tahsildar and takes a review of the progress made in his monthly meetings. The monitoring of work is also done by the Divisional Commissioners who have been empowered to undertake suo-moto revision of cases where appeals have not been filed in the Maharashtra Revenue Tribunal.

In order to enable the tribals to pay the compensation for the land restored to them, a scheme of financial assistance is being implemented. Under this scheme the tribals are given interest free loans, equal to 6 times the amount of assessment of the land, plus the value of improvements, if any. The loan is to be repaid in 12 annual installments. The remaining amount equal to 42 times the assessment is given as subsidy.

A) Important Law and Order incidents occurred during April 2018 to March 2019 in the Scheduled Areas of the State:-

1.	**Five persons lynched by mob on suspicion of being child lifters at Rainpada, Tal- Sakri (Dhule) :-** **Incident :-** On 01-07-18, a group of men belonging to Gosavi community (Fortune Teller) disembarked from a State Transport bus at the tribal dominated Rainpada hamlet, Tal - Sakri, Dhule. When one of the group members attempted to speak to a girl child, a crowd that had gathered for Sunday bazaar mistook the strangers for child lifters and pounced upon them. Rumours were also mongering for the last few days that a gang of child lifters was active in the area. Without ascertaining the identity of the strangers, the mob (1,500/2,000) dragged them to Rainpada Gram Panchayat office. At that time, 30/35 members of the mob forcibly entered the Gram Panchayat office by breaking the door and beat the five strangers with sticks and others objects to death. The fury of the mob did not spare even the police team, which arrived on the spot to pacify it. Two police officials were also injured. The names of the deceased persons are as follows :- 1. Dadarao Shamrao Bhosale, Aged - 40 yrs. 2. Bharat Shankar Bhosale, Aged - 45 yrs. 3. Raju Shrimant Bhosale, Aged – 45 yrs. 4. Bharat Shankar Malve, Aged – 45 yrs. 5. Angan Shrimant Hingole, Aged – 22 yrs. **Action :-** In this connection, on the complaint of Assistant Sub Inspector Ravindra Randiv, an offence was registered at Pimpalner P.S. vide CR.No. 74/18, against Balu Manyaram Bhavare and others (30/35), under relevant sections of law and as of 31-07-18, total 28 persons were arrested.
2.	**Adivasi-Muslim (Qureshi) Clash at Nandurbar city :-** **Incident** :- Vankar Ratilal Thackeray (Bhill), R/o. Chichapada, Bhilati (Nandurbar) and Vikram Jama Quereshi (Muslim) R/o. Quereshi Mohalla (Nandurbar) had previous enmity. On 08-07-18, an altercation took place between them over a trivial issue. Vikram Quereshi and his associates (11) started assaulting Vankar. When Vankar's mother Smt. Kashibai, aged 48 yrs. and a relative tried to intervene, Vikram and his associates also assaulted them. At that time, Adivasi and Muslim groups pelted stones on each other and torched one vehicle. Police had to burst two tear gas shells to disperse the warring groups.

	Action :- In this connection, on the complaint of Smt. Kashibai Thackeray an offence was registered at Nandurbar city PS vide CR. No.220/18 against Vikram Quereshi and others (12-all Muslims), under relevant sections of law and as of 31-07-18, total 04 persons (all Hindus) were arrested.
3.	**Rape on a Hindu Minor girl and its Repercussions at Aarni (Yavatmal) :-** **Incident –** Mustafa Jabbar Khan, aged 17 yrs., Sohail Shahid Shaikh, aged 20 yrs., Gaurav Raju Pardhi, aged 17 yrs., Yash Bandu Taple, aged 17 yrs, Shahid Altaf Beling, aged 13 yrs and Akhil Khan Avsar Pathan, aged 20 yrs. all residents of Mubarak Nagar, Aarni (Yavatmal) allegedly offered an intoxicated chocolate to one Preksha Ravindra Chhallani, Jain, aged 14 yrs. (resident of the same area) and raped her. The accused persons also filmed the act and used the video to threaten the girl and her parents to keep quiet. On 7-10-18, the family approached Aarni Police Station with a complaint. A case was registered vide CR. No. 737/18, under relevant sections of law and all the accused persons were arrested. **Repercussions** :- On 11-10-18, under the leadership of Shri. Balasaheb Mungimwar (Ex. MLA) and Shri. Khwaja Baig (MLC) and all party Morcha (400-500) was held at Tahsil office, Aarni demanding trial of the case in fast track Court and stringent punishment to the perpetrators etc. Bandh (100%) was also observed in Aarni town for the same demand. On 12-10-18 and 13-10-18, Jain community held Morchas (5) at Darvha, Ner, Kalamb, Jalka and Digras (Yavatmal) under local leadership to protest against the incident.
4.	**Attack on Policemen at Hivri, Tal. Maregaon, Yavatmal :-** **Incident –** On 26-11-18, Police Head Constable Rajendra Kulmethe, Head constable Madhukar Muke and Constable Pamod Khupre attached to Maregaon PS (Yavatmal) had gone to Hivri village to arrest one Anil Letu Meshram, aged – 35 yrs. A local court had issued a Non-bailable arrest warrant against Anil Meshram in an old case of trespass and assault. However, Anil Meshram and his mother Indira Meshram aged 58 yrs. attacked the police team with wooden sticks. Head Constable Raju Kulmethe sustained head and face injuries and the other police men were also seriously injured. Anil Meshram fled the spot after the incident. The injured policemen were moved to Government Rural Hospital, Maregaon, where the doctor on duty, declared Head Constable Raju Kulmethe dead before admission and other 2 policemen were admitted for treatment. In this connection, on the complaint of Head Constable Madhukar Muke, an offence was registered at Maregaon PS vide CR. No. 399/18, under relevant sections of law and Indira Meshram was arrested.
5.	**Hindu-Muslim clash at Korai, Tal - Akkalkua, Nandurbar :-** **Incident-** On 04-01-19, one Tala Baloch (Muslim) r/o of Korai, Tal – Akkalkua (Nandurbar) eve teased girl students at Sant Jadnade College, Khapar, Akkalkua. At that time, one Sangesh Tadvi (Hindu – Adivasi) took objection. Therefore, Tala Baloach and his five friends (all Muslims) assaulted Sangesh with iron rod and baseball bat. When Sangesh Tadvi informed his mother about the incident, his mother Kalavati Tadvi and (25-30) others went to the house of Tala Baloach and pelted stones. They also allegedly robbed ornaments and cash from Tala's house. **Action :-** In this connection, total 03 cases were registered at Akkalkua PS : 1. On the complaint of Sangesh Tadvi, against Tala Baloach and 5 others vide CR.No. 4/19, under relevant sections of law and total 05 accused persons were arrested as on 31-01-19. 2. On the complaint of HC/ Mohan Shirsat, against Kalavati Tadvi and (25-30) others vide CR.No. 5/19, under relevant sections of law. 3. On the complaint of Basik Ali Baloch, against Sangesh Tadvi and (30-35) others, vide CR.No. 6/19, under relevant sections of law and total 05 accused persons were arrested as on 31-01-19.
6.	**Relocated tribals protest, attack Police and Forest officers at Melghat Reserve, Chikhaldara (Amravati) :-** **Background –** Between 2008 and 2012, tribals from eight villages of Chikhaldara namely, Nagartas, Amona, Borukheda, Dhargad, Gullarghat, Somthana (Budruk), Somthana (Khurd) and

	Kelapani were rehabilitated out of Melghat Tiger Reserve under a compensation package they had themselves opted for. The package was rupees 10 lakh per family. Now, the villagers are demanding Government job for one person in the family, better civil facilities at the place of rehabilitation, farm lands, parity in compensation with the newly rehabilitated villages of Buldhana district etc. **Incident :-** On 14-01-19, villagers of these eight villages assembled at Khatkali gate, Tal - Chikhaldara (Amravati) and illegally entered into the core area of forest. Forest guards tried to stop them and a clash broke out. Angry villagers attacked the forest guards. Total 41 personnel of Forest department sustained injuries. In this connection, an offence was registered against 17 protestors at Chikhaldara PS vide CR. No. 6/19, under relevant sections of law. On 18-01-19, one Champalal Bethekar (Project affected person of Kelapani village) and other 15 to 17 project affected persons attacked forest and police officials at Kelapani when the forest and police officials tried to remove them from forest. In this connection, an offence was registered against 18 protestors at Chikhaldara PS vide CR. No. 8/19, under relevant sections of law and 03 persons were arrested as on 31-01-18. On 22-01-19, a team of Forest and Police department held a meeting with the villagers at Kelapani village and tried to persuade them to leave the forest. While the meeting was going on smoothly, the villagers started arguments and became aggressive. They attacked Forest and Police officials with sharp weapons, lathis and stones. Total 15 officials were injured in the incident. The protestors also damaged 3 vehicles of Forest department. In this connection, an offence was registered against 130-140 protestors at Chikhaldara PS vide CR. No. 10/19, under relevant sections of law and total 10 persons were arrested as on 31-01-19.
7.	**Five persons killed in accident, mob sets 18 trucks on fire at Gurupalli, Ta. Etapalli, Gadchiroli :-** **Incident -** On 16-01-19, at around 09:00 a.m., near Gurupalli, Tal. Etapalli (Gadchiroli), a truck operating for the Surjagad iron ore mine rammed into a State Transport bus, travelling from Etapalli to Aheri. Five passengers died and twenty-three sustained injuries in the said accident. Locals reached the spot, removed dead bodies and rescued the injured passengers. As the news of the accident spread, more people came from nearby villages and staged an impromptu roadblock (500-600) at the accident spot. The mob torched 18 trucks and smashed 7-8 trucks. They also shouted slogans against Lloyd company. Main demands of the protesters included compensation of Rs. 50 lacs to dead, Rs. 25 lacs to injured, closure of Surjagad project etc. In the evening, relatives and villagers brought dead body of one of the deceased namely Prakash Ambade to Etapalli Forest Post and continued the agitation until 17-01-18. On 17-01-18, the agitation was called off after the intervention of Shri. Ambarishrao Atram (Guardian Minister), along with Collector and SP, who convinced the protesters to give up their agitation. Shri, Atram assured to get Rs. 25 lacs each for the kin of deceased, maximum compensation to injured persons etc. Later, the dead body was taken for final rites. **Action -** In this connection, total 2 cases were registered at Etapalli P.S. 1. C.R. No. 02/19, against the driver of the truck for causing death by negligence etc. and the driver was arrested. 2. C.R. No. 03/19, against members of the mob for rioting and causing damage to property etc.
8.	**Hindu – Muslim clash at Sakali, Tal – Yaval (Jalgaon) :-** **Incident :-** On 26-01-19, during the Gramsabha of Sakali Grampanchayat, one Wasim Khan and his associates proposed to put up photographs of Tipu Sultan and Dr. Abdul Kalam in the office of Grampanchayat and to write name of the Panchayat in Urdu language. The Grampanchayat turned down the same demand. Infuriated with the denial, Wasim Khan and other Muslims (50-60) pelted stones on the houses of Hindus in Sakali village and damaged a four-wheeler vehicle of one Gopal Chowdhary. When police intervened, the mob manhandled them. **Action -** In this connection, on the complaint of PC Sunil Ghuge, an offence was registered at Yaval Ps, vide CR. No. 09/19, under relevant sections of law and as on 31-01-19, total 18 persons (All Muslims) were arrested.

	Repercussion- On the same day, one Asif Shaikh Zafar and 13 others (all Muslim) assaulted and seriously injured one Anjubai Ravindra Mahajan while she was passing from Kasaiwada, Yaval. In this connection, an offence was registered at Yaval PS. vide CR. no 10/19, under relevant sections of law.
9.	**Timely Action ensures peace after damage to a statue of Chatrapati Shivaji Maharaj at Trambakeshwar (Nashik Rural) :-** On the intervening night of 12-03-19 and 13-03-19, the statue of Chhatrapati Shivaji Maharaj at Shivaji Chowk in Trambakeshwar town, (Nashik Rural) was partially damaged by one Deepak Vishwakarma, who was found to be under the influence of alcohol. Timely action by the police and revenue officials ensured that peace prevailed. **Action** :- In this connection, an offence was registered at Trambakeshvar PS vide Cr. No. 45/19, under relevant sections of law and the accused person was arrested. **Repurcussions** :- On 13-03-19, the shopkeepers of Trambakeshwar town downed their shutters as a mark of protest.
10.	**Clash of INC and BJP supporters at Nandurbar city :-** **Background** :- Indian Nation Congress (INC) party workers from Hamalwada, Sambhaji Nagar (Nandurbar) and Bhartiya Janta Party (BJP) supporters from Maliwada (Nandurbar) had previous enmity over Dahi Handi and other issues. **Incident** :- On 18-03-19, both the groups clashed near Maharashtra Vyayam Shala, Nandubar city over a local issue of damage caused to the shop owned by a BJP supporter from Maliwada. Both the groups resorted to stone pelting, in which a few police officials were injured. Police had to use force to disperse the warring groups. A BJP Councillor Anand Baburao Mali sustained serious injuries in the incident. **Action** :- In this connection, two cases were registered at Nandurbar City P.S. PS vide Cr. No. 98/19 & 99/19. 1. CR.No. 98/19, on the complaint of Nilesh Mali against Prashant Jadhav and (90-100) others for rioting, attempt of murder etc. and as on 31-03-19 total 20 accused persons were arrested. 2. CR.No. 99/19, on the complaint of PSI Mahesh Shirsagar against Prashant Jadhav and (150-200) others for rioting, using criminal force for deterring police to discharge duty etc. and as on 31-03-19 total 24 accused persons were arrested.

- **Legislative Measures for Protection of tribal from Economic Exploitation**

(A) The Maharashtra Tribals Economic Condition (Improvement) Act, 1976

This is another important of legislation for the protection of the tribals. One of the measures to bring about effective economic improvement of the tribals is to protect them from exploitation by certain unscrupulous elements in society. To achieve this objective, the Act makes any lending made before the commencement of the Act, invalid void and a initio and prohibits marketing of certain agricultural and minor forest produce in specified tribal areas by private agencies. The Act provides for suitable alternative arrangement in the Tribal Areas for marketing of such produce and providing the needs of the tribals through the State Government and other specified agencies.

- **Monopoly Procurement of Specified Items**

The State Government has appointed the Maharashtra State Co-operative Tribal Development Corporation (TDC) as the 'Chief Agent' and the Adivasi (Tribal) Multi Purpose Co-operative Societies (ACSs) as its 'Sub-Agents', for the purpose of procurement of notified agricultural and minor forest produce from the tribals. The Maharashtra State Co-operative Tribal Development Corporation Limited procures on monopoly basis 21 Agricultural & 31 minor forest produce, at about 581 centers spread over in the Tribals areas. In addition to this vide State Govt. Notification dated 12-9-1996 & G. R. dt 28 - 10 -1997 the Grass Procurement Scheme have been started in Mokhada, Jawhar Tahsil in Thane Distract in the year 1998-99. During the procurement season 1998 - 99 total 37. 156 M. T.Grass worth Rs. 0.24 lakhs have been purchased through 4 purchase centers. During the procurement season 2000-2001 total 77.13 M. T. Grass worth Rs. 8, 07,543/- have been purchased, in the year 2001-2002 no purchase of grass by Tribal Development Corporation.

The trading losses suffered by the M. S. Co-op. Tribal Dev. Corporation Ltd. were found to be continuously increasing from 1982 - 83 to 1984 - 85. However, a steep decline in these losses trend during the period 1985 - 86 to 1986 - 87 there was again increase in loss during period from 1987 -88, 88 - 89 and profit 1990 – 1991, 1991 – 1992, 2001-2002,2002-03, 2003-2004 there was again a loss and since from 1992 - 1993 to 2018-2019 there has been continuous profit.

(Source: Maharashtra State Co-operative Tribal Development Corporation Ltd., Nasik)

The trading losses of the TDC were due to increase in transportation cost, high rents of godowns, natural losses, inadequate prices fetched in auctions, heavy bank interest, etc. High trading expenditure is a result of the scheme being operated over a vast and extensive rural area characterized by poor communication. Another reason for the losses is the small quantities of commodities tendered by the tribals, which make it difficult to maintain uniformity in the grade.

Another important feature of the Monopoly Procurement Scheme is peak in quantity in the year of 1986 - 87 to 2015 - 2016 as exhibited through the quantity of produce purchase by the TDC. The following figures in Table 4.3 of quantities procured to gather with their value will show clearly.

Table 4.3

Year wise Procurement of food grains & Minor Forest Produce by the Maharashtra State Co-operative Tribal Development Corporation Ltd, Nasik-

Year	Quantity (in Qtls.)	Procurement value (Rs.in lakh)
1986-1987	8,66,900	1,535.05
1987-1988	18,17,372	2,676.22
1988-1989	12,49,980	2,365.64

Year	Quantity (in Qtls.)	Procurement value (Rs.in lakh)

- **Consumption Finance:**

With the prohibition of private money-lending in the tribal areas, it is necessary to provide credit facilities to the tribals, for their development and consumption needs. Credit requirements for developmental activities are provided under various schemes including the Nucleus Budget. To meet the consumption requirements of the tribal's, a scheme of 'Consumption Finance', has been in operation since 1978-79. For this purpose Government has created a revolving fund and made available total amount of Rs.8.00 cores. So Tribal Development Corporation under the scheme a beneficent family is eligible for a maximum loan of Rs. 400 holding 4 units or Rs 800/- up to 8 units of Rs. 1000/-, over & above 8 units in their family. The following table indicates the position of disbursement of consumption finance / loans and its recovery.

Table 4.4

Year-wise Consumption /Finance Loan distributed and its recovery

(B) Maharashtra Sales of Trees by occupants belonging to Scheduled Tribes (Regulation) Act, 1969.

This is one of the protective legislations administered by the Revenue and Forest Department. The Government thought it necessary to regulate the disposal of trees standing in the holdings of persons belonging to ST and to provide for matters connected therewith. It was a piece of legislation made for the benefit of tribals and also for safeguarding them against the exploitative practices of the private contractors dealing in forest produce.

Under the Act, the Forest Department demarcates the land of the tribal occupants with the help of the local Patwaris and draws up a detailed list of trees to be felled. The marked trees are felled, converted, transported to the Forest Sale Depot and subsequently sold through auction departmentally. After the confirmation of the sale in auction the occupant is paid the sale proceeds,

after deducting the expenses incurred in connection with the sale. No supervision charges are levied and recovered by the Department. This measure enables the tribals to earn remunerative prices for their forest produce by eliminating unscrupulous middlemen/contractors.

(C) Debt Relief Act, 1975

Under the Maharashtra Debt Relief Act, relief was given to tribals by liquidating the outstanding loans and interest payable thereon for the following categories of persons:

(i) Small and Marginal farmers, rural artisans, rural labourers, industrial workers, etc., and those whose total income from all sources did not exceed Rs. 24,000 during the year, before 1st August, 1975.

(ii) A worker whose total income from all sources did not exceed Rs. 6,000, if living in an urban area and Rs.4,800, if living elsewhere, during the year before 1st August, 1975.

Tribal farmers were deemed to be small farmers irrespective of the extent of un-irrigated land cultivated by them, thereby placing tribals within the purview of the provisions of Maharashtra Debt Relief Act, 1975 with certainty.

(D) Bonded Labour

The Government of India has passed a legislation called the Bonded Labour System (Abolition) Act, 1976, which came into force with effect from 25th October, 1975 (initially through an ordinance).

The Industries, Energy and Labour Department deals with the administration ofBonded Labour System (Abolition) Act, 1976. The responsibility of identification of the bonded labourers and their release from bondage lies with the Revenue and Forest Department. After the bonded labourer is made free and released, the work pertaining to rehabilitation of the bonded labourers is required to be done by the Revenue and Forest Department.

Vigilance Committees under the Act have been constituted in the districts of Thane, Nasik, Dhule, Satara, Akola, Chandrapur, Bhandara, Aurangabad, Jalgaon, Amravati, Ahmadnagar, and Kolhapur, Nanded, Solapur, Sindhudurg and Melghat Sub-Division of Amravati district. In addition to their duty under section 13 of the Act, to identify, release and rehabilitate the bonded labourers within the areas of their jurisdiction, they are also to advise the District Magistrates for effective implementation of the other provisions of the said Act.

The Government, under Section 10 of the said Act, has also conferred powers and imposed duties on all the District Magistrates under the Act in their respective jurisdiction. In order to identify the offences under the said Act, the Government has also conferred the powers of First Class Judicial Magistrate, upon all the District Magistrates, Additional District Magistrates and Sub-Divisional Magistrates in the State, in their respective jurisdiction.

The rehabilitation of Bonded Labour is a Centrally Sponsored Scheme and the expenditure is borne by both the State and Central Governments on a 50:50 per cent basis.

The State Government vides its Resolution, Revenue & ForestDepartment No. RB-1083/2128/CR-185/R-4(A), dated 26th December1983 constituted a Screening Committee for considering the problems regarding the rehabilitation of bonded labourers as per the directions of the Government of India.The said Screening Committee scrutinized three special schemes for the rehabilitation of freed bondedlabourers and proposals weresubmitted to the Government for approval of the following schemes

(i) Scheme of rearing goats (unit of 20 goats and 20 ducks);

(ii) Scheme of supply of two buffaloes; and

(ii) Scheme of Supply of a pair of bullocks and a cart. Immediately on release, every bonded labourer is required to be given an immediate help of Rs. 500 in kind.

The concerned Collectors had also been requested to take action for the rehabilitation of the bonded labourers in the light of the following rehabilitation measures :-

(1)The bonded labourers freed from bondage may be provided with a house site under the hut construction programme within a period of 3 months, and if in the meantime there is rainy season, the period may be extended up to a maximum of 6 months, even if his name does not appear in the 1971 Census or any other data base being used for this purpose.

(2) Most of the Government waste lands have been disposed off. However, as far as the distribution of surplus lands under the Maharashtra Agricultural Lands (Ceiling on Holdings) Act, 1961 are concerned, bonded labour being landless should be given top priority, even by relaxing the condition of distance of 8 kms. Between his residence and the village where such surplus land is available for the purpose.

(3) On identification of bonded labourers, action for his rehabilitation should be taken without waiting for the conviction or otherwise of those who have kept them under bondage.

(4) The bonded labourers freed from bondage should be rehabilitated with the help of the on-going schemes i.e.

Integrated Rural Development Programme, Employment Guarantee Schemes, TRYSEM, etc.

(5) The bonded labourers released from bondage may be provided employment urgently, under the Employment Guarantee Scheme or on any other work within a period of fifteen days.

6) Admission in the Government Ashram Schools to the children of tribal Bondedlabourers should be granted on priority basis.

(7) Wherever possible, Adult Literacy Classes should be started for released bonded labourers.

- **Excise Policy**

In the Maharashtra State following Area is declared as Tribal Areas of the State, (Tribal Areas of the State are the parts of Scheduled Areas. “Scheduled Areas” means the area declared to be scheduled area by the President under the Scheduled Areas (Part A State) Order, 1950, made under sub-paragraph (1) of paragraph 6 of the Fifth Scheduled to the Constitution of India.) vide Government Notification

Dated 14.01.1982 and in the interest of tribals local tradition, grant of Licence in Form T.D.- 1 (for sale of Toddy), licence in Form C.L. II and Form C.L. III (for wholesale and retail sale of Country Liquor respectively) is prohibited

Sr. No.	Name of District	Area
01	Gadchiroli	Entire District
02	Thane	Mokhada Tahsil, Talsari tahsil & Jawahar tahsil (excluding Jawahar Municipal area)
03	Dhule	(now part of Nandurbar District) Navapur tahsil (excluding Municipal Area) Taloda tahsil (excluding Municipal Area) Akkalkuwa tahsil (excluding Akkalkuwa) & Akarni tahsil (Dhadgaon Tahsil)
04	Amravati	Melghat tahsil (excluding Dharni & Chikhaldara Hill Station Municipal Council Area)
05	Nasik	Surgana tahsil (excluding Surgana & Peth Tahsil (excluding village panchayat area of peth)

As per the welfare measures taken for these areas commercial vending of Toddy & Country Liquor like alcoholic beverages in these areas has been discontinued.

However, depending on the traditions and custom prevailing in these areas, tribals are exempted in respect of their own local traditional drinks distilled or brewed from Mohra Flower, Rice or Fruits in such tribal areas in so far as it related to the manufacture, possession, consumption, use or offering or distribution of such liquor for mutual accommodation for personal and social purposes but not for commercial purposes.

Continuous efforts are being made to wean away the Tribals from the habit for drinking alcoholic beverages through various measures. The Non-Government Organization working for the purpose, are being given the every possible assistance and help in their work. The Social Welfare Department of the Government organizes seminars and shows to educate the Tribals about the ill effects of alcohol.

1. The same excise policy is continued by the state this year also in addition to this Maharashtra State Excise Department has issued a notification dated 4th March, 2015 which empowered the panchyats of scheduled area for granting prior approval of any Excise Licence in their jurisdiction. The powers are vestol with respective gramsabha.
2. The tribal people are also benefited as toddy licenses with fixed licence fee are issued in tribal areas.
3. There is no exploitation of tribals as there is no sale of liquor in this area.

- **Displacement of Tribals**

The main cause for the displacement of tribal's is the major and medium irrigation projects taken up in the tribal areas.

The State Government has enacted a special legislation known as the 'Maharashtra Re-settlement of Project Affected Persons Act, 1976 which came into force from March 1977.The Act

provides for the granting of alternative wet lands on a prescribed scale in the benefited zone, to the project affected persons, whose lands have been acquired for the projects. Similarly, the persons whose houses have been acquired for the project are granted housing plots in the new villages, where incontinence amenities such as internal roads, schools, water supply, electricity, etc., are provided. In order to enable the housing plot allotted to construct houses, they are granted loans at a reasonable rate of interest and the loan is to be repaid in 20 equal installments.

No distinction is made between tribals and non-tribals as far as the grant of relief are concerned. There is also no separate monitoring of resettlement of the project affected tribals. Hence a separate assessment of the progress of rehabilitation of the project affected tribals is very difficult.

In a large number of cases the tribals of Scheduled Areas are rehabilitated outside the Areas and they do not get all the concessions available to them in the Scheduled Areas. The question of providing necessary protection to displaced tribals may be considered.

According to the provisions of the Act, a displaced person is required to deposit 75 per cent of the compensation received for his cultivable land which has been acquired for the project. It is understood that due to various difficulties including the fact that the place when they would be provided with alternative land is not known to the tribals at the time of receiving compensation most of the tribals are not willing to deposit 75 percent of the compensation. Hence, many of the projects affected tribals become landless in the process of displacement due to acquisition of their lands.

- **Payment of Minimum Wages**

As far as the occupational structure is concerned, a considerable part of the tribal population is engaged in (a) Agriculture, and (b) Forestry Operations. In addition to these two sectors, tribals are also employed in various development projects like road works, irrigation projects, etc. While minimum wages have been fixed in respect of most of the employment where tribals are employed in sufficient numbers, no such minimum wages rate has been fixed in respect of the Forestry Operations, where a large majority of the workers are tribals. It is, therefore, necessary to include Forestry Operations in the Schedule Areas and fix minimum wages for this purpose.

The PO, ITDP is declared as Inspector of Minimum Wages considering the need to strengthen the Administrative machinery.

The administrative machinery for implementation of the Minimum Wages Act faces a challenge to cover the inaccessible and far-flung tribals' areas. It is, therefore, necessary to strengthen the administrative machinery further for its implementation in the tribal areas. The problem of conferring powers of inspection on the officials of the Tribal Development Department such as Assistant Project Officers of the ITDPs and Tribal envelopment Inspectors under the Minimum Wages Act may be considered.

CHAPTER V

NEW INITIATIVES

Community based approach to improve health and nutritional status and to reduce deaths of tribal's of Melghat

- This project is implemented by Mahan Trust, Utawali, Dist. Wardha.
- Budget for this scheme is Rs. 450.00 lakhs.
- Melghat is remote tribal area of about 4000 sq.km having pollution density less than 75 person sq.km. This area has lack of essential facilities.
- Mahan trust has surveyed the area and found- severe malnutrition, child death rate around 90, low quality of cleanliness, 90% people do not use toilet and no availability of water.
- Mahatma Gandhi Tribal Hospital Utawali is working in 30 villages of Melghat area doing treatment of 1000 malnutrition children from age 0 to 60 month, 3000 children below are 5, 1600 pregnant women, 10000 patient form age 16 to 60 and 20000 patient from at Hospital.
- The purpose of the scheme is reduce child death rate in 30 tribal villages, reduce severe malnutrition reduce death rate of tribal between age 16 to 60, reduce infant mortality rate and mother death rate, cure patient from severe diseases.

Creating a Diploma Course in Sustainable Management of MFPs under FRA and PESA

- This Diploma course is designed by Mumbai School of Economics and Public Policy, University of Mumbai, Mumbai.
- Budget for this scheme is Rs. 215.00 Lakh.
- The diploma course has been developed to provide the technical knowledge to the gramsabhas in nearly 7700 villages having more than 29 lakh hectares of land under CFRA, so that they can maximize the benefits from the forest right acts.
- The workshop was held in Mumbai in the month September 2017 and October 2017 where the detailed syllabus was discussed and detailed modalities for running the programme were formulated.
- The necessary approval from the statutory bodies of Mumbai School of Economics and Public Policy was obtained and course material in Marathi language is prepared.
- The first module and orientation programme will be conducted at Mendha over a period of 2 weeks and duration of diploma course will be for 20 weekends.
- CFR diploma course started for creation of Forest Conservation and Management Plan of CFR villages like already done in 376 villages out of 7713 (with the help of NGOs) by TRTI in collaboration with Mumbai School of Economics and Public Policy (MSEPP).

Creation of baseline for the PVTG groups

- Mumbai School of Economics and Public Policy, University of Mumbai, Mumbai implement this scheme.
- Budget for this scheme is Rs. 25.00 Lakh.
- The proposed baseline survey of PVTGs covers Kolam, Katkari and Media Gond communities in Maharashtra.
- The baseline survey covers following factors –
    - Economic Indiactors- Average monthly income and expenditure, asset ownership including land, house and animal, migration pattern, employment / unemployment structure etc.
    - Health and Education indicator- access to education, awareness of health issues, literacy, gender gap etc.
    - Social/demographic indicators: family size, sex ratio, social capital, mortality, social network
    - Policy- examination demand drivers policy inputs and implementation of policy.

Setting up of Data Analytics and Project Management Centre for TSP Planning and Budgeting.

- This scheme is implemented by Department of Technology, Savitribai Phule, Pune University, Pune.
- Budget for this scheme for First year is Rs. 664.00 lakh and Recurssive Expenditure Rs. 63.72 lakh per year for three year i.e. Total budget for this scheme is Rs. 855.16 lakh.
- This centre will consolidate data generated through various schemes implemented. This data will helpful for monitoring and evaluation of various schemes in future. This data will helpful for decision making and framing new scheme.

Proposed Creation of a Farmers Producer Organization (FPO) of 30,000 farmers under central assistance:

1. Provide a digital platform for small farmers that is suitable for usage by micro-businesses and supports multiple business model and small farmer innovations.
2. Execute the below activities with the support of appropriate field partners wherever applicable:
    - Institution Building
    - Disintermediation / Direct Market Linkage
    - Semi-processing setup
    - Retailing of End-consumer Products
    - Improve Livestock Status
    - Establish Agri-business Course at Ashram Schools
    - Provide Professional

3. Services in the areas of Manufacturing, Retail, and Distribution Management
4. Build an ecosystem of professional services providers, buyers, and domain knowledge partners so that the solution can be scaled independently.

Pandit Dindayal Upadhyaya Swayam Yojana- (Schemes for students who could not get admission in the Hostels.)

The Tribal Development Department has provided hostels facilities to Scheduled Tribe students for their higher education in various secondary and higher secondary colleges, medical, engineering colleges, polytechnics etc. Under the Tribal Development Department there are total 491 government hostels (283 for Boys and 208 for Girls) are functioning.

The total strength of these hostels is 58,485 and the students can get admission in the government hostels under the admission capacity. However, the number of students belonging to Scheduled Tribe students who want to take education under various courses is increasing day by day. Due to this, number of students entering secondary and higher secondary education, degree and postgraduate courses etc. is very high and comparatively the availability of admission to the government hostels is less.

1. Providing Pre-matric scholarship to all ST students learning in the schools run by Rural Development Department and Urban Development Department. (Appox. 14 lacs students covered).
2. Vide G.R dated 06.05.2017, Tribal Development has started DBT Scheme to all ST Students in Government Ashram School.
3. Various innovative activities are being implemented in Government Ashram School for the upliftment of quality education such as **Karadi path activities** for English, **MIEPA** training for math and Marathi language's, WASH programme, Kayapaya Abhiyan etc.
4. Providing **Life Skills** training to all students in government Ashram School.
5. Development of Science Lab and providing science training to science teachers in Government Ashram School, with the help of Eklavya Science center Bhopal.

1) Ashram Shala Transformation Campaign on (Kayapalat Abhiyaan)

For effective implementation of WASH program in line with “Swachh Bharat Abhiyan” in Government Ashram schools, repair and construction of toilets, bathrooms, hand wash stations, water supply and dining rooms along with Kitchen has been envisaged. According to the Government Resolution dated 05 May 2017, Ashram Shala Kayapalat Campaign is being implemented in a time bound manner. 200 Master Trainers have been trained to to train Ashram Shala staff and students on behavioral change w.r.t. WASH. Key resource centers empaneled by Water and sanitation department have been selected for the implementation of the WASH Programme. The work done in kayapalat abhiyaan is being monitored at multiple levels and the best work will get rewarded. During the summer vacation many Ashram Schools have completed minor repairs in Schools. Similarly Schools are preparing detailed project proposal for water, sanitation, major repairs with the help of KRCs.

2) Providing Life Skills Training to the staff and adolescent students of Ashram Schools

Tribal Development Department is constantly trying for the overall development of the students of ashram school. To achieve the same motive, TDD in association with Rajmata Jijau Mother Child nutrition Mission with the assistance of Health department and Woman & child Development Department have begun the life-skills training program to solve problems faced by adolescent children in ashram schools. This program provides life-skills training to teachers and superintendents who are now training the students from standard 6th to 12th in all Government Ashram schools.

Health, nutrition, hygiene, reproductive health, safety, protection, self-care are the sensitive issues that have been taken up in this training. The Department has decided to include the Life skill training as an integral part of curriculum of Ashram school.

3) ISO certification of Ashram schools

The department is encouraging the schools enhance the basic infrastructure, and regular maintenance of school infrastructure to provide a conducive environment to students for study. Department also encouraging the schools to establish a standardize process as per ISO norms. As of now, around **20** schools are registered for ISO certification and around **30** schools are already ISO certified.

4) Direct Benefit Transfer:-

The Tribal Development Department used to provide in kind benefits like supply of uniforms, shoes, socks, night dresses, stationery to Ashram Schools students. To empower the students to buy the necessary material as per their choice and desired quality, Tribal Development Department has taken the decision of " Direct Benefits Transfer" and transferred the amount of rupees 7500 to 9500 directly to the bank accounts of the students or a joint bank account of the students and parents. By adopting this procedure, department has ensured faster delivery of service to students, avoided delays that occur in mass procurement and has brought transparency. This year 161 crores were distributed as direct benefit transfer.

In Tribal Development Department "Swachh Ashram Shala Abhiyaan" program is being implemented. NSE with technical assistance of UNICEF is supporting the WASH initiative in 172 Ashram schools of Nashik region by providing technical and financial support. This program consists of:

i. Installation of Wash (Water, Sanitation and Hygiene) Facilities:
ii. Repair of basic facilities for cleanliness by construction organizations.
iii. Provide hand wash stations and drinking water facilities.
iv. Water conservation through rain water harvesting, solid and waste management (with incinerator), making platform for washing clothes.

1) Change in behavior and dialogue:-

i. Promoting a healthy life system through audio-visual media and games to create a team of students in each school and disseminate messages related to the Wash program through them, also including menstrual hygiene management.

2) Usage and maintenance guidelines :-

i. Keeping a user manual for regular maintenance, time limit, responsibility to each group which includes cleaning workers, students and school management committees.

ii. To establish a committee at the ashram school level and to ensure that the activities are carried out in a phased manner for repair and maintenance. The Committee, regularly reviewing the supply of sanitary items, ensure that supply of these items (washing soap, napkin, safety equipment to cleaners etc.) is being done regularly.

3) Other affiliates Institutions: -

i. JSCF (Water Aid) will be working as a project management and coordinating institution for the programs, and in the implementation of these programs, will help in setting up basic facilities, behavior change and training.

ii. KRC (Key Resource Centers) has been entrusted with the responsibility to take necessary action to complete the projects. The KRC list has been set up by the Water Supply and Sanitation Department to provide better facilities for the implementation of these programs.

4) Impact: -

This Programme will benefit 172 ashram schools and 70 thousand in the area of Additional Commissioner, Tribal Development, Thane and Nashik. For this, NSE will provide around 9.7 crore rupees for 3 years.

A. Urvi Ashok Piramal Foundation:-

The aim of the project is to provide timely health checkup and treatment, counseling of ashram school students. Tribal Development Department has signed a Memorandum of Understanding on 12th July, 2016 with Urvi Ashok Piramal Foundation under the Corporate Social Responsibility for free Medical health checkup through Mobile Health Unit. This foundation has started free medical checkup of 16 Ashram Schools in Pen ITDP area. In this Programme weekly checking of the students was carried out by mobile health units.

This program is being implemented and its utility is also proven. This program has been extended to 19 Ashram Schools of Shahapur and Murbad Talukas from the current year.

Major features of this program:

- For the 14 schools in Shahapur taluka, the Urvi Permal Foundation will provide mobile health unit including doctors, nurses, drivers and counselors. The entire expenditure on this will be borne by the Foundation..
- GPS system is installed on the mobile health unit, so that the movement of the unit is known and the distance carried out in a day. The Mobile Health Unit will also be contacted in consultation with Tribal Development Department at the designated places.
- The information regarding the health history of each student and the treatment done by health unit from time to time will be kept in digital form and given to the school management. After

health checkup of students of the ashram school, necessary medicines will be provided to the student and the record will be maintained under the control of concerned Head Master with due signature of Headmaster, Female Officer or Superintendent.

- According to this program, the weight, height, hemoglobin and blood group of the student will be observed in the first six months. Necessary medicines and tonics will be provided to those found having low hemoglobin, low weight and other nutritional deficiencies. Students are examined by their eye sight and are treated accordingly.
- The purchase of Mobile Health Unit vehicle, maintenance of Mobile Health Unit and the expenditure on the employees' wages is borne by the Foundation.
- The cost of necessary medicines, other materials, treatment of students, and fuel for the mobile health unit is borne by the Foundation.
- The information related to the medical examination of the students will not be made available to any person or organization by the Foundation without prior consent of the Tribal Development Department.

B. Dr. Baba Saheb Ambedkar Technical University (BATU):-

Tribal Development Depart has signed an MoU with Dr. Baba Saheb Ambedkar Technical University (DBATU) to come on board as its academic and technological partner. DBATU is an affiliating State Technical University and shall be bringing all the affiliating Engineering, Pharmacy, Architecture, Hotel Management and Catering Colleges and to take active part for improving quality of Technical Education, promoting awareness about science and technology in masses, developing and propagating technological advances, conducting research and innovation activities at the department and in affiliating colleges for the benefit of society in particularly in the tribal areas of Maharashtra.

Through this partnership the Department will be able to obtain manpower support including student interns and Young professionals for data collection, compilation and analysis and for various field projects of the Department and its subsidiaries (TRTI, TDC, PO offices etc).

C. Tata Institute of Social Sciences (TISS):-

Tribal Development Depart has signed an MoU with the Tata Institute of Social Sciences (TISS) to come on board as its knowledge partner and to provide expertise and assistance pertaining to CSR. This partnership will help TDD to bring in an academic outlook while drafting policy interventions.

TISS will assist in developing Proposals/ Detailed Project Reports (DPRs) as may be required for facilitating funds & support under CSR through multiple corporate entities while also providing policy level advice pertaining to CSR. TISS will also carry out research, training and evaluation

studies of various policies of the Government relating to tribal development in Maharashtra. TISS will undertake research studies into the core educational issues of Ashramshalas such as learning outcomes, teacher performance, student attendance and make policy suggestions for improvement based on the findings of these studies.

TDD will provide mentorship opportunities to students of TISS through internships and fellowships giving them a first hand opportunity to work with the government.

D. Mumbai School of Economics & Public Policy Institute (Mumbai University):-

The Tribal Development Department (TDD) aims at timely policy intervention that is research backed and in this light the TDD with the Mumbai School of Economics and Public Policy (MSEPP), University of Mumbai would establish a Tribal Research Centre (TRC).

TDD aims to generate a relevant database on tribal related issues that would enable evidence based policy intervention for which the Tribal Research Center will be one of key partners to conduct research and evaluation studies relating to tribal development in Maharashtra. These Research projects will be jointly undertaken with the government bodies Tribal Development Corporation (TDC), the Tribal Research and Training Institute (TRTI) and other institutions, organizations and experts. TRC would also evolve and conduct training programmes for building capacity and knowledge base within TDD.

Also, TDD would provide internship opportunities to students of MSEPP for obtaining manpower support for various research and evaluation / monitoring initiatives of TDD. MSEPP has started diploma course for FRA (Forest Right Act),

The first batch has begun. The MSEPP is also working on creation of policy for PVTGs.

E. Dr. A.P.J.Abdul Kalam Amrit Food Planning: -

Bharat Ratna, Abdul Kalam, Amrit Diet Plan, Tribal Development Department, Govt. Decision, Order-2013 -01, 78 / Function-8, dated 18/11/2015, to provide pregnant women and lactic mothers in a scheduled area for a period of six months. Under the scheme of 85 Integrated Child Development Projects of 16 Adivasi districts of the state, women and child development departments should implement it. It has been implementing.

Government decision no. A full-time diet given under the scheme- AVI-200 / PRO-4 / Function- 8 dated 22/06/2018, includes Chapati or Bread, Rice, Pulses- Dal, ShegadanaLadu (Rajgir / Dalia / Lalsi / Sugar) Eggs, or bananas, green leafy vegetables / fruit vegetables, edible oils, iodized salt, masala, lemon, etc., and for the cost of fuel / gas refineries and other contingencies, the cost is Rs. 35 / -. It's been there.

In addition to the regular benefits received from Anganwadi workers and anganwadi assistants to successfully implement this scheme, it has been approved to give Rs. 250 / - each Rs. 500 / - per month per month to prepare the scheme.

Egg-Banana is being given to children under 7 months to 6 years of age under stage 2. Their rate is allowed to be Rs. 6 /- Eggs made for the Amrit Diet Plan should be done locally through poultry schemes run by self help groups / poultry projects in government pilot projects. If it is not available through it, then it has been instructed to purchase from the local market.

The above revised rates will be effective from July 01, 2018.

This scheme is being implemented under the control of Tribal Development Department and through Integrated Child Development Services Scheme.

Phase- I - of the Scheme vide Tribal department G.R dated 18/11/2015 pregnant and lactating mothers were benefitted with one square meal in the Anganwad Centre. After detection of Pregnancy, and registration in the Primary Health Centre and the nearest Anganwadi Centre or Mini Anganwadi Centre, She becomes eligible to avail benefits of the Scheme. Post pregnancy, the Lactating mother also gets benefits for the first 6 Months.

Phase- II - Vide Tribal department G.R dated 05/08/2016, Children aged 7 Months to 6 Years, who are registered in the Anganwadi Centre are benefitted. The Children get a diet of 2 bananas (Vegetarian) or 1 egg (Non- vegetarian) for 4 days in a week, i.e., 16 days in a month.

To monitor its Implementation, a committee is to be formed at the Gram Panchayat Level / Anganwadi Level comprised of the following members.

Lady Sarpanch / Lady Gram Panchayat Members	--	Chairperson
One Lactating Mother	--	Member
One Pregnant Woman	--	Member
One Anganwadi Worker	--	Member

At the State / District / block Levels the Scheme is to be monitored by the following

State Level – ICDS Commissioner ate, Navi Mumbai

District Level: Deputy Chief Executive Officer of 16 Tribal Districts

Block Level: Child Development Project Officer Working in the 16 Tribal Districts.

CHAPTER VI

VANMITRA MOHIM

FRA SECTION

INTRODUCTION:

Since the inception of Forest Rights Act, 2006 (FRA), the Tribal Development Department, Maharashtra Government has been involved in recognizing the land rights of Scheduled Tribes (ST) Forest dwellers and Other Traditional Forest Dwellers (OTFD). Implementation of FRA, 2006 is ensured by three tier committees. The Forest Rights Act has been implemented in the State from 31/12/2008 and the rules made under it have come into force from 01/01/2008. Three tier committees (Village level committee, Sub-Divisional level committee and District level committee) have been set up in each district for proper implementation of this Act. A state level monitoring committee has also been set up to review the situation at the state level. At present, as per Tribal Development Department, Government of Maharashtra Order dated 3rd August 2020, the Commissioner, Tribal Research and Training Institute, Pune has been appointed as the Nodal Officer for the implementation of the Forest Rights Act.

FRA STATUS AS ON 31, MARCH 2021

THE FOLLOWING ARE THE STEPS TAKEN BY TRTI & STATE GOVERNMENT FOR EFFECTIVE IMPLEMENTATION OF FOREST RIGHTS ACT 2006.

- To expedite the implementation of forest right act, the Secretary to the Honourable Governor, Raj Bhavan, Mumbai is holding review meetings with the concerned Divisional Commissioners and District Collectors from time to time.
- In order to expedite the implementation of Forest Right Act and to resolve pending cases, weekly review meetings are being held with the concerned project officers under the chairmanship of the Secretary, Tribal Development Department, Mumbai.
- In order to settle the pending forest rights claims and pending 7/12 cases, TRTI has taken the follow up with each of the concerned district level officials by conducting review meetings during the period October, 2020 and Feburary,2021
- As per the notification dated 18th May, 2020 issued by the Honourable Governor, the claimants from Scheduled area whose individual (IFR) and collective claims have been rejected by the District Level Forest Rights Committee have been provided a provision to file an appeal to the Divisional Forest Rights Committee. Accordingly, the forest rights claimants in the scheduled areas have been made aware to file an appeal to the Divisional Forest Rights Committee. Also all the Divisional Forest Rights Committees have been set up.

FURTHER INITIATIVES BY TRTI:

COMMUNITY FOREST RIGHTS MANAGEMENT DIPLOMA:

During the past few months a strategy has been laid down for the management and conservation of forest land and resources that are recognised and granted under FRA. The Act requires CFR holders to

prepare management plans for sustainable use and conservation of land and Minor Forest Product (MFPs). Therefore, TRTI, Pune along with Mumbai University has been taken a Diploma in Community Forest Management in Medha Lekha, Gadchiroli, the first village in India to receive CFR. Now in 2nd stage it is decided to take next diploma course batch in Nadurbar district for which selection exam is also has been taken. 35 tribal candidates from 35 CFR villages of Gadchiroli are currently enrolled for three months Diploma. Soon the Diploma course will be implemented in all the FRA districts as well as will be made available online. Besides this, 356 CFR villages are preparing their Conservation and Management plans for next ten years are with the help of local NGOs as per the MoTA guidelines. Such well-organised efforts by the implementing FRA in letter and spirit will uplift the socio-economic status of forest dwelling communities who were deprived of their rights and alienated from their land.

Additionally, Central Government shall provide diversion of forest land for following facilities managed by the Government:

1) School
2) Dispensary or hospital
3) Anganwadi
4) Fair price shop
5) Electric and telecommunication line
6) Tank and other minor water bodies
7) Drinking water supply and pipeline
8) Water or rain water harvesting structures
9) Minor irrigation canals
10) Non-conventional source of energy
11) Skill up-gradation or vocational centre
12) Roads
13) Community centre
14) Godawoun/ Cold Storage
15) Mhasan/ Dafan bhumi

HOLISTIC DEVELOPMENT OF IFR HOLDERS:

Keeping in mind the long term objective of socio-economic enhancement of tribal/forest dwelling farmers through FRA, a holistic development approach is adopted by TRTI. The list of individuals who received IFR is provided to District Collector's office and other administrative departments concerned with tribal development. It is expected from such departments to ensure the schemes and programs of individual benefits are made available or inclusive to these individual as per the need. This provides a linkage between IFR holders and other departments, further creating a scope for convergence. Following are some of such schemes which may be availed by IFR holder:

1) Crop loan
2) Agriculture equipment and fertilizers
3) Pump set and pipeline
4) Horticulture program
5) Schemes/ programs by Central Government
6) LPG gas
7) Bio-gas Milch Animals

8) Solar lamps
9) Minor irrigation
10) Tents for agro-tourism
11) Assistance for land levelling

THE COMMUNITY FOREST RESOURCE MANAGEMENT COMMITTEE

- In Community forest resource right the challenges are beyond recognition of right.
- The Community Forest Resource Management Committee (CFRMC) is selected by Gramsabha is appointed for the management of CFR as per rule 4(1)(e).
- The separate account is opened in the name of CFRMC.
- The Govt. of India through Tribal Affair Deptt. Vide circular Dated. 23 April 2015 insisted to prepare Conservation and Management plan of each CFR.
- The plan should include –
  d) Community organistion and capacity building.
  e) Preparation of management plan
  f) Administration
- This plan preparation can be prepared by through the accredited NGOs PRI Institution Government Department or local CBOs etc.
- This plan Prepared is to be implemented through the District Convergence Committee headed by District Collector.
- The Committee making efforts to increase the resources at Village Level are indication of real Development there from.
- Currently 8,007 villages have CFRs out of which in 356 villages CFR Management plans are being prepared and executed with the help of NGOs as per UNDP-MOTA guidelines.

Chapter VII

The Provisions of the Panchayats (Extension to the Scheduled Areas) Act, 1996 (PESA) mentioned in the Fifth Schedule Areas.

- **Constitutional Provisions with regard to Panchayati Raj System in the Country**

The Constitution (Seventy-Third Amendment) Act, 1992, which came into force w.e.f. 24th April, 1993. inserted Part IX in the Constitution of India and accorded Panchayats a Constitutional status as institutions of local self-governance for rural India

Article 243M (1) of the Constitution exempts Scheduled Areas and tribal areas referred to in Clause (1) and (2) of article 244 from application of the provisions of Part IX of the Constitution However, article 243M (4) (b) empowers the Parliament to legislate and extend the provisions of Part IX to Scheduled Areas and tribal areas referred to in clause (1), subject to such exceptions and modifications as may be specified in such law and no such law shall be deemed to be an amendment of the Constitution for the purpose of article 368

The PESA Act came into existence to address the exemption of Scheduled Areas from the provisions of Part IX of the Constitution, which deals with Panchayats. Recognizing the need for local self-governance in these regions, Parliament exercised its power under Article 243M (4) (b) to extend and modify these provisions specifically for Scheduled Areas. This legislative action aimed to empower tribal communities and ensure their participation in decision-making processes concerning their lives and resources.

- **FIFTH SCHEDULE AREAS**

The Fifth Schedule of the Constitution deals with the administration and control of Scheduled Areas as well as of Scheduled Tribes residing in any State other than the States of Assam, Meghalaya, Tripura and Mizoram "The Provisions of the Panchayats (Extension to the Scheduled Areas) Act, 1996 (PESA)", extends Part IX of the Constitution with certain modifications and exceptions, to the Fifth Schedule Areas notified under article 244(1) of the Constitution. At present. Fifth Schedule Areas exist in 10 States viz. Andhra Pradesh, Chhattisgarh, Gujarat, Himachal Pradesh, Jharkhand, Madhya Pradesh, Maharashtra, Odisha, Rajasthan and Telangana.

- **DEFINITION OF VILLAGE AND GRAM SABHA**

Under the PESA Act. {section 4 (b)}, a village shall ordinarily consist of a habitation or a group of habitations or a hamlet or a group of hamlets comprising a community and managing its affairs in accordance with traditions and customs Under the PESA Act. section 4 (c), every village shall have a Gram Sabha consisting of persons whose names are included in the electoral rolls for the Panchayat at the village level.

- **PESA EXCLUSIVELY EMPOWERS GRAM SABHA -**

a) to safeguard and preserve: Tradition and customs of the people, Cultural identity, Community resources, Customary mode of dispute resolution. *Section 4(d)*
b) to approve the plans, programmes and projects for social and economic development taken up for implementation by the Panchayat at the village level. *Section(4)(e)(i)*
c) for the identification or selection of persons as beneficiaries under the poverty alleviation and other programmes. *Section (4)(e)(ii)*

d) to certify the Panchayat's utilization of funds for all village-level social and economic development plans, programs, and projects. *Section 4(f)*

- **PESA EXCLUSIVELY EMPOWERS PANCHAYAT AT APPROPRIATE LEVEL**

a) for planning and management of minor water bodies in the Scheduled Areas. *Section (4)(j)*

PESA EMPOWERS GRAMSABHA OR PANCHAYAT AT APPROPRIATE LEVEL –

1. to be consulted prior to land acquisition in Scheduled Areas for development projects, as well as before resettlement or rehabilitation of affected persons. However, the State shall coordinate the actual planning and implementation of such projects. *Section (4)(i)*
2. to have their recommendations made mandatory before granting prospecting licenses, mining leases, or concessions for minor mineral exploitation in Scheduled Areas. *Section 4(k) & 4(l)*

- **PESA EMPOWERS PANCHAYAT AT APPROPRIATE LEVEL AND GRAMSABHA–**

as institutions of self-government. The State Legislature shall ensure they have specific powers in Scheduled Area, including:

1. Enforcing prohibition or regulation or restriction on intoxicants.
2. Ownership of minor forest produce.
3. Preventing land alienation and restoring unlawfully alienated land of Scheduled Tribes.
4. Managing village markets.
5. Controlling money lending to Scheduled Tribes.
6. Exercising control over social sector institutions and functionaries.
7. Controlling local plans and resources, including tribal sub-plans.

- **IMPORTANCE OF PESA**

Effective implementation of PESA Act will not only bring development but will also deepen democracy in Fifth Scheduled Areas. There are many benefits of PESA Act.

The PESA Act will enhance community participation in decision-making and reduce alienation in Scheduled Areas by granting them better control over public resource utilization. This increased control and management of natural resources will reduce poverty and out-migration, improving livelihoods and incomes. Additionally, the Act minimizes exploitation by allowing people in Scheduled Areas to control money lending, the sale and consumption of intoxicants, and village markets. Effective implementation will prevent illegal land alienation, restore unlawfully alienated land of Scheduled Tribes, and promote cultural heritage preservation in Scheduled Areas by safeguarding their traditions, customs, and cultural identity.

MOPR'S INITIATIVES

RECOGNIZING THE IMPORTANCE OF PESA, THE GOVERNMENT OF INDIA HAS BEEN MAKING EFFORTS TO ENSURE EFFECTIVE IMPLEMENTATION OF PESA IN PARTNERSHIP WITH THE STATE GOVERNMENTS. SOME OF THE ACTIONS INCLUDE

I. Consolidated guidelines on the implementation of PESA were issued on May 21, 2010, to all states having Fifth Schedule Areas.

II. Constant reviews of the implementation of the PESA Act are conducted in the states having Scheduled Areas through visits, correspondence, and meetings/workshops.

III. Under RGPSA, states with Fifth Scheduled Areas are being financially assisted to deploy PESA Coordinators at the state, district, and block levels, and Gram Sabha Mobilizers at the Gram Panchayat level.

IV. A handbook on "Community Mobilization" in Fifth Scheduled Areas was published.

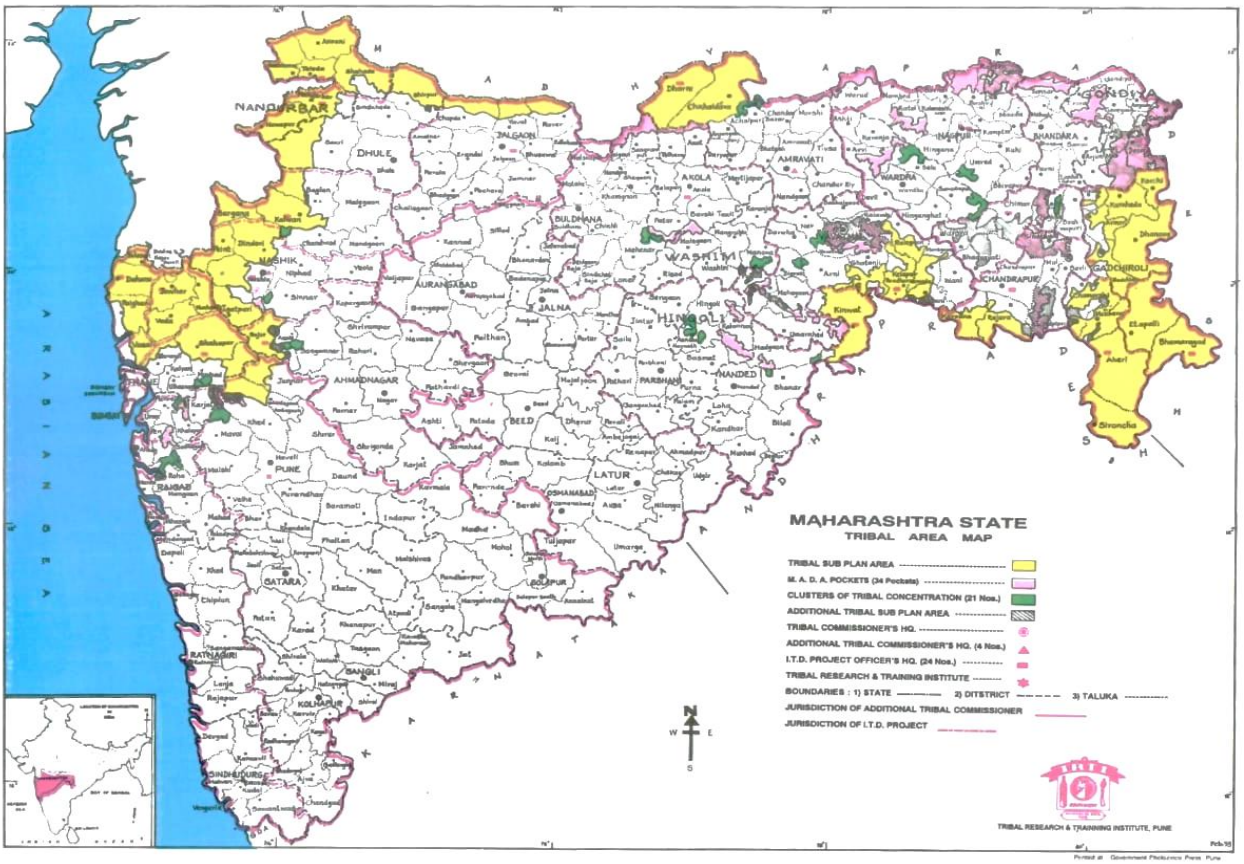

V. Sponsored various research studies and action researches on themes related to the PESA Act

VI. States were urged to formulate rules for the implementation of PESA Act provisions and amend their State Panchayati Raj Acts and relevant laws to make them compliant with PESA Act.

VII. Ministries/Departments in the Central Government were requested to amend Central laws in accordance with the provisions of PESA Act.

VIII. The Ministry of Panchayati Raj (MoPR) actively organized workshops on Gram Sabha Orientation and mobilization. These workshops aimed to empower and educate rural communities on effective governance and participation. The MoPR allocated funds to support these activities, ensuring their successful implementation across various regions.

Map of Scheduled Areas in Maharashtra:

The status of implementation of PESA Act in Maharashtra.

I. In Maharashtra, 13 districts are partially covered under the PESA Act, 1996. These districts are as follows: Thane, Pune, Nashik, Dhule, Nandurbar, Jalgaon, Ahmednagar, Nanded, Amravati, Yavatmal, Gadchiroli, Chandrapur, and the newly created district of Palghar.

Sr. No.	Coverage under PESA Act	Total No.
1.	Blocks	59
2.	Gram panchayats	2928
3.	PESA Villages	8226

II. The Maharashtra state government adopted the Model Rules framed by the Government of India in 2014.

- The Government of Maharashtra approved the PESA rules and published them in the official gazette via a notification dated March 4, 2014.
- These rules called the `Maharashtra Village Panchayats Extension to Scheduled Areas (PESA) Rules, 2014'
- The established Panchayat shall function as the executive body committee of the Gram Sabha
- Dedicated The state PESA cell, activated under Rural Development Department from 2020.
- As per the guidelines of the Ministry of Panchayati Raj (MoPR), the Maharashtra Government has appointed Mobilizers at the Gram Panchayat level to strengthen Gram Sabhas.

Funding to direct Gram Sabha/Gram panchayats as an UNTIED FUND.

- The Honourable Governor of Maharashtra insisted on the direct transfer of funds to PESA Gram Panchayats. Therefore, the government made an amendment to the Maharashtra Gram Panchayats Act. The Government of Maharashtra has decided to transfer funds directly to Gram Panchayats.
- An account called "Gram Sabha Kosh" was established. These funds, comprising 5% of the TSP (Tribal Sub-Plan) Outlay of the district, are distributed to Gram Panchayats based on tribal population. The Governor of Maharashtra instructed for such direct fund provision, and an amendment was made to the Maharashtra Gram Panchayat Act accordingly. Consequently, funds have been transferred directly to Gram Panchayats annually since 2015-16.

Funds were allocated for the six fiscal years 2015-16, 2016-17, 2017-18, 2018-19, 2019-20, and 2021-22 to ensure effective implementation. This scheme was transferred from state level to the District Development and Planning Committee (District level) from 2021-22 onwards. Funds are being disbursed to the Gram Panchayats. These funds are untied, and the Gram Panchayat can utilize them for immediate needs as decided by the Gram Sabha.

- The detailed instructions for implementing the scheme are laid down in the following Tribal Development Department's Government Resolutions (GR):
  - No. PESA 2015/CR-19/D-17 dated April 21, 2015
  - Corrigendum to GR No. PESA 2015/CR-19/D-17 dated February 20, 2016
  - No. PESA 2015/CR-98/D-17 dated August 21, 2015

- The amount of grants will be determined each financial year based on the tribal population of the village/Gram Sabha.
- The amount is credited directly to the Village Panchayat (VP) account through RTGS
- The amount is supposed to be spent on the following categories:

a) Infrastructure services: Development of roads, bridges, buildings, and other basic infrastructure.

b) Implementation of FRA & PESA: Activities related to implementing the Forest Rights Act (FRA) and the Panchayats (Extension to Scheduled Areas) Act (PESA).

c) Forestry, wildlife conservation, water conservation, forest ponds, wildlife tourism, and forest livelihoods, etc.: Projects aimed at preserving and enhancing natural resources and promoting sustainable livelihoods.

d) Health, sanitation, and education: Initiatives to improve the well-being and quality of life of the community.

- **Administrative approval:** The Gram Sabha is responsible for granting administrative approval for works costing less than 3 lakhs. No technical sanction is required for these works.
- **Utilization Certificate:** Upon completion of the work, the Gram Sabha must provide a Utilization Certificate and submit it to the CEO.

By the end of March 2021, the funds had been utilized as follows:

Sr. No	Particulars	Year 2020-21
1.	Released Funds Transfer to GP	186.47 Cr.
2.	Total Expenditure	177.95 Cr.
3.	Total works taken in hand	26374
4.	Completed works	23764
5.	Work in Progress	2610

- The untied PESA fund has empowered Gram Sabhas to exercise their right to village planning, resulting in increased participation from previously disengaged members.
- The funding and resulting independent planning at the pada level increased demand for separate Gram Sabhas for padas and hamlets, as per Rule 4 of Maharashtra's PESA rules.
- The right to Minor Forest Produce (MFP) and Minor water bodies within the area of Appropriate level Panchayat has generated a significant new income source for Gram Sabhas and Appropriate level Panchayats, adequately meeting their needs.
- In Maharashtra, Panchayats in Scheduled Areas were often remote, with Group Panchayats consisting of 2 to 7 villages and several padas (hamlets). The larger villages dominated, leaving smaller ones marginalized. PESA has brought them genuine autonomy, allowing them to exercise their rights through untied funds, Minor Forest Produce (MFP), and pond fisheries.
- Gram Panchayats have begun planning for their specific needs, sparking a genuine desire for development. This shared vision of village progress has brought communities together, fostering increased participation in Gram Sabhas.

Chapter IX

SPECIAL INTIATIVES & PROJECTS BY TRIBAL DEVELOPMENT DEPARTMENT

EDUCATION INITIATIVES FOR IMPROVING QUALITY

- Revamping Eklavya Model Residential schools

Policy Inputs:
- Ashram School Code
- Child Protection Policy

- Eklavya Science Teaching Programme
- Karadipath English teaching programme
- Namankit Schools

- School DBT
- Hostel food DBT
- Swayam
- Hostel Stationary DBT
- Post-metric scholarship

- Kayapalat Abhiyan
- Special Repairs Campaign
- WASH Trainings
- ISO Certification
- Child friendly infrastructural changes

- "Annapurna" - Centralised Kitchen for Ashram Schools
- Special Health Services For Remote Ashram Schools

- Life Skill Education
- Comprehensive Tobacco Control Program
- School Health Management System and Digital Health Cards

Transformation of Scheme Delivery in TDD through DBT Policy

Bottlenecks before DBT System

- ✓ *Delays in Procurement.*
- ✓ *Poor Quality of goods*
- ✓ *Corruption in procurement*
- ✓ *Piecemeal supplies*
- ✓ *Patronage approach*

Outcome achieved through DBT

- ✓ *Timely supplies ensured by timely disbursement of funds.*
- ✓ *Quality ensured – Self Choice*
- ✓ *Leakages plugged*
- ✓ *All entitlements were provided at one go*
- ✓ *Partnership with Parents and Students*

01 Ashram School DBT

Rs. 323.6 Cr.

FY	Beneficiary (in lakhs)	Amount (in Cr)
2017-18	1.91	80.0Cr
2018-19	1.90	152Cr
2019-20	1.84	91.6Cr

02 Hostel DBT

Rs.172.63Cr.

FY	Beneficiary	Amount (in Cr)
2018-19	54338	114.63
2019-20	50678	58

03 Swayam DBT

Rs. 34 Cr.

FY	Beneficiary	Amount (in Cr)
2016-17	1537	3.6
2017-18	2278	5.5
2018-19	3680	16.8
2019-20	3304	8.1

04 Post-matric Scholarship DBT

Rs. 863.6 Cr.

FY	Beneficiary (in lakhs)	Amount (in Cr)
2015-16	1.56	227.0
2016-17	1.50	187.5
2017-18	1.23	213.6
2018-19	1.40	235.5
2019-20	0.9	Yet to Start

05 Pre-matric Scholarship DBT

Rs. 888.0 Cr.

FY	Beneficiary (in lakhs)	Amount (in Cr)
2014-15	Approx. 12 to 13 lakh students	179.6
2015-16		207.0
2016-17		172.35
2017-18		159.5
2018-19		158.5
2019-20		11.08

06 Namankit

Rs. 1114.8 Cr.

FY	Beneficiary	Amount (in Cr)
2014-15	9165	43.75
2015-16	23,891	130.0
2016-17	41,315	231.1
2017-18	50,667	279.0
2018-19	53,353	287.9
2019-20	47309	143.11

Note: Benefit disbursement for FY: 2019-20 is in process

Strengthening School Management Committees

To build capacities of SMCs for Effective utilisation of allocated funds

3 Fold Increase in expenditure in 2 months of intervention

December 2018

- 18% of funds allocated by SMCs spent by Dec 2019
- 72% of the Schools spent less than 1/5 of the fund
- ~28 Lakhs were spent across 33 Schools

March 2019

- 70% of funds allocated to SMC spent before 10th March 2019
- 70% of the schools have spent more than 3/5th of the fund
- ~1.19 Cr spent across 34 schools

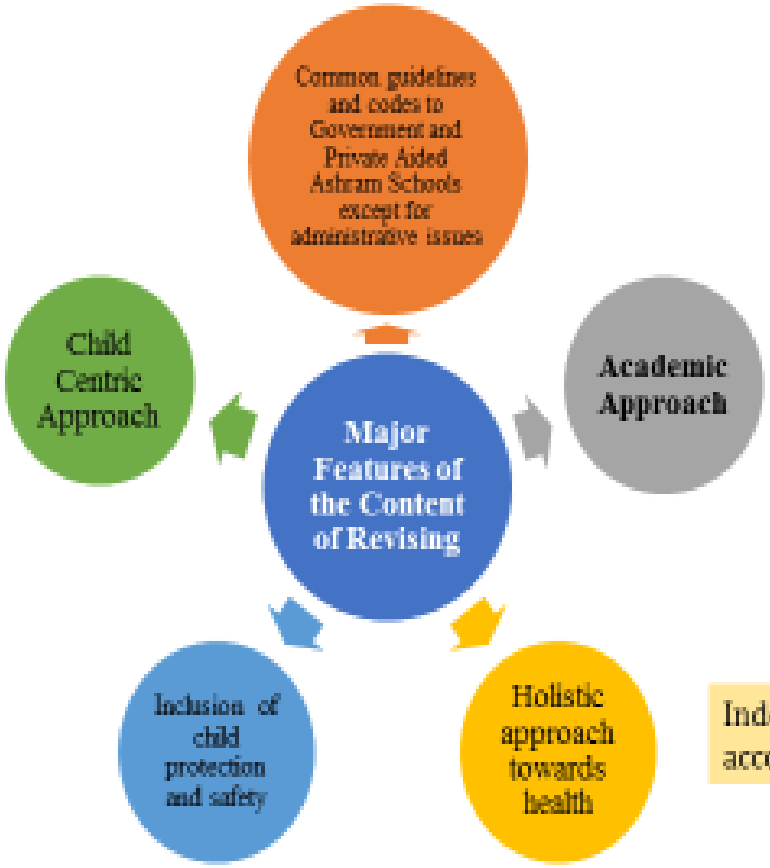

Dahanu Pilot Project

- SMCs are one of the key decision making stakeholders in Schools.
- Maharashtra is the 1st State to provide funds to SMC to the tune of Rs. 5 Lac.
- SMC GR are was revised after rigorous field visit and Focused Group Discussion with SMC members and other parents.
- Pilot Project was implemented in PO Dahanu with Saajha
- A detailed project for all ATCs has been sanctioned under Central Assistance for 2019-20

REVISION OF ASHRAM SCHOOL CODE:

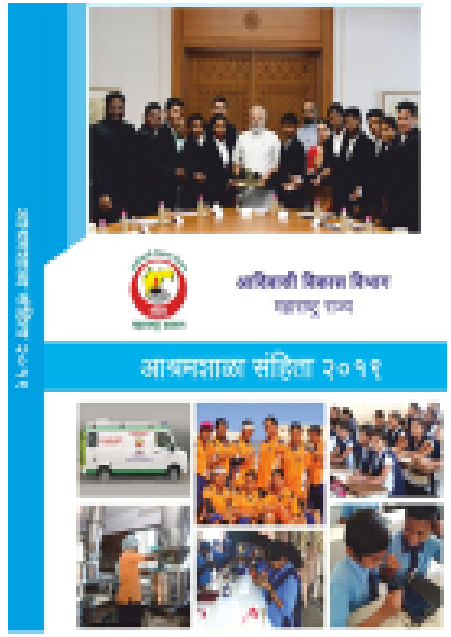

The code book defines the quality in terms for staffing, infrastructural facilities, health, security and education. Framework for good governance and management of residential schools. Uniform standards for Aided and Govt Schools.

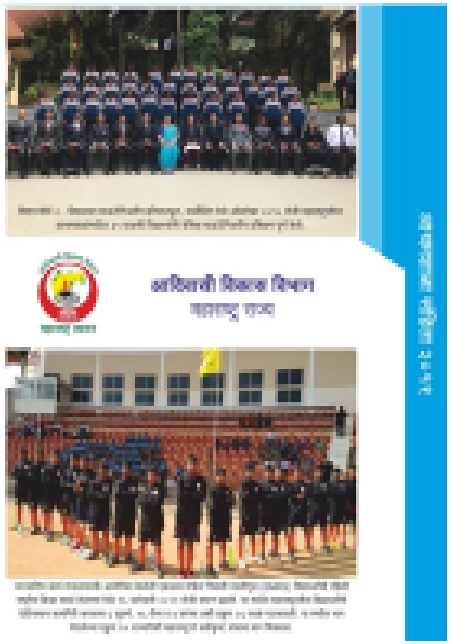

Major features of the Content of the Code Book:

The revised Code Book has gone beyond the educational management and school administration, to improve academic quality in Ashram Schools.

Independent chapter on grievance redress, accountability and health care etc.

EKLAVYA SCIENCE PROGRAMME

Improving Science Teaching and Learning through Teachers Training, Science Corners & Labs

TOTAL BUDGET: 14 Cr

1.32 lac children

400 Ashram schools

800 + teachers trained

Eklavya Foundation: 30 year old organisation. Advisor to MHRD& SCERT Madhya Pradesh. Pioneer in Science Education and mentored several States .

Training to improve capacities of science teachers and lab assistants to deliver science education. Hands-on kit to students for doing experiments as per syllabi. Bringing labs to classroom.

IMPACT:

- Fuelled love for experimentation and science in the schools as children have got a chance to do experiments themselves.
- Improved pedagogy and conceptual clarity.
- Science libraries cum reading corners have been set up in 81 schools and would be set up in 319 schools by Dec, 2019.
- Science Centre established in 81 Ashram Shalas & EMRS

Teacher Training, Nashik

Science Exhibition at Patoda AS, ITDP Kinwat

Students of EMRS Pimpalner, Nashik performing the activity on Reflection of Light. The students were inquisitive. They asked about 'lateral inversion' in mirrors, also about the same in ambulances. 'What are mirrors made of?' 'Why seawater is blue? Is it due to reflection?'

Students of Tembli Ashram school, Dhani reading a book from science library

KARADIPATH ENGLISH PROGRAMME

TOTAL BUDGET: 4.32 Cr

1.4 lac Children

406 Ashram schools

3282 teachers trained

Karadipath Pvt. Ltd.: Globally acclaimed for children literature & English speaking programmes. Working in Tribal Schools of Telangana, Goa and other States.

2 year immersive English language programme to rapidly improve the English proficiency of children

IMPACT:

- This inculcated huge confidence & helped students in developing speaking skills & comprehension of English language.
- Would assist in availing professional/science education and improve employability prospects for students in future.
- 100 Schools under Karadipath are being taken for conversion into English medium schools in a phased manner.

Demonstration to teachers within the classroom by Karadipath Facilitator

ART EDUCATION BY ART INDIA FOUNDATION

Budget: 37.50 Lac

2000 students

Khula Asmaan Sessions in 6 Ashram schools of Palghar Region.

To nurture the creativity of students, an art course has been introduced in collaboration with "Khula Aasmaan" – a **vibrant platform for creative expression for children and young adults.**

- Creation of comprehensive courseware in Marathi to enable delivery of arts curriculum.
- Train the teachers to teach arts as this subject was not taught in ashram schools so far.

IMPACT:

- Enhanced skills in art forms, This has lead to better student teacher interaction and students have started expressing themselves through Art.
- Web page for students excelling in arts have been created by Khula Aasman. Long term plan to screen talent of selected ones to become professional artists These skills could lead to income generation in future.

A painting made by a 6th standard student given to Hon'ble Governor during Gradage felicitation.

Art by Kajal Baraf (11 years) - Gold Medalist at National Level Competition – Sakhre AS, Palghar

BASIC AMENITIES

KAYAPALAT ABHIYAAN

School/Hostel Building Repair: **2800**
Budget: 12.51 Cr

275 As and Hostel repair estimate for Rs. 23.70 Cr. (2018-19)

New Ashram Shala completed: **27**
Budget: 89.61cr (2018- Nov 2019)

Administrative approval 2019-20
Budget: 121 Cr

Ashram Shala Refurbishment: Rs. 180 Cr approx.

NATIONAL AWARD FOR SWACCHA VIDHYALYA

Awarded by Hon'ble HRD Minister, Shri. Prakash Javadekar

Gotewadi Ashram Shala, PO Kalamnuri

WASH facilities, CCTV cameras installed.

Separate sports complex and sports teacher

ISO CERTIFICATION OF ASHRAM SHALAS

102 Ashram schools

ISO certification directly links to good quality overall infrastructure in the ashram schools.

Only 5 in 2016-17

The project's success has motivated the department to implement it across the state

School: Bhadvad Ashramschool, Nandurbar

Devada EMRS, Chandrapur

Ambe Ashram Shala, Nashik

Community based approach to improve health and nutritional status and to reduce deaths in Melghat

Objective:

- To reduce the neonatal mortality rate (NMR), infant mortality rate (IMR) & Under 5 children mortality rate to less than 25, 40 & 70 per 1000 live births respectively in population of 29619 from 30 tribal villages of Melghat over a period of 5 years.
- To reduce the age specific mortality rate(16-60 years) to less than 270 per lakh population in above setting.
- To reduce the maternal mortality rate to less than 200 per lakh live births in above setting.
- To reduce the prevalence of severe malnutrition (U5C) to less than 10%.

Beneficiaries

- 4500 cases of childhood illness.
- 1500 Severe Malnourished Children in 6-60 months age group
- 2400 pregnant women
- 15000 patients in age group of 16-60 years
- Treatment of 20000 patients in hospital

Implementing and Knowledge Partner: Dr. Ashish Satav (M.B.B.S., M.D.), MAHAN Trust, Amravati

Treatment of patient by VHW.

Kitchen Garden-
48000 kg vegetable production

Treatment of Acute Myocardial Infarction
with Pulmonary Oedema - Ventilator care

VHW checking BP of a patient

Compost fertiliser preparation by women in Melghat

SPECIAL PROJECTS FOR NUTRITION & HEALTH CARE

Centralised Kitchen Projects

28,000 Children in 82 Schools

Tribal dept has collaborated with Stree Shakti to provide healthy and nutritious meals in Government Ashram Schools.

IMPACT:

- 46,277 students of 100 Government Ashram Schools and EklavyaModel Residential Schools covered through 4 centralized kitchens (Khambalgaon, Mundhegaon, Winval and Nandurbar)
- Diversification of menu, healthy snacks and celebration of birthdays has also been introduced. Base line health status report has been made to track improvement in BMI over time.

Atal Arogya Vahini - Ambulances

48 Ambulances in 14 ITDPs

309 Ashram schools

1.32 lac children

Apart from handling emergency cases it is aimed at early detection & real-time diagnosis

IMPACT:

- 1,17,293 students medical screening done.
- 462 school health education lectures
- 982 students hospitalised
- 23,789 students treated in sickroom facility
- 13,353 emergency / non emergency calls 4084 students transported for emergencies
- 51 students operated 10 students diagnosed with congenital heart disease
- 1040 Village awareness activities in summer vacations

Digi Health Pranali

85,000 Children

207 Ashram schools

Dashboard & Portal: shows prevalence of disease amongst the screened students, region wise on real time basis.

IMPACT:

- 72,898 students –medical screening done
- 16 students operated
- 5 students with cleft lip and palate
- 10,431-medical enquiry calls
- 143 students -hospitalised
- 220 -school health education lectures
- 15 students diagnosed with congenital heart disease

FRA implementation - Impact

1. Security of livelihoods to 1,84,319 tribal and forest dwellers amounting to 4,18,140 acres land.
2. Over 7,781 villages have secured the right to conserve, regenerate and manage their forest resources covering 29,18,968 lac acres of land. Maharashtra accounts for 31.5% of area given under CFR.
3. During 'Vanmitra Mohim' 52,788 IFR claims and appeals decided.
4. CFR Diploma Course conceptualized and rolled out. Convocation of first batch & award ceremony on 23 Feb 2019.
5. Development of Forest 'Conservation and Management Plans' (CMP) per UNDP-Ministry of Tribal Affairs guidelines in 356 CFR villages . Sanctioned 8.60 cr.
6. Substantial rise in household incomes in CFR villages and multiple benefits for individual beneficiaries in addition to regeneration of degraded forest

Community Forest Management Diploma course

Jointly offered by the Tribal Research and Training Institute, Pune and the Mumbai School of Economics and Public Policy.

First initiative of its kind in the country to demystify technical knowledge .

Aim –Knowledge creation, skills & competencies of GS

Duration -: 6 months, Gadchiroli

Modules cover :

- Legal & conceptual framework for CFR MANAGEMENT
- Principles of economics and accounting
- Utilising Forest working plan
- GIS mapping and geo tagging of forest resources
- census of forest resources
  - Collecting geographical information using GPS
  - Laws like Bio Diversity Act, 2002
  - Wildlife Protection Act, PESA, MGNREGA, FRA

Designed with the help of the experts.

Sports team from Eklavya CBSE Schools at National Championship in Telangana. The young team bagged 6 gold, 16 silver and 4 bronze taking our medal tally to 26. Maharashtra also received the Best Team Award amongst 20 states.

MISSION SHAURYA I and II

- 5 out of 10 Tribal Students Summited Mount Everest in 2018.
- 9 out of 11 students summited Mount Everest in 2019.
